The now "Jew-nited" States are ruled from "Jew-York" by Jews only!

It's Roosevelt's Fault **that you are in this war!**

Roosevelt is definitely linked up with the *Jews* and the *Jews* wanted *War*.

Roosevelt and his *Jews* wanted to escape the consequences of the total collapse of the "New Deal" by creating a boom in war industries.

The *Jews* wanted immense profits from war and they didn't give a damn about the lives of Gentile Americans who inevitably have to pay the price for this *Jewish war mongering*.

War is the best paying business for the Jews
and it increases **Jewish power and wealth!**

Call this Jew-baiting if you will, but the stern, stark fact remains:

The Roosevelt government is Jewish and not American!

This whole war is a *Jewish scheme*, brought about by an international gang of *Jewish* conspirators. They are so powerful that they can make things "happen" which will set one nation against another.
