Fire preserves man
and helps to keep
alive in him the un-
dying urge that sends
him toward the
warmth and light of
truth.

Published by
THE STUDENTS OF
WESTERN STATE TEACHERS COLLEGE
Kalamazoo, Michigan

D E D I C A T I O N

TO Dr. John P. Everett,
scholar, teacher, and
friend of students, we are
proud to dedicate this
1932 Brown and Gold.

Man adds art to
fire, religion, and
philosophy and opens
new avenues toward
truth in an attempt-
ed sublimation of
his ideal through
creation.

FOREWORD

AS an expression of the activities of the school year we offer you the 1932 Brown and Gold. May its pages bring back half-forgotten incidents of your college days when you chance idly to open it in some distant future time, and may they be pleasant memories which it awakens for you.

Moses, servant of God, brings a way of life that leads man through religion to a closer realization of the meaning of truth.

"THE teacher should constantly live by the law of growth; remembering that it is also the law of life and that only by keeping his knowledge fresh and usable and adding somewhat to it every day, can he be a fountain to his pupils, and not a stagnant pool."

—Ruric N. Roark

The maestro and his pupil continue man's pilgrimage into aesthetics and music crowns his efforts to reach a golden light and warmth.

A D M I N I S T R A T I O N

I am glad to commend very heartily the work of the Brown and Gold staff of 1932. The alumni group numbers 15,393. These graduates are now scattered through the land from Boston to Los Angeles, from Duluth to New Orleans. To this group will soon be added the graduating class of June. On commencement day, a total of 15,841 certificates and diplomas will have been granted since 1904.

On behalf of the faculty, it is a pleasure to congratulate all of those who have been intimately concerned with the production of the 1932 Brown and Gold.

The Freshman Council

THE Freshman Council is composed of the four class officers and the three Freshman representatives on the Student Council. All activities of the Freshman class are under the charge of this council. This year much enthusiasm was in evidence at all of the Freshman functions, which included an all-Freshman party, "The Jail-Hop," a reception to the Sophomores, and an innovation, a Freshman supper. Also, the class is unique in having the first and last "Freshman Pot Night" to usher out of existence the dying institution of Freshman caps upon Western's campus and to celebrate the victory of the Freshmen over the Sophomores at the class games.

Degree Courses

SINCE 1918 it has been possible to obtain a Bachelor of Arts or a Bachelor of Science degree from Western State Teachers College. The degrees are granted at the completion of a regular four year course in subjects of college caliber.

Although the degree courses do not interfere in any way with the various life certificate courses, a certificate from any of these departments may be applied on a Bachelor of Arts or a Bachelor of Science degree. Because of this fact, many students, after teaching several years, find it profitable to return to Western to earn a degree.

Since their inauguration the degree courses have increased in popularity each year. At present they threaten to outnumber the other courses in membership. This tendency is due, in part, to the fact that all the larger high schools are refusing to hire any teacher without a degree. The requirements for a B. S. degree meet the requisitions of pre-medic students and those who plan to specialize in engineering or law. In 1930 a four year business administration course which earns a B. S. degree has been added to the various other curricula.

Men's Physical Education Department

THE Men's Physical Education Department not only trains men for teaching and coaching positions, but also affords opportunity for recreational activities for those who are not taking a physical education course.

Three years are now required for a Life Certificate in this as in other departments. Work done may be applied towards a B. S. degree, and this is done by many students.

The men in this course are trained in the major and minor sports, this training is done in the big gymnasium which is fully equipped with the apparatus necessary to thorough work.

During the winter and spring terms extensive programs in intramural athletic competition are sponsored by this department. Opportunity to participate is extended to all college men whether they are physical education majors or not. In this way men are enabled to engage in sports which would otherwise be denied them.

In the winter term was held an interesting and hotly contested basketball tournament, in which twenty-one teams competed. A basketball free throw contest was held which proved very popular. There were also volleyball and indoor baseball tournaments among house and class leagues. Other intramural athletics in which students engaged were golf, quoits, archery, tennis, and diamond ball.

The Physical Education Department has an important part in maintaining opportunities for recreation as a balance for the mental activities of the students of the school, and in promoting good health through physical exercise.

Women's Physical Education Department

THE Department of Physical Education for Women at Western State Teachers College offers a three year certificate course to equip its students for positions as instructors of physical education in public schools and as recreation directors. Theory courses pertaining to physical education work, opportunity for practice teaching, and participation in sports and games are required in the curriculum.

In addition to training students for teaching physical education, the department offers to every girl in school, an opportunity to participate in athletics and games, and also makes provisions for those people requiring individual gymnastic work. An effort is made to stimulate interest and to increase participation in intramural sports and athletics, including basketball, archery, golf, and tennis. In the winter term, in particular, time is given to the conducting of tournaments in basketball and volley ball for all students. Each term round-robin tournaments for the classes in the department are held in the major sport of the season.

This year the enrollment in the department numbers about seventy-five with a teaching staff of eight instructors.

It is the aim of the department to provide healthful physical activity for every girl while in school and to send out capable, thoroughly-trained students to teach physical education.

Freshmen

Later Elementary Department

THE Later Elementary Department is one of the oldest and most completely developed units of teacher training at Western. It has jurisdiction over the third, fourth, fifth, and sixth grades. The greatest number of children in the public schools at present are enrolled in these grades, which represent the transition from the early elementary period to the Junior High school age.

Courses in Child Psychology, Education, English, Art, and Music are required of all students electing a Later Elementary course. The principles of child training are applied in a term of actual practice teaching.

Although the number of required subjects in this course is quite large, the Later Elementary curriculum is so extensive as to offer enough electives to provide a well balanced college education.

COUNSELLORS

Miss Steele

Miss Argabright

Senior High Department

ALTHOUGH the Senior High curriculum has changed its requirements from two years work to three for obtaining a Life Certificate, it does not play as important a part in the school as it formerly did, because of the raising of educational standards throughout the country.

The problems of teaching in the tenth, eleventh, and twelfth grades are studied in this department. This course may readily be changed to a Degree course. Special courses in psychology and teaching are required of students electing the course, and two terms of practice teaching are also required.

The custom of teaching a few years in the smaller schools and then coming back for a degree is becoming popular as well as profitable.

COUNSELLORS

Miss Zimmerman

Dr. Sangren

	RICE	BUSS	ROSENOW	WELDER	
MEYER	HUMPHREYS	LAMOREAUX	OSTRANDER	IVINS	
	BYRD	HAMMOND	LA PLANTE	PEARCE	

Home Economics Department

THE Home Economics Department at Western aims to develop teachers who are well-trained in all phases of home management and who can fill positions in public schools throughout the country. With the raising of standards of living in the last few years comes recognition of the value of scientific knowledge pertaining to food, shelter, and clothing, and recognition follows the organization of the Home Economics Department to meet the increased demand for expert teachers.

This department requires three years of instruction and gives a Life Certificate at the completion of its curriculum.

Besides the subjects such as millinery and nutrition, characteristic of the course, science, art, education and language are required as a background.

One of the popularizing features of the Home Economics course is the fact that students in this department can earn their way through school by putting some of their learning into practice. Much actual worthwhile experience as well as monetary aid is gained in taking care of children, in cooking and planning meals, and in doing general housework.

Although this field of instruction is comparatively new, there is a large demand for Home Economics teachers, and practically all of the graduates from this department have secured good teaching positions in Michigan schools.

COUNSELLORS

Miss Moore

Miss Schumacher

FOREMAN GALBREATH BARKER DERHAMMER ROSTER RANDALL
FISK GREENHOE BRUMM BROOKS HOWARD

Music and Art Departments

WHILE ranking as two of the most popular, the Music and Art Departments of Western State Teachers College are also two of the most worthwhile departments. The contribution of the time and talent of the members to aid in promoting college activities makes the various school projects successful in an artistic and musical manner. Courses in all types of art work are offered by the Art Department. Due to the fact that it not only trains art students to be instructors but designers as well, much time is spent in the fields of poster drawing, mural painting, and stage designing. Much of the prominence and success of the department, which is steadily increasing in efficiency and importance each year, is due to the splendid supervision of Miss Siedschlag.

The Western State Department of Music is one which is very well developed. Aside from the regular courses aiming to develop an appreciation for music as well as to give the usual technical instruction, the Music department includes such phases as the Men's and Women's Glee Clubs, a joint choir, the Orchestra and the Band. These groups are much in demand for programs on special occasions at Western and elsewhere in Kalamazoo. Besides this, many trips are taken for the purpose of giving concerts at surrounding cities, and for the last three years an annual radio program has been broadcasted from Detroit. The participation of the Choir and the Glee Clubs in the Messiah and the unique performance of the Band at one of the musical assemblies were highlights in the activities of the Music Department for the school year 1931-32.

COUNSELLORS

Mr. Maybee

Miss Siedschlag

LUCY MERRICK SCHABEL MAYOUSEK ROMIG
BOOMGAARD HESBURN HANSON JOLLIFFE

Manual Arts Department

THE aim of the Manual Arts Department is to provide actual practice in industrial arts as well as instruction in theoretical principles. This practice is carried out in one of the most completely equipped and highly developed manual arts buildings boasted by any Michigan college. In this building are facilities for practical application of the theories studied in the different manual art courses. Students may specialize in auto mechanics, machine shop, woodwork, drafting, mechanical drawing, farm mechanics, forging, and other arts of industry.

The Manual Arts Department, along with other departments, has changed its course, so that three years are required for a Life Certificate instead of two. A manual arts curriculum may be arranged in such a way that work done may be applied on a Bachelor of Science degree.

Largely through the efforts of Mr. Huff and Mr. Sherwood, the Manual Arts Department has been very successful. This success, in addition to the opportunities open to teachers of industrial arts subjects, has made the department increasingly popular.

COUNSELLORS

Mr. Huff

Mr. Sherwood

GINETTI BLISS MEYER CLARK
MILLARD ENSFIELD CUTLER HUTCHINS BAKER
MEISCH SHEATHHELM BROTHERS O'BRIEN

Early Elementary Department

SIMILAR to the Later Elementary Department but preceding it in the field of work is the Early Elementary Department, which has jurisdiction over the first three years of a child's school life.

In 1929 the Early Elementary Department changed the requirements for a Life Certificate from two years' work to three. Because of this change, Western's Early Elementary course is rated highly among educators. In addition to the usual fundamentals, subjects such as education and psychology, which aim to give a deeper, more sympathetic insight into the nature of the child, are required in this curriculum. One of the features of the course is the period of actual practice teaching under trained guidance, which is required of all students.

Of late years, parents and teachers have generally accepted the view of physicians and psychologists that the first years of life are the most influential in determining the permanent habits and attitudes of a child. Consequently they are studying with much interest problems relating to children, and this progressive movement has created a large demand for teachers well trained in this line of work.

Students enrolled in the Early Elementary Department may become members of the Early Elementary Club. This organization takes an active part in the campus social life and during the year completes several social welfare projects. One of the purposes of the club is to earn money to add to the Fannie Ballou Scholarship Fund, which is a source of help for students of the department.

"WE have no sympathy with the individual who substitutes reading for thinking or who retires from his fellows in gloomy introspection. Too much reading, even educational, may be as stupefying and enslaving as the treadmill rounds of brute labor. One-sided intellectualism travels on the lonely trails of the arid, unfrequented regions. Books and reading should lead to the highway of freedom, alertness, and usefulness."

—Adam Strohm

The breaking of the dawn of modernism finds man, his aesthetic desires satisfied, venturing into a new world of his own creation.

A C T I V I T I E S

National Student Federation

FOR two years Western State Teachers College has belonged to The National Student Federation of the United States of America. In 1931 the Student Council sent Joe Hooker and Harold Rowley as the first representatives from Western State to the N. S. F. A. convention at Atlanta, Georgia. Western then joined.

George Wynn and Henry Kibbey were Western's delegates to the N. S. F. A. at Toledo, Ohio, in 1932, and they brought back very favorable reports of the work of this national student movement, the only one in the United States today.

In the words of its founders the purposes of the N. S. F. A. are: *"We would achieve a spirit of coöperation among the students of the United States to give consideration to questions affecting student's interests. We would develop an intelligent student opinion on questions of national and international importance. We would foster understanding among the students of the world in the furtherance of an enduring peace. In working toward these ends the Federation acts independently of any political party or religious creed."*

The *Herald* through the Federation receives news releases and "World Student Mirror," an unbiased journal containing news of student interest from all parts of the world. Much information is available member institutions of the Federation in regard to student problems and opinion. In many ways Western is benefitted by its membership in the N. S. F. A.

WYNN

KIBBEY

Student Council

THE year 1932 has been a banner year for the Student Council. The student governing body, composed of four officers representing the entire school, three representative members from each class, the editor-in-chief of the Brown and Gold, the student editor of the Herald, the music manager, the debate manager, the student auditor, and the publicity manager, has worked conscientiously to effect legislation and to carry out projects that would meet with the whole-hearted approval of those whom it represented.

In compliance with its usual custom, the Student Council issued the Student Handbook and the Student Directory. At the opening of the school year, Council members lent their assistance in the Freshmen days program.

The Homecoming with its Iowa-Western Teachers College game, its teas, dinners, and huge party, was made an exceptionally brilliant period through the work of the Student Council.

The class games, in which honors were carried off by the Freshmen, were under the supervision of the Council. Athletic schedules for the bulletin boards at the Men's Gymnasium entrance were kept up-to-date by the Council. It sponsored the first Cap Night, the night on which the Freshmen disposed of their ever-remindful green caps.

A rollicking student assembly was developed under its direction. It assisted in all student parties, and made the purchase of a Western State banner to be used at parties and other functions. It coöperated with the faculty on awards.

THE BROWN AND GOLD

FREDERICK ADAMS

The 1932 Brown and Gold

THIS 1932 Brown and Gold is significant to us of the staff because we know that by now Brown and Gold has become one of the older traditions of the college, richer for time. While our task may have been somewhat greater and more difficult in creating it than that of the staff who worked on the little volume of 1906, we feel that our purpose has been the same—that of depicting by word and picture some of the occasions and activities of the college year in a permanent form that will undoubtedly acquire value as the years pass.

We have chosen an educational theme as befitting the purpose of our college. Through the development of this theme we have endeavored to trace Man's progress in education throughout the ages. To the artist's drawings we have taken the liberty of adding a few words of explanation which, we hope, will serve to bring out the underlying unity of the theme.

MARGARET CLARK

The Herald

BLANCHE DRAPER

The Herald

WITH an enlarged editorial policy and added features of interest to student readers, the Herald has completed its sixteenth year as the official weekly paper of Western State Teachers College. The regular news releases of the National Student Federation of America and the subscription to the World Student Mirror have broadened the scope of the material used in the Herald, and have kept Herald readers informed and alive to the student activities and problems in colleges and universities in this country and abroad.

During the year, feature write-ups of campus organizations, accompanied by pictures of their presidents, have been a vital part of each issue.

The sport page has been one of usual interest this year. Western's athletes have supplied a wealth of news, and the sport editor has overlooked no opportunity of using it for the readers' entertainment and information.

The literary columns of book reviews and poetry have been well received and supported by readers and contributors, and both columns have added much to the general tone of the paper. The health column written by Miss Ellis Walker has had its usual popularity. The alumni column has been conducted on an individual basis and has become one that keeps readers informed of the interesting doings as well as the whereabouts of Western graduates.

The staff of student writers has been more than usually successful and co-operative during the past year, and the number of underclassmen will assure experienced writers for next year's staff.

Women's League Cabinet

ARLINE BUTLER

THE Women's League is composed of all the women of the student body. Throughout the year it functions for the good of its members. The programs of activities are planned and executed by the *Women's League Cabinet*, a controlling body of about sixteen members chosen to represent the various departments on the campus. Two faculty members and the Dean of Women act as advisers to this body.

The opening of the activities was marked in the fall by a Who's-Who party given in conjunction with the Y. W. C. A. The purpose of the party was to assist students in getting acquainted. At halloween, a party, the "Spirits' Spree," was held in the gymnasium. Every imaginable costume was represented in the masquerade dance. Just before the close of the Fall Term there was a Christmas Chocolate. The club room, dimly lighted and decorated in keeping with the holiday season, formed a background for the chocolate, and the gymnasium with a big Christmas tree in the center was used for dancing. The formal Valentine party was entitled "The Chase." The men's gymnasium decorated with symbols of the chase was used for this, and the party was one of the highlights of the social year.

In the Spring, a Mothers' Tea was held to which the women invited their mothers or matrons. This tea was a pleasant addition to those given every

Wednesday afternoon in the Club Room throughout the year for the women of the college.

The activities of the League closed in the spring with the June Breakfast, which served as a most delightful climax.

The cabinet, aside from these social enterprises, has published a League Handbook for Freshmen Days and a song book containing Western songs. The Big Sister movement has also been taken over by the cabinet.

DEAN DAVIS

Women's League Council

Under the Women's League Cabinet is the Women's League Council. It is an organization consisting solely of house presidents.

The Council meets at various times throughout the year. These meetings center about a council dinner. The various enterprises and problems pertaining to the Council are discussed, and the Council helps the Women's League Cabinet in carrying out its programs. Each house president reports the progress of the Council to her house group.

In addition to encouraging a closer feeling among the women, the Council has done many other things. At times school spirit has been increased at games, pep meetings, and elections.

Men's Glee Club

WESTERN State Teachers College can be rightly proud of its Men's Glee Club under the direction of Mr. Harper C. Maybee. Mr. Maybee's constant effort and stimulus have kept the group up to the standards that the club has always held. He is to be complimented both by the members of the club and by the entire college on the results he has attained through his expert musicianship.

This year the Glee Club has sung in connection with the Teachers College Choir at many programs, and it assisted in producing Handel's "Messiah" with the Civic Choral Union at Christmas time.

Near the last of the winter term, the Glee Club made its annual trip to Detroit. Programs were given in Fordson, Wyandotte, and Hamtramck, and over the broadcasting station of *The Detroit News*. The Orpheus Club, a prominent men's vocal organization of the country, complimented the club on its quality of tone and diction, and the leader invited any of the club to join his club.

As well as offering vocal music, the Glee Club can produce instrumental combinations and solos of unusual merit. Over half of the members now in the club are new, but the club invites all men who are interested in creating a finer and more artistic type of vocal music to join.

Women's Glee Club

WITH an extremely varied program the Women's Glee Club has sung its way through another successful year under the capable direction of Dorothea Sage Snyder. The music used in the past year has included Negro spirituals, numbers by several Russian composers, a sixteenth-century madrigal, and some pieces of the modern trend. Following a rather new custom, the club has featured an "added attraction" which has been worked out in the style of a Cuban Fiesta. The song arrangements, dances, solos, and costumes were all worked out by members.

The club appeared in several of the towns and cities near Kalamazoo, besides presenting programs in this city.

This group, with the Men's Glee Club, forms the Teachers College Choir. As part of the choir and as a separate unit, the club made the annual trip to Detroit.

The trio, quartet, and string trio are groups formed from the main organization. They have presented programs individually and in conjunction with the club.

The Second Glee Club is a part of reserve group behind the varsity club. It is made up of those students who are doing preparatory work for the first Club, and membership is required of Freshman music students. Its fifty members, however, include many from outside the music department.

Musically, the ideals of the Club enjoin its members to go ahead as rapidly and as well as possible in musical education. Within this organization are also learned principles of good self-government. Members keep these rules always in mind.

Trios and Quartette

Through many appearances before Kalamazoo audiences, and those of surrounding towns, the three organizations made up of members of the Women's Glee Club, have become well-known. Their programs have been enjoyed by many Kalamazoo Clubs, Campus Organizations, and others. In addition the trios and quartette appear on nearly every program presented by the Women's Glee Club. The successful Spanish Fiesta which has been much featured this year as a final group on concert programs, is partly due to the efforts of the string and vocal trios.

The Choir

THE Western State Teachers College Choir of 1932 has had a very successful season under the able direction of Mr. Harper C. Maybee. The Choir consists of the members of the Men's and Women's Glee Clubs and also students outside the Music Department. There are approximately seventy-five members.

The Choir made its annual spring trip to Detroit, singing at schools in Wyandotte, Hamtramck, and Fordson. While in Detroit the Choir broadcasted over station WWJ.

This year the Choir inaugurated a new feature and closed its season by giving a concert at the Kalamazoo Civic Theatre for their friends. Invitations were sent out and those attending heard an unusually fine concert. After the concert the Choir received their guests in the Green Room of the Theatre, where coffee and sandwiches were served.

The repertoire of the Choir was varied this year. It included Russian folk songs, Old English Gleees, religious numbers, Bach Chorals, and several modern numbers.

The Choir has always tried to present for its audiences the music of the best composers, and by adding to this well-trained voices and thoughtful interpretations, has presented delightful and varied programs.

The Orchestra

ONE of the most popular organizations on the Western State campus is the orchestra. Under the direction of Mr. George Amos, and because of his splendid tutelage, this assemblage of musicians has gained in enthusiasm, interest, and results.

A fine quality and standard of work is done in the organization, and it is in great demand throughout the year. The orchestra plays before the student body at assemblies and also for the graduation exercises at the end of each term.

The repertoire of the orchestra includes standard overtures, classic selections, and eccentric novelties.

Mr. Nicholas Musselman has been acting as Secretary and Business Manager for the year.

The Arts and Crafts Club

THE Arts and Crafts Club is an organization established for the purpose of promoting interest among those students talented in these fields. It is open to students of all departments who submit some piece of original work which is accepted by a special committee composed of students of the club and members of the Art Faculty. The selected group is admitted to a term of pledgeship culminating in the Art Club banquet in January, at which time the pledges are taken into the organization. This year the banquet was held January nineteenth, and Mr. Harry Carpenter, commercial artist from Chicago, spoke on "Honesty in Design."

The bi-monthly meetings of the club gave the members opportunities of hearing some very interesting speakers. Miss Stevenson gave a lecture and demonstration on water color, and Mrs. William McKinley Robinson talked about the Mexican people and their art, and exhibited some of their work. Miss Seekell told of her trip to Europe and gave an interesting discussion of the castles on the Rhine. She discussed also the art of Naples and Pompeii, and showed pictures of the castles and art work of these two Italian cities. Dr. Boys gave an illustrated lecture on "Skin Grafting." At this meeting the members of the Manual Arts Union were the guests of the Arts and Crafts Club.

At Christmas time the club exhibited and sold attractively designed cards made by the members.

The Arts and Crafts Club assisted with the decorations for several school functions, among them "The Chase"—the Women's League party and the Annual June Breakfast for the women of the college.

This year the club has held many banquets. One of the most outstanding of these was given on St. Patrick's day in the Training School gym. Mr. Sylvester Jerry was the very entertaining speaker at this meeting.

The most important event of the year was the trip to Detroit in April. The Art Museum, the Fisher Building, Cranbrook Schools, and other places of interest were visited. The last meeting was held out of doors in June, and at this time officers for the coming year were elected.

The Forensic Board

THE Forensic Board is an advisory body whose function is to promote inter-collegiate and intramural debating at Western State. Because its meetings are irregular, it depends upon the hearty coöperation of its members to fulfill its duties effectively. It is composed of the men's debate manager, the women's debate manager, a representative from each debating society, and the debate coaches. One of the debate managers is appointed to represent debating activities on the Student Council, the appointment alternating between the men and women on succeeding years.

In addition to supervising intramural debating, the Forensic Board approves, subject to ratification by the newly-created Awards Board, awards for inter-collegiate debating. The Debate Loan and Scholarship Fund, founded by the debating societies and supported by proceeds from international debates and other sources, is controlled by the Forensic Board and is used to assist varsity debaters who are in need.

Tau Kappa Alpha

TAU KAPPA ALPHA is one of Western's three national honorary societies. It is a forensic society having chapters in the larger colleges and universities.

At the time the local chapter was installed, Western was the only teachers college in the United States to be a member of this national affiliation and the only college in Michigan to have a chapter.

The local chapter of Tau Kappa Alpha was organized in 1928 to supersede Delta Rho. This change involved a raising of standards, more exclusive membership, and more prestige for the college. National requirements for membership in Tau Kappa Alpha are that the candidate must be of upper-class standing and have participated in at least three inter-collegiate debates, or two debates if the candidate is a senior. Equivalent work in oratory meets requirements for membership. Candidates are elected at the close of the debate season. At Western they are recognized at the regular forensic recognition banquet, and they are formally initiated at a separate initiation banquet.

It is expected that Tau Kappa Alpha will be an active as well as an honorary organization and that it will sponsor the forensic activity of the college. Since this function is performed at Western by the Forensic Board and the Student Council, Tau Kappa Alpha has remained largely an honorary fraternity.

There are at present nine student members of the organization: Rachel Cain, Margaret Clark, John Cuber, Cecil Hay, Arthur Randall, Cornelius Schreur, Margaret Sturr, Meredith Taylor, Fred Weiss, Carroll Lahman. Miss Lindblom and Mr. Moore are honorary members of this chapter. Vern Mahie, Annie Bell Sibley, Frances Little, and Arthur Secord of the faculty are alumni members.

Men's Intercollegiate Debating

Resolved: *That a substitute for the capitalistic system should be adopted in the United States.* (Michigan Debate League)

Resolved: *That Congress should enact legislation providing for the centralized control of industry.* (Pi Kappa Delta)

Resolved: *That the United States should enact legislation embodying the essential features of the Stuart Chase plan for the stabilization of business.* (Mid-West Debate Conference)

AN UNUSUAL variety of questions, an unusually large squad, an unusually high percentage of participants in varsity contests, and an unusually small percentage of victories may be said to characterize the men's debate season of 1931-32. All of the questions, though not ideally worded, were highly pertinent in view of the disturbed economic condition of the country, but their number and complexity, combined with the fact that over half of the squad members were new, presented certain difficulties. Seven seniors, nine juniors, seven sophomores, and three freshmen made up the squad. At the end of the season twenty-one of the twenty-six men had participated in at least one intercollegiate debate, and eighteen had taken part in two or more.

The season's schedule included the largest number of debates ever held in a single year—thirty-seven. Of these, ten were non-decision, twelve were won, and fifteen were lost. The usual cordial relations were maintained with Michigan colleges, ten having been met at least once.

Outside the state a number of desirable opponents were met. An auto trip into Illinois in early March with two two-man teams made possible the meeting of eight colleges in four days, and a later excursion by train into Wisconsin and the Upper Peninsula enabled Western to open relations with Northern State

Teachers at Marquette and to renew former relations with three Wisconsin colleges.

The most interesting innovations of the year were a radio debate between two squad members over WKZO and the Michigan Debate League tournament at Albion College in early February. This tournament took the place of the first round of League debates and proved highly successful. The entire Brown and Gold squad went by bus, and although only a month had elapsed since preparation started, ten two-man teams were entered.

The usual policy of furnishing debates for off-campus audiences was maintained, eight such groups being served. The largest audience came at the end of the season, when two thousand students of Kalamazoo Central High School heard Western uphold the negative of the capitalism question against a crack two-man team from Albion.

Extemporaneous Speaking

EXTEMPORE speaking contests have come to occupy a definite place among student activities at Western.

In the 1931 Student Council contest, restricted to students without inter-collegiate forensic experience, Frederick Adams, speaking on "Prohibition and Its Prospects," won the first prize of \$15 and a silver cup; Dorothy Hay, with her speech "Can Gandhi Free India?" won the second prize, \$10; and Frank Householder, who spoke on the topic "Does the United States Need a New Political Party?" won the third prize of \$5.

In the all-school contest, held June 9, first place and a prize of \$15 went to Roland Faunce, who discussed "A Third Political Party," second place to Margaret Clark, who spoke on "Russia in 1931," and third to Cecil Hay, who spoke on "Gandhi."

This year the all-school contest was held on November 30 instead of in June, and Margaret Clark, discussing prohibition, won first place, Evered Dudley, with a speech on crime, second place, and John McDonald, who spoke on Gandhi, third.

Oratory

FOR the second time in its history, Western was represented this year in an intercollegiate oratorical contest. In 1929 Margaret Clark took third place in the state peace contest, and because of this precedent and the very active student interest in the subject, it was decided to participate again.

Because of the great interest, which drew forth so many contestants that two local contests were necessary, it is likely that oratory will become a regular part of the college's forensic program.

In the final home contest, December 7, the campus Y. M. C. A., because of their interest in peace, offered a first prize of \$10 and a second prize of \$5. First place went to Frederick Adams with his "Christian Patriotism," second place to Ruth Lowman with her oration "Making Peace a Contagion," and honorable mention to Evered Dudley and his oration on "America or the World."

The state contest, held at Olivet College, January 15, under the auspices of the Intercollegiate Peace Association, attracted representatives from ten Michigan colleges and produced some very excellent speaking that showed real conviction on the subject of peace and war. Adams took third place. Second place and a prize of \$40 went to Merrill Walls of Albion. First prize of \$60 went to Gordon Fischer of Michigan State College.

Women's Debating in 1932

IN A year notable for its financial depression, shrunken budget, and general retrenchment of activities, Women's Debating at Western stands, this year, in marked contrast with the general trend. In spite of handicaps, the chief aim of broadening the scope and the field of activity of Western's debating has been achieved.

This work has been carried on by a squad of uniformly high calibre, namely, Rachel Cain, Margaret Sturr, Vivian Gibbs, Grace Schwedler, Mildred Horstman, Maxine Olds, Jennie Richards, Margaret Beckwith, Alice Katte, Katherine Ackerman, Jean Pearce, Dorothy Hay, Esther Wendela, Ruth Bowman, and Pauline Hover.

As the debating at the beginning of the season was organized around the idea of extending the field of debating, three questions were adopted: The Independence of India, Socialism vs. Capitalism, and Cancellation of World War Debts.

As further evidence of the undertaking of the past year, may be cited the number of different schools debated, and the size and prominence of the institutions represented by the opponents. Among sixteen different schools were included the University of Michigan, DePauw University, Northwestern University, Rockford College, Western Reserve, American University, and George Washington University.

Accepting judge's decisions whenever possible, Western has succeeded this year as usual in winning the major part of the judged debates. Naturally the climax of the season came with the victory over Northwestern University at Evanston, when Western's trio on the negative of the cancellation question secured the expert judge's decision.

Finally, as a fitting close to the year, came the Eastern trip, which took five outstanding junior and senior debaters, Margaret Sturr, Rachel Cain, Grace Schwedler, Mildred Horstman, and Vivian Gibbs, with their director, Miss Lindblom, on an extensive tour to Washington, D. C. Besides engaging in debate four Eastern and Mid-West colleges enroute in five debates, namely, Western Reserve, Waynesburg College, American University, and George Washington University on questions of Cancellation of War Debts and Capitalism, the party had the privilege of visiting a few notable historical places, of seeing the national capital, and particularly of visiting Mount Vernon in the year of the Bicentennial.

Intramural Debate

THE intramural question this year was one of special interest to students: *"Resolved that actual student self-government should be instituted at Western State Teachers College."*

In the preliminary debates the affirmative team of Omega Delta Phi, made up of Gordon McDowell and Fred Adams, won from the negative team of Academy, which was composed of Thelma Murie and Gladys Holkins.

The Forum negative team of Duncan Ackley and Merton Dean won from the Academy's affirmative team of Grace Schwedler and Esther Wendela.

Both Senate teams were successful. The affirmative team made up of Mildred Horstman and Virginia Hawley, won from the negative team of Omega Delta Phi, on which were Ernest Swanson and William Brazill. The negative team, made up of Alice Court and Marion Dennert, won from the Forum affirmative, consisting of Ray Francisco and Edward Immonen.

In the finals of the intramural debates, both of the Senate teams emerged victorious, resulting in the unquestioned possession of the Lawyer's Cup for the coming year.

HAWLEY HORSTMAN DENNERT COURT

Players

WESTERN State Players find themselves at this time of year looking back and reminiscing. It has been, in general, a very satisfactory year and one filled with many peaks of interest.

The highest point for both Players and alumni in the fall term was the Home-coming tea. Both old acquaintances were renewed and new ones were made. It was indeed a charming hour topped by the presentation of *The Dance Below*. In the cast were Mary Jackson, Sam Wimbush, and Cecil Hay.

Players sponsored a trip to Chicago to see some of the current plays. This year they saw *Green Pastures*, *Tomorrow and Tomorrow*, and *Payment Deferred*. It was a very busy week-end, but everyone who went thoroughly enjoyed it.

Owing to the absence of Miss Laura Shaw in the fall term, try-outs were not held until the beginning of the winter term. Twenty pledges were taken in. Each, in doing part of his pledge duties, appeared before the club in a one-act play. Some of them were *The Noble Lord*, *The Woman Who Understood Men*, and *The Man in the Bowler Hat*—all quite suited to study groups.

Miss Shaw's absence also postponed the most important event of the whole year: the Midwinter Play. It was given, instead, in the Spring term. This year, as a change from other years, the play was given at the new Civic Theatre, and on three nights—April 21, 22, and 23.

BAHRE BANKE BYARLEY C. CLARK M. CLARK COLE
DEAN DEKEMA EMDIN ENDERS EVANS FOX

The play chosen this year was *The First Mrs. Fraser*, a clever modern comedy by the English dramatist, St. John Ervine. This play was first produced in London on July 2, 1929, with Marie Tempest in the title role, and it was an immediate success. Its first American production was at the Princess Theatre, Chicago, on November 11, 1929, with Grace George as Mrs. Fraser.

The play concerns James Fraser's attempts at getting a divorce from his young second wife, advice for which he seeks from the first Mrs. Fraser, Janet. The theme is most aptly stated by James when he says, "There's no equality, Janet, between the young and the old."

"How can there be?" she replies. They're down when we're up, and they're up when we're down. There can be no equality there. But," she adds, "there's some compensation in age, James, if you only knew it."

Thru her clever, but kind, understanding of him, Janet brings James to the realization that it is useless to try to be young. Middle age is much richer to her, and she pictures this richness for James. "I like the wrinkles round an old man's eyes, and the deep lines down his face, and the quietness of his ways, and the calm look he has," she tells him.

Janet Fraser is a very charming, clever woman. Her vibrant personality dominates the entire play. And beneath this cleverness is a deep understanding that makes her more than a mere outlet for witty remarks.

Immediately following the last performance, a banquet was given in the Green Room of the Civic Theatre in honor of the cast and to welcome returning alumni. For the second time in the school year, as is customary, the alumni and Players meet at a social occasion. This banquet successfully topped off a successful week-end, and was a fitting climax for the year's activities.

Junior Prom

SATURDAY night, January 30, 1932, the Junior Class held its annual formal dance, the Junior Prom, in the new ballroom of the Columbia Hotel. The ballroom was decorated with palms and with silver "33's" hung on the blue drapes about the room. Here one hundred and seventy-five couples danced to the music of Duane Yates and his orchestra.

Leon Kercher, Camden, president of the Junior Class, and his guest, Miss Loretta Donley of Traverse City, led the Grand March. Little silver make-up boxes were given as favors. The programs were printed in silver on blue suede paper.

Sam Wimbush, Wyandotte, was general chairman. He was ably assisted by Margaret De Meyer, Dave Sjoberg, Marjorie Townsend Smith, Esther Fuller, Andrew Werger, and Marshall Simpson.

The faculty guests were Mr. and Mrs. D. B. Waldo; Mr. and Mrs. John C. Hoekje; Mr. and Mrs. Ray C. Pellett; Mrs. Bertha Davis; Miss Dezena Loutzenheiser; Dr. and Mrs. George Hilliard; Mr. Leonard Kercher; Mr. John Sullivan, and Mr. and Mrs. Harper Maybee.

▪ The Women's League Formal, held in the Big Gymnasium, was one of the highlights of the year
 ▪ A new idea is born and the Freshmen hold the "Jail Hop"! ▪ Freshman and Sophomore Presidents and their better halves. Eddie and Paul sure know how to pick 'em ▪ Did you meet all your friends at the Homecoming party?

"WHAT dream shall we dream or what labor shall we undertake? I answer: the first thing to do is to create and realize the feeling for the community and break up the evil and petty isolation of man from man."

Kappa Rho Sigma

KAPPA RHO SIGMA is one of the oldest honorary societies on Western's campus. It was organized in 1921 by the Faculty Science Club as a means of giving recognition to those students who were doing excellent work in the department of Science and Mathematics.

Membership is now limited to juniors and seniors who are majoring in either Science or Mathematics and who possess a high scholastic average in their work. Election to the society is by vote of the Faculty Science Club.

The initiation banquet is held every spring in the city Y. W. C. A. Building just preceding the annual Science and Mathematics meeting in order that as many as possible of the alumni may be able to return.

Since the installation of the society there have been one hundred thirty-four students elected to membership.

Kappa Delta Pi

KAPPA DELTA PI is a national honorary society which was organized at the University of Illinois in 1911. Its purpose is to recognize and encourage high professional and scholastic standing during preparation for the field of education. There are at present eighty-five chapters in the United States, two Michigan chapters, one at Ypsilanti and the other here. The latter, Beta Iota, was the fifty-seventh to be organized and now includes forty-nine alumni members, many of whom are doing excellent work in the teaching profession.

Several members of our faculty belong to Kappa Delta Pi. They represent for the most part other chapters than our own. Dr. Henry belongs to Alpha Chapter of the University of Illinois; Miss Thompson to Alpha Pi of George Peabody Teachers College at Nashville, Tennessee; Miss Argabright, Miss Steele, Miss Steinway, Mr. Cain, Mr. Ellsworth, Dr. Everett, and Dr. Robinson to Kappa Chapter at Teachers College, Columbia University; Miss Logan to Psi Chapter at Iowa State Teachers College, Cedar Falls, Iowa. Faculty members representing Beta Iota are: President Waldo, Dr. Burnham, Miss Sanders, and Mr. Kercher. A number of teachers from the city schools are also members of Beta Iota.

Twice each year outstanding students from the Junior and Senior classes are elected to the society by an affirmative vote of all the active members. This is subject to acceptance by National headquarters. Qualifications are: Junior or Senior standing, scholarship in the upper quartile of the college, completion of six semester hours of work in education, and desirable social qualities.

At the time of the founding of Beta Iota chapter, twenty active charter members were initiated. During the years of 1929 and 1930, twenty-nine were added. On February third, 1931, thirteen more, eleven students and two alumni, were admitted, and in the spring of that same year, five others were received into membership.

To date, Beta Iota with Margaret Clark as chairman of the committee, is working on a plan to increase interest in scholarship among students of the Freshman and Sophomore classes, since past experience has shown that upper classmen who might be otherwise eligible are barred by poor records in the first two years. This past year Freshmen who had been members of the National Honor Society in high school were entertained by the fraternity at an informal chocolate. The committee in charge is anxious to meet students who had good scholastic standings but who come from high schools not having such societies. Several promising methods of achieving this plan have been suggested, among them Miss Adda Dilts' plan of organizing a local "honor society" here at Western as a means of stimulating underclassmen to better scholarship at the beginning of their four years in order to give them a start toward membership in Kappa Delta Pi.

In planning this year's program we have cherished the idea that education as a purpose, an ideal, and the application of that ideal, may be conceived of as a contribution, perhaps the greatest, to the field of human thought—a link in the chain of progress. With this in mind, members attempt to carry out the ideals of Kappa Delta Pi.

Theta Chi Delta

THETA CHI DELTA evolved from the Tribunal, a forensic society organized on Western's campus in October, 1920. Tribunal was a leading organization for nine years in forensics, scholarship, and campus activities. Since 1920, eight presidents of the Student Council have been Tribunal and Theta Chi men. Many class officers, representatives, and other student leaders have been numbered in its membership.

In the fall of 1929, a house was rented in which ten members lived. Fellowship came to be of primary importance. In October of that year the name of the organization was changed to Theta Chi Delta, and it assumed the characteristics of a social fraternity. Due to this change, the men of the society came into closer contact with one another, and fellowship and the cultivation of gentlemanly qualities became primary objectives.

In 1930, the fraternity leased a large house on Westnedge Avenue. For the duration of a year, twenty-two members and pledges lived there, and the fraternity progressed in organization and spirit.

In 1931, a larger house on South Street was secured and furnished by the fraternity. Twenty-three members and pledges have lived there throughout the year. In 1931 the fraternity has progressed in many ways. Among its members are the president of the Student Council, three class presidents, outstanding athletes and students. The fraternity's basketball team won the intramural championship during the winter and was a source of pride to its members.

In comparison to its past progress, Theta Chi expects to take greater strides in the future. During the past year there has been an increased alumni interest, which is partly due to a monthly alumni bulletin sent out by the fraternity. With the aid of a fast-increasing alumni membership, Theta Chi is keeping its eyes ever fixed on its motto, "Theta Chi men are always gentlemen," and hopes to progress and prosper in the future.

Forum

FROM a debating society organized fifteen years ago the Forum has continually advanced until it now bears the features of a true fraternity. It has as its chief aims the promotion of forensics, good fellowship, high scholarship, and leadership in worth-while campus activities.

The Forum, however, still ranks high in the field of debate and forensics. Ten of the group are active members of the varsity debate squad, and three of last year's graduate members are coaching high-school debate. In the field of intramurals, the Forum, debate champion of the preceding year, was a runner-up in the finals. Possession of the Lawyers' Cup was lost to the Senate in a close debate in the semi-finals. Evered Dudley represented Western in the State Invitational Extempore Contest held at Michigan State College last fall.

With thirteen new members initiated into the Forum during the winter term, prospects were bright for a great year. The organization now presents a well-rounded membership. It has active representation in all student activities, among which are debate, athletics, band, "Herald," and the student council. The maintenance of high scholarship is considered important by Forum men. The Scholastic Cup presented by Theta Chi Delta for men's organizations has been won by the Forum three out of four years.

The Forum feels greatly indebted to their strong alumni association, which gives staunch support to all the activities of the club. The active interest and aid of their counselors and friends, Mr. D. C. Schilling, honorary member, and Mr. Vern Mabie, an alumnus, are greatly appreciated by the Forum.

Sigma Theta Gamma

THE year 1927 witnessed the organization of Sigma Theta Gamma as a new fraternity on the campus at Western. This new enterprise grew out of the need of an organization to serve as a unifying bond among the men of the Physical Education department.

This fraternity, which was founded by Professor Lloyd Jones, makes it a principle to accept into membership only those who have ability and are desirous of abiding by the rules, customs, and traditions of the organization. Its letters signify Health, Service, and Character. The fraternity has undertaken to supply the initiative in Physical Education and to have its members become more professional-minded.

Eligibility for membership is limited to those who can meet the qualifications of scholarship, character, personality, and leadership. Recently the constitution has been revised so as to include in the eligibility list for membership not only Physical Education Majors but Physical Education Minors as well as non-Physical Education men who have received a major "W" award for varsity athletic competition.

With the opening of a new fraternity house in January, 1931, Sigma Theta Gamma began a career of vigorous participation in college activities and since that time has taken a prominent place among the fraternal organizations of the campus. While exemplifying Health, Service, and Character, the organization is striving for certain definite aims, which are to promote a high standard of scholarship, to foster an active participation in all activities of the college among the entire student body, to promote good fellowship, and to instill into the members a spirit of loyalty to the college.

The Fraternity has as its honorary members the entire coaching staff of the college.

Omega Delta Phi

THE Omega Delta Phi, being in the second year of its career, is the newest of the campus forensic fraternities. It is dedicated to a firm belief in the value of "free and confidential discussions of current problems," both as regards campus activities and the world outside.

The first major social event of the year was the Homecoming banquet, which was unique from every point of view. Mr. and Mrs. John C. Hoekje were guests of honor. The fraternity coöperated with the other three campus organizations in an informal party held in April, and climaxed the year with a formal dinner-dance.

Participation in intramural and inter-collegiate forensics is the leading activity of the group. Members of the organization represented Western in twenty-one intercollegiate debates this year. The team entered in the intramural debates was a runner-up. Two members participated in a radio debate over WKZO. The president of the organization was Western's representative in oratory, placing third in the state contest. Four men have received the distinction of being elected to membership in the national honorary forensic society, Tau Kappa Alpha.

Omega Delta Phi is also active on other campus activities, numbering among its members, the editor, the business manager, and three of the staff of the Brown and Gold; six Student Council members; the president of the International Relations Club; the president of the Y. M. C. A.; radio announcers for the Campus studio of WKZO; members of the Band and Glee Club; a member of the national honorary scholarship and education society, Kappa Delta Pi.

The organization has grown from ten charter members in 1931 to twenty-one, five of whom are the original charter members. One of its charter members has been awarded a fellowship at the University of Michigan.

Not a small part of the success of the organization is due to the untiring efforts of the two faculty sponsors, Prof. Carroll P. Lahman, and Dr. George Hilliard. Their counsel and help has been deeply appreciated.

The organization looks forward to another year of success and progress.

The Manual Arts Union

COMPLETING its sixteenth year on the campus, the Manual Arts Union during 1931-2 has continued to play an active part in all of Western's activities. Previously all members in the department were Union members, but this year the Union has followed the pledge system.

The organization, having its three-fold aim of finer craftsmanship, closer fellowship, and higher scholarship always before it, has entered into many new fields this year. Projects have been carried out that will serve as a practical source of material to several of the members who will be engaged as arts and crafts counsellors in summer camps.

The Union meetings are of varied nature, and all members present at them have enjoyed hearing from members of Western's faculty outside of the department as well as from men who come from industry. At times an entire meeting was spent in the experimenting with and the executing of metal novelties.

Union members have diversified interests, and one of them is their continued contribution to the Alumni Building Fund, to which they give willingly.

Each year an educational industrial trip is taken. This year the itinerary called for the visiting of Manual Arts departments in school systems of the cities of Flint, Detroit, Ann Arbor, Jackson, and Battle Creek. It was a source of pleasure and inspiration to find many of Western's alumni successful teachers in these schools.

The climax of the social activities of the Union was the annual dinner dance in the new crystal ballroom of the Columbia Hotel. More than eighty-five couples attended this affair. Many faculty members as well as Manual Arts alumni from all parts of the state were present. This dinner dance is always anticipated with great pleasure by the members and alumni as the time to renew old ties of friendship.

Y. M. C. A.

THE Young Men's Christian Association is one of the most conspicuous organizations on Western's campus. Its chief aims and purposes are to help young men develop distinguishing personalities, acquire sympathetic open views on life, and increase their sense of responsibility in the affairs of the world by assisting them in leading Christian lives. Social meetings of the Y. M. C. A. have been enjoyed for their numerous inspirational talks by various faculty members and outside speakers. Music, group discussions, and frequent devotional meetings also have given spirit to the organization's meetings.

During the past year the Y. M. C. A. has sponsored the customary Men's Mixer, and it has also produced the Western calendar, which carried out a brief historical sketch of the college.

The attendance at several state and national conferences and the maintenance of correspondence with several other college Y's has been beneficial and inspirational.

Archery Club

“WESTERN Merrie Bowmen,” an appropriate name for an Archery Club, was organized in 1926. This long lived sport is fast taking a new hold in high schools throughout the state as an extra-curricular activity and in training students along the technique of archery. The club is rendering a service not only in the pleasure it affords an individual but also in the personal experience that may follow into the teaching field.

Western is exceedingly fortunate in having one of the most ideal shooting ranges in this state.

The Archery Club aims to stimulate a new interest in this ancient sport and to instruct its members in using and making equipment. It aims, further, to open up a new source of enjoyment to the individual concerned.

The organization meets weekly in the Manual Arts building, where time is spent in studying about the sport and making equipment for it. This building is fully equipped with tools for tackle making.

Mr. Don O. Pullin is faculty adviser of the organization.

Theta Pi Alpha

THETA PI ALPHA was organized in the fall of 1930 for the purpose of stimulating the reading and the intelligent criticism of good literature among students. To promote toleration of the ideas of others, to broaden the perspective on life, to encourage individual expression, and to build up a general atmosphere of good fellowship are other aims of the club. This society is an outgrowth of the Book Review Club, which was organized in 1928.

Membership is granted to pledges who have successfully given a book report and composed a poem and a song.

The club meets on the second and fourth Tuesdays of every school month. The programs for the meetings are systematically arranged for the year by a program committee. At each meeting, reports which give the society a clear analysis of the contents of certain books are delivered. These books are not necessarily the latest from the presses, but they are books which have interest and value for the group. As a rule, the group in general discusses the book after the report.

Theta Pi Alpha was very fortunate in securing Mr. Rhynsburger as speaker for one meeting in the fall term. He gave a helpful and interesting talk on "Parliamentary Law in Social Activities."

Bridge parties and frequent afternoon teas exemplify the very friendly and social spirit which exists among the members. The activities of the year are rounded up with a dinner and a house party.

Although Theta Pi Alpha was organized so recently, it has accomplished much and has made notable progress in successfully fulfilling the aims and purposes which brought about its formation.

Academy

ACADEMY, the current year being the tenth year of its organization, is the younger of the women's forensic societies on Western's campus.

The objectives of the society are to develop forensic ability, to keep its members informed on current events, and to stimulate leadership through participation in organized activities. Academy participates in intramural debating and has a representative on the Forensic Board. As in the past, a number of Academites are varsity debaters, and with few exceptions Academy has been represented on each Western team in intercollegiate debate. Many of the members hold offices in other organizations on campus, including the Student Council and the Women's League Cabinet. Academy is also well represented in the honorary societies, Kappa Delta Pi and Tau Kappa Alpha, and an Academite has served as the president of each during the present year.

Numerous social contacts are afforded the members of Academy by frequent teas and chocolates and an occasional dinner meeting.

The outstanding social events of the year have been the Homecoming Luncheon, at which more than one-fourth of the total membership was present, the forensic parties to which all of the forensic societies are invited, the Forensic Recognition Banquet, the annual house-party at Gull Lake, and the banquet held at Commencement time in observance of the tenth anniversary of the organization of Academy.

The Academy "News Bulletin," issued for the first time last year, has had an enlarged mailing list. It has served to keep the many alumnae readers informed on the activities of the society and to keep them interested in returning to Academy functions and to the college. The "News Bulletin" played a large part in the splendid attendance at the Homecoming Luncheon and the Anniversary Banquet.

Advisers of Academy are Miss Lindblom and Miss Barbour of the faculty.

Senate

SENATE, organized in 1916, is primarily interested in the development of leadership, responsibility in school activities, fine friendships, and sincere loyalty.

The organization also plans to develop an interest in the forensic activities of the school. New members are chosen by election from among students who show high scholarship and the promise of leadership. Senators form a lively group of girls who believe that "true Senatorhood is a promise of finer womanhood."

Each year Senate enters the intramural debate tournament. Its teams went through undefeated this year and won the championship cup for the fifth time.

The programs for the past year have been of a varied nature, including debates and interesting as well as profitable book reviews. At each of the three initiation banquets the pledges have entertained with plays, debates, and songs. Senate and Academy at a dinner enjoyed a book review by Dr. Brown. During Christmas vacation a debate between Alice Court and Mildred Horstman was broadcast from the Kalamazoo station, WKZO.

On Homecoming week-end Senate held a reception for returning alumnae, and at Christmas time, in conjunction with Academy, it held an open house chocolate for all Freshmen who were interested in the societies. The year was successfully crowned with the formal dinner dance held March fifth, at the Columbia Hotel. One of the most eagerly anticipated affairs was the spring house party, at which the girls enjoyed a week-end of fun and fine fellowship.

Miss Hussey and Miss Loutzenhiser again very graciously joined the group as friends and advisers.

Eastern Star Club

THE Western State Teachers College Eastern Star Club was organized in the fall term of 1923. As its name implies, the club is open to members of the Order of the Eastern Star who are students at the Teachers College.

The aim of the Club is to inculcate the material, the spiritual ideals, and the lessons taught by the Chapter into the everyday life of the student and to show that there are greater things to be achieved.

In order to affiliate with the group and participate in the club activities the student appears before the examining committee, consisting of the adviser, the secretary, and the treasurer, and is duly received as a member.

The club has a loan fund which was founded in the spring term of 1928. This fund has been substantially increased through the hearty cooperation of the members, alumni, and the Corinthian Chapter. It may be used by an Eastern Star girl on the campus, who, upon investigation, is considered deserving of assistance.

In the past years, it has been the custom of the club to exemplify the degree work, representing the five points of the star.

Jeannette Sherwood has been responsible for the entertainment of the club. Miss Ackley, the adviser, entertained the club members at a delightful Halloween party, as well as several potluck dinners, during the year. Bridge and theatre parties have been a frequent source of diversion. The events of the year culminated in an annual houseparty. This year the party was held at Austin Lake.

Classical Club

ONE of the oldest and best known organizations at Western is the Classical Club, which was organized in 1923 by seventeen students who were interested in cultivating a wider knowledge and a truer appreciation of classic literature and art than were possible in the classroom. This primary aim has remained unchanged during the ensuing years, and fifty-one students are now members. Anyone taking Latin, ancient history, or mythology is eligible to membership.

It is the policy of the club to learn about classical customs, so far as is possible, by enacting during the meetings scenes and ceremonies from the classics. The club meets on the third Thursday of each month. Selections from such plays as "Antigone," "Aeschylus," and "Prometheus," and discussions of the Iliad, the Odyssey, and the Aeneid form instructive activity for meetings. The observance of ancient Roman holidays such as the "Saturnalia" and singing of modern songs translated into Latin provide much fun for the members.

This year there have been several meetings of outstanding merit. Early in the fall Miss Hoebeke, who had been traveling in Europe, talked to members

NURNBERG	KANABLE	THOMAS	PROLO	NELSON	PROVENCER	MOLYNEUX
PRITCHARD	IEHL	VEENSTRA	KAHLE	CHRISTIE	HUGGETT	
JURR	TWISS	LACY	DE VREE	HAMMOND		

about Italy and Sicily. In November the initiation of twenty-five new members occurred. It took the form of a paraphrase of the "Labors of Hercules" and proved very amusing. The Horace class was in charge of the January meeting, at which Roman education was discussed.

The Classical club has several annual affairs which are always eagerly anticipated. One of these is the bridge party, which was held this year on February twentieth in the club rooms. Another is the Roman banquet in May. This latter affair is carried out in true Roman fashion, all the ceremonies and customs of ancient Rome being painstakingly observed. The banquet is the closing activity of the year.

The Commerce Club

SINCE its organization a number of years ago, the Commerce Club has grown to be one of the largest and most active organizations on the campus. This club, sponsored by the Commerce department and the Business Administration department, aims to secure for its members a broader knowledge of the commercial world as well as to carry on an extensive social program during the year.

The meetings of the club are held on the second Tuesday of every month. The first meeting of the year, however, was held at Mr. Pennell's home on Burrows Road, Sunday evening, October 11. This was a very informal meeting, and its purpose was to renew old friendships of the past year and to make new acquaintances in the club. Marjorie Cline, president of the club, gave a short welcome address to the freshmen and new members. She also introduced the new officers for the coming year. Mr. Slusser of the English department gave a very interesting and instructive talk on his trip abroad. After the program was presented, a dainty buffet luncheon was served by Mrs. Pennell, who was assisted by Miss Bertha Leighton.

November 14 marked the date of the Commerce Homecoming Banquet. This year it was held in the Crystal Room of the Columbia Hotel. Mr. Floyd Moore, adviser in the Business Administration department, was speaker for the evening. Mr. Pennell, as toastmaster, welcomed the alumni back and said that plans would be made this year to bring the alumni more closely together. The roll was called by classes, and it was evident that almost every class was represented. The charm of the decorations and the beautiful music rendered by the string trio composed of Elson Tuller, Isadore Robbins, and Evelyn Wolfe added much toward making this festive affair a huge success.

An event looked forward to with great anticipation by the members of the club was the Christmas party. This year it was held in the form of a dinner party in the little gymnasium. After the dinner and a short financial meeting, the rest of the evening was given over to singing, dancing, and the distribution of gifts. Earl Peterson in the garb of Santa Claus proved to be a very charming St. Nick. Later, the toys were collected for the city Christmas tree. Neva Saunders read a most appropriate Christmas article bringing out very clearly the real spirit of the holiday.

DAVIES	DEN HERDER	DONLEY	FAIRFIELD	FURLONG	
HEITMAN	HICKOK	HUTSON	JACKSON	KAUFFMAN	

The January meeting, held in the little gymnasium, was purely of a business nature. Various questions concerning the Club were brought up and were followed by brief discussions. Music for the evening was provided by Glidden Lemon accompanied by Ruth Bower. Professor Goodsell of Kalamazoo College gave an interesting talk on "Aspects of Business Ethics." He pointed out the evil practices in the business world, why they were caused, and how they could be remedied.

The February meeting was held in the form of a dinner meeting. Immediately following dinner a short business session was carried on. Marjorie Cline, in behalf of the Club members, presented Mr. Pennell with a gift in appreciation of the work that he has done in connection with the club. Mr. Pennell studied at the University of Michigan during the second semester. Mr. Orrin Kaye, superintendent of the Paw Paw school, gave an illustrated talk on Russia. His pictures portrayed the life and economic conditions of that country to such an extent that everyone gained a clearer knowledge of the Russian government. Piano selections were given by Harry Ray of Galesburg.

The March meeting was strictly business-like in nature. The members of the club were very fortunate in having Mr. Harold Allen, Vice-President of the First National Bank, address them. His talk on reparations gave those present a new insight into the economic situation prevalent in all the European countries.

Professor Oscar Trumble gave a very interesting talk at the April meeting. His subject was "The Economic Aftermath of the World War."

The May meeting was a dinner meeting. Table decorations were carried out in spring colors. Mr. Clarence E. Phillips of the Irwin Furniture Company, Grand Rapids, gave a talk on advertising, which was of special interest to the Business Administration classes.

A picnic marked the date of the final meeting of the year. At this time, officers for next year were introduced.

El Circulo Español

EL CIRCULO ESPAÑOL, organized in the winter of 1928, is open to all students who are enrolled in Spanish classes, or have previously earned credit in Spanish at Western.

The purpose of the club is to acquaint its members with the music, art, literature, and social and economic conditions of the Spanish-speaking countries. It also aims to foster a wholesome and broadminded attitude toward the Hispanic nations and their people and a sympathetic interest in their political affairs. The advisers are Juanita Matlock and H. P. Greenwall.

A meeting takes place once during the month. Those of the members interested in Spanish music and drama meet more frequently and prepare material for entertainment at the monthly meetings. The aims of the club are also fostered by means of papers and talks.

Y. W. C. A.

THE Young Women's Christian Association is a campus organization which has as its aim the promotion of a spirit of sincere friendliness through social-service activities.

The introduction at Western of the Big Sister movement, sponsored this year by the Y. W. C. A. in coöperation with the Women's League, was an important part of an extensive program for implanting good-will among new women students.

The organization was active in coöperating with all student functions. A student party was sponsored during the year, and other interests of the campus were supported. A program of afternoon vespers, which provided a period for discussion, music, and meditation, was initiated during the winter term.

The Y. W. C. A. is not confined only to campus activities. Several needy families were supplied with baskets at Thanksgiving. The children of the Children's Home were guests of the organization at a Christmas party, and they were entertained with a play, carols, games, and gifts.

The group was represented by twenty-five members at a state student conference on religious and social problems. This was held at East Lansing during the fall term. A delegate will be sent to the summer conference at Lake Geneva.

Advisers of the group this year were Miss Grace Gish and Miss Mary Wilson, both of the Training School Faculty.

The Oteyokwa Club

THE Oteyokwa Club was organized in November, 1920. Since that time it has been a stable organization on the campus. Its name, *Oteyokwa*—"the meeting of friends in a strange land," symbolizes the spirit of its members.

The organization of the club was motivated by a desire to acquaint Western State with the region of the Upper Peninsula and to make Western better known by the Upper Peninsula.

During the year the club has participated in many campus activities. On February twenty-seventh it sponsored a student party which met with the approval of both student body and faculty. The Women's Gymnasium, which was the scene of the event, was artistically decorated in true "U. P." style, with mounted animals, skis, and bows and arrows much in evidence. The stage was decked in a winter scene of snow-covered conifers. A program, given at intermission in the form of a musical skit featuring a lumberjack trio, was well in keeping with the Northern atmosphere created by the decorations. As the students streamed out of the gymnasium at the close of the evening, they were given souvenirs of the "Land of Hiawatha" in the form of illustrated pamphlets. The party was organized under the chairmanship of John Hill, who was ably assisted by Henry Bettega, the president of the club.

On March second a reception, open to "U. P." students and their guests, was given for the basketball team of Northern State Teachers College. This party was attended by a large group of students.

Not only has the club been active in social affairs, but it took an active part in baseball. Bernard Kennedy was the athletic director this year.

During the year the club was addressed by many well-known members of the faculty: Dr. J. O. Knauss, Coach "Buck" Read, Mr. Wood, and Dean Pellett.

The Oteyokwa club, because of its numerous activities, increased its membership from fifteen at the first meeting to sixty at the final one.

Under the capable leadership of Henry Bettega of Vulcan, the club has made rapid strides toward becoming a well-rounded organization. The various officers and committeemen cooperated splendidly with the president, and business was considered as enthusiastically as entertainment.

The club was fortunate in securing the services of Mr. John C. Sullivan as its faculty adviser. Mr. Sullivan cooperated wholeheartedly, and his services are appreciated by every member.

Eldorado Club

TO FOSTER and maintain an interest in creative writing is the aim of the Eldorado Club. This organization was founded in 1927 by a group of girls who felt that such a club was needed on the campus. The membership of the group is limited to twenty-five members, who by their close association contribute to the general progress of the group and are in turn inspired in their learning to write. Entrance to the club may be gained upon faculty recommendation.

This year the club issued a publication called "Pendips." This is a small volume containing work from the pens of the members as well as alumnae. A similar book was published in 1930.

In February, Miss Ellis Walker offered the girls the use of her home for the initiation ceremony, at which several new members were admitted to the club. The initiates read papers before the club at this meeting. These papers dealt with ten ways in which they had earned as many dimes, and helped to make the occasion a delightful one.

The club owes much of its development and growing success to the inspiration derived from the kind counsel of Miss Helen Master and Miss Ellis Walker, and it is through their assistance that club members are encouraged in their efforts.

Student Science Club

THE Student Science Club was organized in 1920. Notable among its founders was the late Dr. Leroy H. Harvey of the Biology Department, in whose honor the Harvey Memorial Plaque in the main hall of the Science Building was modelled, and in whose honor as well the Harvey Scholarship Fund was organized for the purpose of financially assisting worthy students in the department of science.

There are four main sections or divisions of the club. Students are classified according to the departments in which they are interested, biology, chemistry, mathematics, and physics. The aims of the clubs are three-fold: the creation of scientific attitude, the increase of scientific knowledge, and the promotion of scientific research. These aims are fittingly represented in the club's official pin, an equilateral triangle of black enamel with the three candles, one at each vertex of the triangle, on which is the word *Science*.

Requirements for admittance into the society include at least a "B" average in major science and recommendation by a member of the faculty as well as by a present student-member.

The club meets bi-weekly, the programs alternating between talks and experiments by the sections, and lectures or demonstrations by members of the faculty or outsiders. The organization is active in its functions. It is interesting to know that exactly twenty-five new people have been received into membership this year, bringing the membership to forty-eight.

BAHRE BECKWITH BIRGER BIRD BLACK BLAISDELL
BUEGE CHASE EDGAR EVANS HANCHETT HARRINGTON

The characteristic and exclusive initiation ceremony is always eagerly looked forward to by all of the members and initiates. This initiation is held twice a year—once in the fall and once in the spring. This year it was held at the time of the Southwestern Michigan Science and Mathematics Association meeting. The ritual is very impressive and of a scientific type. At the fall initiation the "Doomed Eighteen" were required to stand up, give their name, home town, curriculum and classification, and major science. Needless to say each one before finishing his little "say" was "hissed down" by the members. After many toilsome ordeals and votes of approval and disapproval the initiates are deemed satisfactory—and always elected to membership by a majority of one vote!

At the close of the spring term is also held a regular event—the picnic at West Lake—as a climax to the year's activities. At this picnic everyone can forget test tubes, logarithms and other scientific "paraphernalia."

A men's basketball team was organized in 1929 and is now a scheduled activity of the club. This year, with an increase in members of the fair sex, a women's basketball team was organized also. This was under the direction of Winnie Veenstra and June Prolo. A men's indoor baseball team was organized by Wayne Humm.

The programs sponsored by this year's club have been unusually interesting to those present. They have consisted of a demonstration by Mr. C. E. Marigold, a speed-wizard in calculation; a lecture on a "robot" car by Mr. Ray Parker; a talk on "Chemical Warfare" by Mr. James Boynton; an "Astronomy for the Beginner" discussion by Professor John Fox; and other enjoyable and understandable discourses by members of the science departments.

Chairmen for the four sections are: Biology, Kenneth Saunders; Mathematics, Francis Buege; Chemistry, Donald Beckwith; Physics, Wayne Humm.

On March 16 of the winter term a delightful "supper-and-dance" for members and their guests was held in the little gymnasium.

One item of significance to be mentioned in connection with the Science Club's activities is the fact that nearly all of the past and present members of Kappa Rho Sigma, Western's Honorary Mathematics and Science fraternity, have been, or are, members of the Student Science Club.

All in all, the Science club is an organization of which its members may well be proud, both for its accomplishments and for the character of the activities of the group.

Le Cercle Français

LE Cercle Français has completed another successful year in promoting its purpose, which is to further interest in the French language, and through this interest to come to a higher appreciation of France, her literature, and her ideals.

The membership of this club is restricted to those students who have had two years of French in high school or one year of French in college. With this background in the French language, the students are enabled to conduct part of the meeting in French and also to carry on some French conversation.

Some very interesting programs were presented at the monthly meetings. At the first meeting of this year Harold Pigott recounted some of his experiences of the summer on Mackinac Island. He also gave a brief history of the Island which was very interesting.

At the same meeting, a French comedy, entitled "Rosalie," was presented by the following club members: Vivian Gibbs, Virginia Hadley, and Cecil Hay. At the November meeting, the club members heard a talk on Paris by Russell Cospers, a second-year student from St. John's, who has been in France. With the aid of a picture map, he gave a vivid account of Paris with all its magnificent squares and boulevards. Part of this meeting was devoted to the initiation of new members. They were formally welcomed into the club by the President, Cecil Hay, and became members upon signing the constitution.

The Christmas program consisted of several musical numbers by Betsy Dekema, the showing of slides on France, and group singing of Christmas songs in French, all of which was in keeping with the festive air of the approaching holidays.

The first meeting of the new term was given over to Mr. Foley of the English department. He gave a most interesting talk in French on how he collected material for his book, "Le Plus Grand Saint de France." The girls' Varsity Quartet presented several musical numbers, and Jean Glerum sang some lovely solos. The February meeting was purely social, and the members played games and later enjoyed refreshments of coffee and sandwiches.

The Seventeenth Century Literature Class had charge of the March meeting and presented dramatizations from Molière. A few scenes of "*Les Femmes Savantes*" were given in seventeenth century costume, which added much to the effect of the play. Parts of "*Le Médecin Malgré Lui*" were also presented, much to the amusement of the audience.

DOER	CALKINS	CARTER	COSPER
EGBERT	ENDERS	FINNEY	GOODRICH
GREENE	GREGOIRE	HALNON	HAMMOND
C. HAY	D. HAY	HOWARD	HUNTER

The annual Cercle Français bridge party, held in May, was very successful. In June, the members enjoyed another social event, the annual club banquet. This was held in the little gym and proved an interesting as well as gay affair. French had to be spoken during the first and last courses, thus creating somewhat of a French atmosphere.

During the year several very successful candy sales were held to raise funds for the club. It has been the custom to serve delightful refreshments at most of the meetings this year.

As a rule the members have been given an opportunity to sing French songs after the programs. The meetings, conducted mostly in French, have instilled in the students an increased interest in France, her people, and her language, and have been very valuable as a means of acquiring greater facility in speaking French.

Upon the graduation of Cecil Hay in March, the office of president was assumed by Russell Cospér, the vice-president. He in turn was replaced by Howard Yager who was elected to the vice-presidency. With the coöperation of club officers and members, Le Cercle Français has successfully carried out its activities for another year.

International Relations Club

THE International Relations Club was organized in the fall of 1929 as a unifying link between those students interested in studying and discussing international events and issues, in order that they might search out the truth of international situations in a non-partisan manner. The club fosters an open forum very similar to the popular English Oxford groups. Through this method it is believed students may gain greater knowledge of the topics in which they are interested than they might by individual research.

Membership in this organization is open to upper classmen who have sufficient background in social and political sciences, who have high scholastic records, and who have shown interest in questions of international concern.

For the bi-monthly meetings of the club, programs have been arranged to cover current topics. Students are often asked to prepare brief dissertations on certain subjects. The organization also endeavors to enlist the aid of authoritative speakers of the faculty and the city. Among the speakers enjoyed this year were Attorney Joseph Folz, Mrs. Walter Terpenning, Dr. James O. Knauss, and Professor Charles Starring.

The International Relations Club is sponsored and assisted by the Carnegie Endowment for International Peace, which, each year, sends one speaker of international prestige to the club besides an annual gift of several outstanding books on foreign relations. This year the Carnegie Endowment sent Professor Nickoley to speak at the club. A special assembly was sponsored in order that all students might hear his lecture on "Problems of the Near East." The club this year has had its collection of books on international topics cataloged with Western's library.

A number of meetings were devoted to the preparation of Western's eleven delegates for the Model League of Nations Assembly, which was held at the College of the City of Detroit April 22 and 23. The representatives of Western were the delegates from France, Finland, and Venezuela. The first delegate from France, Arthur Randall, acted as President of the Council of the League.

Among the most interesting discussions of the year's work were: International Peace, The Manchurian Trouble, The Permanent Court of International Justice, Fascism, Bi-metallism and Economic Depression, and Mandates of the League. Very much interest has been manifested in the honest controversy over these questions.

The club, in this excellent year, has been aided greatly by the participation of Dr. James O. Knauss, faculty adviser.

Der Deutsche Verein

DER DEUTSCHE VEREIN, one of the earliest organizations on Western's campus, was reorganized in 1927 as a branch of the National Federation of German Clubs. The affiliation with this national organization, which has its headquarters in Milwaukee, has brought to the local unit many opportunities to associate with similar societies in the leading colleges and universities of the country.

The purpose of Der Deutsche Verein is to further the acquaintance with the German language and literature as well as to instill in its members a knowledge and appreciation of German life and customs. Through activities not possible in the classroom, practice in the active use of the German language is afforded to members in the monthly meetings. These are devoted to German music, drama, and games, and to talks on German life, literature, and politics.

Just before Christmas a party was held at Miss Zimmerman's apartment. In January the club members were guests of Superintendent and Mrs. Orrin B. Kaye of Paw Paw. At the Kaye home, several highly interesting reels of film, taken by Mr. Kaye during his travels through England, France, Germany, Greece, and Russia, were shown, and Mr. Kaye added explanatory comments and sidelights. At the February meeting Miss Zimmerman gave an instructive talk in German on "Hitler in Germany." Several other interesting meetings were enjoyed, among which was a picnic in the spring at Miss Zimmerman's summer cottage near Plainwell.

The organization is composed of a small but select group numbering thirty-three. Membership is open to those who have had the equivalent of one year of college German and are recommended by one of the faculty advisers. Through the guidance of the president, Florence Riedel, and the faculty advisers, Misses Elizabeth Zimmerman and Mathilda Steckelberg, the club has enjoyed a most profitable and pleasurable year.

Dance Club

THE Dance Club was organized in 1928 for the promotion of the study of dancing on Western's campus. The club has always endeavored to give women who are interested in dancing a chance to study coöperatively types of dancing, such as clogging, character, folk, and interpretative. This year much of the time has been given to creative work in interpretative dancing.

The club has met this year on the second and fourth Wednesdays of every month. An open-house meeting was held in the fall to which all women desiring admittance to the club were invited. From those who attended new members were selected.

The feature meeting of the winter term was the initiation banquet at which new members were accepted into the club. Each year the organization has sponsored a house-party at one of the lakes near Kalamazoo.

Miss Katherine Theilen of the Women's Physical Education Department is the adviser of the club.

Home Economics Club

THE aim of the Home Economics Club is to give a better understanding of the fast increasing field included in home economics, especially those phases that are not touched upon in class-room work.

Three student delegates attended the National Home Economics Association Convention held in Detroit from June twenty-second to the twenty-fifth, 1932. Each class sent representatives to the Michigan Home Economics Convention at Grand Rapids, November twenty-ninth, 1931.

Initiation of the freshmen afforded a great amount of entertainment for the upper classmen. Miss Laura Shaw, at one meeting, gave an informing talk on Yucatan, supplemented by a wide variety of articles displaying the people's hand-work. This year a Homecoming luncheon for the Alumni and the Club members was given. This is to be an annual affair. A Christmas party and an outing at Gull Lake are the highlights in the year's social life.

Miss Cora Walker is adviser to the club.

The Collegiate Country Life Club

THE Collegiate Country Life Club, the oldest organization on Western's campus, was founded in 1904. From the original organization of four members, it has grown to an organization of one hundred twenty active members, seventy alumni members, and two honorary members, Miss Kate Wofford and Dr. E. L. Kirkpatrick.

The purpose of the Collegiate Country Life Club is to promote fraternal relations among collegiate students and faculty members who are sincerely interested in developing country life—who are willing to put forth serious effort to make the country a more satisfactory place in which to live and work. The club believes that lasting fraternal relations can be developed only through a happy combination of honest work and wholesome play. Members are expected to take part in the club's programs regularly and wholeheartedly.

An abiding faith in, a sincere sympathy for, and an idealization of agriculture as an occupation and mode of living are deeply written in the hearts of its members. Each member of the club will give some time to informing others of the importance, value, and beauty of Country Life and how its proper development affects all mankind.

Membership in the Collegiate Country Life Club is not urged upon those who are only "luke-warm" in their acceptance of these ideals. The organization wants its membership to consist of choice spirits who can work and play together in a common course, guided by an enlightened knowledge and upheld by deep connections. Membership imposes no irksome burden, but asks each member to

KAHLE	WISNIEWSKI	SLEEPER	ZIOLKOWSKI	SNYDER	BETZ	DYGERT
MILHAM	ZARBOCK	TENBRINK	MULDER	DENTON	CHAPPELL	HAFFENDEN
CHAMBERLIN	BULLOCH	BURTCH	EVANS	KISH	GREGG	GACKLER
PIERCE	HOWARD	GRURAUGH	SMITH	MARKULLIE	WILLIAMS	GLASSMAN

be true to his own connections, offers him an opportunity to increase his knowledge and experience for more efficient rural service, and extends to him the fellowship of a group who know how to be happy and sincere at the same time.

Five delegates, Arthur Henry, Luther Lamb, Reva Gooch, Eleanor Parkhurst, and Irene Milham attended the National Convention of the American Country Life Association, which was held at Cornell University, Ithaca, New York, in August, 1931. The President, Martelle Cushman, and one delegate attended the preliminary conference held at Ames, Iowa, April, 1932.

The student section, of which Western's club is a member, made up of the Collegiate Country Life Clubs found in universities, state colleges of agriculture, and state teachers colleges, is an important division of the Country Life Association.

The customary bi-monthly social meetings were held throughout the year. In October a wiener roast was enjoyed on the Indian Trail. At a Christmas party gifts were collected for various institutions in the city. Perhaps the most outstanding trip of the year was the visit to W. K. Kellogg Consolidated Agricultural School. Interesting program meetings were those in which Mr. Corbus, Miss Gooch, Miss Parkhurst, and Dr. Henry reported on the Cornell Conference; Mrs. Robinson, Mr. Robinson, and Lucille Sanders gave glimpses of their journey in the Southland; and Dr. Burnham gave a talk on "Appreciation" in which he gave interesting side lights of his experiences while abroad.

Mrs. Inez Marihugh, Lucille Sanders, and Mildred Hutchens, the Alumni News Letter Committee, have most efficiently compiled an interesting Alumni Letter. This letter is an organ which relates the activities of the club and its

				REES
				WEST

alumni members in order to promote a more intimate and friendly relationship between them. The club expects this phase of its work to become increasingly important in the near future.

This year, through the efforts of a special music committee, the Country Life Club has enjoyed an orchestra. The success of the orchestra is due, in no small measure, to the work of Ralph Josefek and Curtis Markley. The membership of the orchestra is now fifteen. In addition to furnishing music for the regular meetings, it provided an atmosphere of welcome for the Annual Reunion which preceded the annual Country Life Club Banquet. It has also had two engagements off campus.

The annual Rural Progress Day was held March fourth. H. W. Wallace, editor of the *Wallace Farmer*, gave the main lecture of the day on "Agricultural Prospects." Appearing on the same program were Miss Kate Wofford, president of the Rural Education Department of the National Education Association; Mrs. J. K. Pattengill, representing the Congress of Parents and Teachers; Donald Clupper, Benton Harbor, representing the Future Farmers of America; Dr. E. L. Austin, Michigan State College. In the evening of the same day the annual Country Life Club Banquet was held. Dr. Smith and twenty-five members of the Appleblossom Club of Mt. Pleasant were guests. The decorating committee, in honor of the Washington Bi-centennial, carried out the table decorations in red, white, and blue. Martelle Cushman, president, acted as toastmaster and introduced Kate Wofford, who delivered the address of the evening. The topic was "The Country School, a Challenge and a Responsibility." There was keen interest

BURNHAM	GIFFORD	MC LACHLAN	RYDER	WILKO	JATE	SEQUIN
TILLMAN	GRANGER	MILLS	HOFFMEYER	MILLS	BLADES	
SPRINGER	DPEGAN	MULDER	SCUTZMAN	CHEW	MARIHUGH	

shown throughout the evening. The guests rose as Mr. Robinson introduced them. At the close, Miss Wofford accepted the honorary membership which the local club had voted to confer upon her.

If the Country Life Club can in some small measure help to solve the Rural Life Problem, it will justify its existence. In Michigan in 1932 are found 5,882 one-teacher schools and 86 consolidated schools. While 72% of city children fifteen to eighteen years of age are in high school, only 26% of the rural children receive this secondary education. While the cost per pupil in average daily attendance is \$130 for the urban child, it is only \$75 for the country child. Farm children as a whole get less schooling in eight years than city children get in six years because of the shorter school year and more irregular school attendance. These facts and many others show that we have not yet secured democracy in American Education—truly a challenge and a responsibility, not only for Country Life Students everywhere but for all who believe in an educational democracy.

The Early Elementary Club

THE Early Elementary Club is one of the largest organizations on the campus. Anyone enrolled in the Early Elementary Department is eligible for membership.

During the past year the club has carried on many interesting activities. At the first of the year the freshmen were the guests of the club at a roast held on the Indian trail. Many social contacts were made possible by the club. This was effectively done through groups, each one having a capable group leader. Activities were carried on within the groups, and money was raised by them to aid in the projects of the club. Each group had charge of the program for a monthly meeting.

Real talent was exhibited by various members of the club. A Christmas party, with a Santa Clause and exchange of gifts, was the feature of the December meeting.

The call of spring was answered appropriately by a May party. The annual Alumni tea was held in the Early Elementary classroom in the Barracks following the Homecoming game; the room was attractively decorated with the

BOSIER JACKSON ABEL PHILLIPS SMITH GRANT BOWMAN
KLAPPENSTEIN THOMPSON FAULKNER TIEFENTHAL PARSONS RICHMOND SWIFT
MICKEL BRYDGES WILKES MILLER EARL HUNTER

school colors. An enjoyable time was spent in meeting old friends and making new acquaintances.

Money apportioned by the Club to the Christmas Spirit was effectively used to aid a family during the winter months. The traditional Valentine candy sale was very successful this year. Another annual event was the Mother's Day flower sale, held the first of May.

This year, as in previous years, the club was successful in bringing to the campus a person of interest to the department. It coöperated with the Later Elementary Club in presenting Dorothy Aldis, who writes poetry for children.

The members of the club enjoyed several informal cafeteria suppers in the Little Gymnasium. These suppers proved to be popular social gatherings. The yearly banquet on April fifteenth was in honor of Mrs. Effie Phillips, who had just returned from her vacation. The theme of the banquet was in the form of an airplane trip. The program, decorations, and menu were in keeping with this idea.

REYNOLDS	WACHTER	SCHMIDT	BARNUM	EARL	MURIE	CHAMBERS
REFLOGLE	WITTE	HAAS	HODGES	KOWALK	DAVIDS	ROHN
	HOFACKER	RANSOM	ZOERNER	FREELAND	GTICER	ARNOLD

The social activities of the club ended with a picnic at a nearby lake. Following a bounteous picnic dinner, the time was spent in sports. Several new Early Elementary Club songs were introduced by the music committee. These songs provided entertainment at various social functions. Much credit is due the advertising committee for posting notices and posters regarding club events.

A great deal of the success of the club is the result of the excellent coöperation of the group leaders. The leaders are Mary Helen Grant, Wilma Mickel, Grace Timm, Elizabeth Moore, Margaret De Meyer, Margaret Earl, Mildred Purdon, and Hester Rheingans. Under the supervision of the advisers, Jane Blackburn, Effie Phillips, Bess Stinson, Frances Thompson, and Elsie Bender the club has completed another successful year.

Later Elementary Association

ALL the members of the Later Elementary Department are eligible to membership in the Later Elementary Association. The primary purpose of this organization is to promote investigation into the problems confronting the Later Elementary teacher, and with this aim in view, the club listened to many valuable speakers during the past year at the monthly meetings, which were held the third Tuesday of every month.

The first meeting was one in which prospective members became acquainted with each other and the older members as well. They also became familiar with the purpose of the club. Miss Steele told something of what the Later Elementary Department should mean to them and the importance of being enrolled in the Later Elementary field.

During Book Week in November, Miss Singley of the Kalamazoo Public Library told about many of the best books for children in the Later Elementary grades. She brought an excellent display of the new books with her, which she put out on exhibition for the girls to look at.

The December meeting came at the time of final exams and was called off. There was a very interesting January meeting, however, at which three of the Woodward Later Elementary teachers told the club about the progress that has been made in the school in reading along two lines, that of pleasure and that of class room work.

The program at the February meeting was quite different from anything that had been given before. Members of the Later Elementary Club reviewed

NURNBERG	ALBRECHTSEN	COLLINS	OLDS	CURYIS
BARRY	HASS	PIERSON	GIROUX	KUHN
BRJN	KNATIS	GILLETT	WARREN	BLISS

ten of the Newberry Prize books for the club. The March meeting was enjoyed very much by the club and proved to be very instructive and helpful. Mr. Ellsworth spoke to the club and gave suggestions which would prove most helpful to the prospective teacher. Miss Katherine Mason spoke to the club at the April meeting. She gave a very well received and interesting talk.

Tickets were given out for the children's poet, Dorothy Aldis, who spoke to the training school children in the training school and later spoke to the adults.

This year the Early Elementary club aided in bringing Dorothy Aldis to Western in April.

A special meeting for the election of officers was held in the Little Gym followed by a social hour.

The annual Later Elementary Club banquet was held in May in the Faculty Dining room of the Cafeteria, which was very colorfully decorated for the occasion. The picnic in June was held at Milham park. Here races, games, and rides on the merry-go-round afforded amusement.

Tea was served to alumni, members, and friends at Homecoming.

Groups, with a Cabinet member at the head of each, were formed for closer social contact between the members of the Club. Much credit is due the sponsors for the time, and suggestions which they gave to the club to make it a successful year. The sponsors were Miss Anne Reidy, Miss Anne Pearson, Miss Helen Cooper, and Miss Dora Hendy.

The Agriculture Club

AS THE result of a need that was felt by certain students on the campus, a group met in the Science Building on Tuesday evening, November third, 1931, and organized what is known as the Agricultural Club of Western State Teachers College. Its members are enrolled in classes of the Agricultural Department of the college. The purpose of the club is to broaden the field of knowledge of future teachers in this branch of education.

The officers of the organization are: the first chairman, whose duties are similar to those of a club president; the second chairman, who combines the duties of arranging the programs with the usual vice-presidential activities; the third chairman, the treasurer of the group; and the fourth chairman, who is the publicity manager.

At each meeting, refreshments such as apples, cider, or cheese sandwiches are served, but not until a detailed study and report on this "treat" has been given by some member of the club.

This organization hopes to foster fellowship, to integrate knowledge and experiences, and to increase efficiency in regular college work as well as to assist in the comprehension of Agricultural Education.

The Junior High Club

MEMBERSHIP in the Junior High Club of Western State Teachers College is open not only to members of the Junior High Department but also to all students interested in this phase of instruction. The purpose of the Junior High Club is to promote a social and coöperative spirit among its members. It has an instructive value also, that of keeping its members in touch with all the latest developments in the field of education.

The Club endeavors to have educational as well as social functions. During the fall term, Miss Dilts, a teacher at Washington Junior High, gave an interesting talk concerning her work. Miss Jessie Ostrander of the State Hospital staff and a woman who is well versed in the work of Mental Hygiene favored the club with a talk on that subject.

The fall term is also remembered for a delightful bridge party given for new members. Several musical programs were given, including solos, selections by the varsity quartet, and instrumental numbers.

During the year the scholarship fund, which the Junior High Club helps to support for its needy and worthy students, has been increased through the sale of confections.

The Athletic Board

THE Athletic Board is composed of the Registrar, chairman ex-officio, two faculty members appointed by the President, two student representatives chosen by the Student Council, the captains of the major sports teams, and the athletic coaches.

This board was created as a means of supervising the various athletic activities of the school, and it has taken over the work that was formerly performed by the coaches and special committees. It has jurisdiction over such matters as eligibility, the sanctioning of awards, and tentative schedules.

The personnel of the board during the past year was as follows:

CHAIRMAN

JOHN C. HOEKJE

FACULTY MEMBERS ON THE BOARD

Howard D. Corbus
Homer M. Dunham
Mitchell M. Gary

Judson A. Hyames

"W" Club

THE "W" Club was organized in the fall of 1921 to promote better school spirit, to encourage athletic interests, and to develop comradeship among the letter winners of Western State. The club is composed of selected men who have won their letter in one of the major sports. Managers and trainers are selected as honorary members.

The club is very active on the campus and takes part in many campus movements such as homecoming, pep meetings, and social affairs. The "W" Club dinner-dance was one of the prominent social events of the year. This year the dinner-dance was held at the Columbia Hotel on the 14th of May. At this time the alumni and members get together for an interesting social time.

The club donated \$100.00 this year to the Alumni Union Building Fund.

Cheerleaders

CHEERLEADING at Western is a somewhat arduous task, and it requires real enthusiasm on the part of the men who wear the uniforms of varsity cheerleaders to rouse student spectators from some of the depressions in spirits they suffer at times. But it can be done, and during the past year Edward Kunkle, Phil Watterson, and Bob Dunavan have waged a winning fight for school spirit at athletic contests.

Bob Dunavan says that invariably after a frantic cheer leader has yelled, "What is the matter with you folks? Do you think you are at an assembly or at a funeral?," and has otherwise exhorted students to make some noise—and without much success—the poor fellow, wondering if he just lacks the yell leader's "it," feels like slinking back out of sight. And Bob adds that it requires wonderful self-control to keep from climbing into the stands after the would-be-wisecracker who then soon asks, "Why doesn't someone lead a yell around here?"

Well, anyway, the boys have done a fine job, and we compliment them on the results of their desperate research into the intricacies of the crowd mind.

WATTERSON

DUNAVAN

KUNKLE

Conference Honor Medal

WARREN BYRUM

WARREN BYRUM of South Bend, for three years Michigan Intercollegiate and Michigan Collegiate Conference singles tennis champion, and for three years a member of Western State's star basketball teams, was awarded the Michigan Collegiate Conference medal for the year 1930-1931.

With the passing out of existence of the Michigan Collegiate Conference a year ago, Byrum was the last man to be awarded the achievement medal. The medal had been awarded annually to the best student athlete among the seniors of the member colleges.

Football Season 1931

FIVE victories and two losses were the record set up by the 1931 football eleven. The season was a bit slow at first. Western lost two games out of the first three on the schedule, but livened up for the last four games, which all resulted in the winning column for Mike Gary's gridders.

The two losses were doled out to the Hilltoppers by the University of Detroit and the University of Michigan Bees, both games being played in the victors' stadiums. The former marked the debut of a Western State team under the floodlights.

Coach Gary had a number of veterans on hand, and in the starting line-up for the initial struggle used most of the men who were back from the previous season. Briggs and Mackay were at the ends, Matulis and Cook at the tackles, Wynn at one guard position, and Tingstad, a member of the star Frosh aggregation of 1930, at the other. Blohm was given the call for center. In the backfield were Hudnut, Elenbaas, Wurster, and Bilski.

WESTERN — 25

FERRIS — 0

Ferris Institute came here with a team of unusual strength, and the fans were given an exciting display of the grid sport in three scoreless quarters. Western finally got under way in the final period of the game when the fleet Louie Elenbaas went through for a pair of fast dashes and crossed the goal. Immediately after this score Elenbaas again got away for a sprint of 36 yards, putting the ball in position for Combs to go over for the score.

Toward the end of the game, Western made two more counters. The first came after the ball had been advanced to the one-yard line, where Bilski took it

JUDSON HUDNUT

and plunged over the white marker. A few minutes before the final gun, Jones intercepted a pass and slipped through the Ferris tacklers for the last touchdown of the game. Final score: Western 25, Ferris 0.

WESTERN — 0
UNIVERSITY OF DETROIT — 20

In a contest staged under the floodlights at Detroit, and with 12,000 fans looking on, Western was defeated 20 to 0 by a strong University of Detroit eleven. A deciding factor in the victory for the Detroiters was the endless string of reserves being constantly inserted into the line-up in an effort to wear down the endurance of the small group of Hilltoppers who had been taken to the Auto City.

Western was on the defensive most of the time in the first half, but kept the University of Detroit scoreless till half-time. The second half of the game saw a new set of tactics in-

ANTHONY MATULIS

WESTERN SPOILS IOWA'S DOUBLE PASS

PELLEGROM GOES AROUND END

FRANCIS PELLEGROM

roduced by Coach Dorais' gridders. They began a slashing attack directed at the tackles, and the Garymen were forced to give way for two touchdowns. The game was featured by a 96-yard run made by McCracken of the Detroit eleven when he intercepted a pass after Western had worked the oval up to their opponents' seven-yard stripe.

WESTERN — 0

MICHIGAN B — 19

The Hilltoppers suffered their second defeat of the season at Ann Arbor when the University of Michigan Bees ran up a 13-point lead in the first half and added another counter later in the game. Western outplayed the Bees in the last half, the only touchdown coming as a result of an intercepted pass which paved the way for the score. Many of the members of the opposing eleven were second-string players on the University's first team.

GEORGE WYNN

MALCOLM MACKAY

The Maize and Blue mentors were able to use men from the varsity squad, because the game was played in the morning.

WESTERN — 27

NOTRE DAME B — 6

Led by the line smashes of Stan Bilski and the fine sprinting on the part of Combs and Pellegrom, Western fairly swept a Notre Dame B team before them to pile up a 27 to 6 score. The victory was especially gratifying because of the fact that the majority of the members of the visiting team were on the varsity roster of their school.

Stan Bilski gave one of his best exhibitions at smashing and plunging through the line in this game. He was largely responsible for a seventy-yard march that began at Western's 30-yard line and went straight for the opposite goal-posts, where Bilski went over for the score. Soon after, the Western full-back

TRUMAN PIPPEL

CENTRAL FAILS TO GAIN

BILSKI DRIVES THROUGH AGAINST NOTRE DAME

STANLEY BILSKI

intercepted a Notre Dame pass and again led the attack. Wynn made the touchdown.

Pellegrom and Combs, in the second quarter, worked the ball toward the goal on speedy runs and sprints around the ends. The two stars of the "pony" backfield alternated on the ball-carrying until Pellegrom finally scampered over the goal.

WESTERN — 14

IOWA STATE TEACHERS — 0

The first of two intersectional victories came when the Brown and Gold defeated the Iowa State Teachers College eleven at Cedar Falls. The game was nip and tuck all the way, neither team being able to drive over for a point. The deciding factor of the struggle came late in the second half when a series of slams at the line by Wurster and Bilski had placed the ball in scoring position. Bilski, having distinguished himself throughout the

HAROLD MCKIE

GEORGE WURSTER

game, was taken from the field, thoroughly exhausted, and Curtis, a Sophomore, was substituted. The latter smashed through for the counter.

Western scored again when Wurster tossed a neat pass to Mackay, who was waiting on the goal-line to receive it. The loss was particularly bitter for the Cornhuskers because, in addition to its being their homecoming, they had suffered an overwhelming defeat at the hands of Western the year before on the Hilltoppers' gridiron, and the Iowans were out for revenge.

WESTERN — 13

WESTERN KENTUCKY TEACHERS — 0

Rain and mud and plenty of both was the scene of Western's homecoming game with the teachers from Western Kentucky. Players on both sides were drenched in the rain

ERNEST BLOHM

MATULIS STOPS IOWA PLAY COLD

CENTRAL'S PASSES FAIL IN FINAL PERIOD

CHARLES COOK

that kept coming in a steady down-pour during the first half, and the mud that persisted in clinging to the suits made a consistent distinction between players almost impossible.

Western's defense, striking a high note of the season's play, held the Kentuckians without a chance for a score, while the Brown and Gold rolled up two touchdowns and a place-kick after score for a 13 to 0 victory. A fair-sized homecoming crowd braved the adverse weather conditions to witness the game.

Mackay made the first one when a Kentucky safety man knocked a pass high in the air and into the arms of the Western end. A 20-yard run by Wurster paved the way for the next touchdown, and Bilski went through after a couple of plunges at the center of the line.

ARTHUR SMALLEY

EDWARD TINGSTAD

WESTERN — 7

CENTRAL STATE — 6

The most thrilling encounter of the 1931 season was reserved for the affair with the Central State eleven in a game played at Mt. Pleasant. The Bearcats scored first, but the failure to make the extra point cost them the game. Western came back and staged a great drive down the field that ended in a touch-down and the winning extra point.

Combs, Elenbaas, and Bilski made enough yardage between them to advance the ball far into Central State territory soon after the opening of the second quarter, and Bilski carried it over on the final drive. What had been a sure victory in the minds of the Bearcat rooters was now shaved down to a 6-6 tie. Breathlessly the fans watched the ball snapped back from center, watched Combs' toe lift it into the air, and saw the oval whirl end over end between the post and over the cross-bar.

OTTO WORMSBACHER

Freshman Football

COACH John Gill's 1931 freshman football team was undoubtedly the best Western has yet seen. The Yearlings completed a four-game schedule without a defeat, chalking up 58 first downs for 134 points to their opponents' 16 first downs for 18 points.

On October twenty-third the Central State Frosh were defeated, 20 to 6. Two weeks later an inexperienced Hope College freshman eleven was drubbed by a 47 to 0 count. This was followed by an even more decisive defeat administered to a highly-touted Michigan State frosh squad at a 60 to 12 score. The season was brought to a close with a 7 to 0 win over the University of Detroit.

The first "string," composed of Mallard, Hecksel, Smith, Van Wagner, Baker, Widas, Binkley, Salters, Elliot, Miller, and Barber, proved able masters at the art of both straight and trick football. Unusually high reserve strength rounded out the great squad.

COACH HERBERT W. READ

Basketball Season 1931 - 1932

COACH Herbert "Buck" Read's 1931-32 basketball squad went through a successful season with fourteen victories out of nineteen scheduled contests.

Coach Read was forced at the start of the season to fill in some big gaps left by the graduation of former stars. Bob Decker, Warren "Skinny" Byrum, and Paul Grein were regulars who left places on the team open to a star group of Sophomores.

When the season opened Coach Read had Captain "Whitey" Althoff, James Den Herder, Malcolm Mackay, and Frank Overton back from the varsity squad of 1931. Sophomores who made the squad included William Perigo, Ben Laevin, Harold Leiphan, Lawrence Heckathorn, and Donald Hanna, all of whom had starred on the undefeated Frosh outfit of the previous season.

Speed and flashy shooting marked the high spots of the performance of the team throughout the season. Donald Hanna, going over the top with 180 points to his credit, broke all records for individual scoring. The team as a whole also went over for a new record in Western State basketball scoring by running up a total of 730 points to break the old record hung up by the team of 1930. Perhaps the most outstanding defensive work of the season was contributed by Captain Althoff, who was playing his last year for Western on the basketball courts. Western's team maintained throughout the season a consistent play and one far above the average—a type of play that enabled them to defeat a crack Loyola five and to bask for a time in the rapidly shifting spotlight of Mid-West basketball.

The team opened the season in a frolic with a badly and sadly disorganized alumni group and had little trouble in defeating the old timers by a score of 48 to 27. The grads, however, at times showed that all they had learned under Buck Read was not forgotten. A good representation of former Brown and Gold wearers was back for the tussle. It included such former stars as Bob Decker, "Lefty" Lundquist, Warren Byrum, "Okie" Johnson, Henry Schrupp, and Rudel Miller.

Playing the first big game of the season, the Hilltoppers dropped one to a superior Michigan squad at Ann Arbor with the final score at 33-27. Western

MACKAY

OVERTON

DEN HERDER

showed plenty of scrap and already in this struggle gave evidences of the possibility of a highly successful season. The Hilltoppers led twice during the first half and tied the score four times in the same period to make a great showing against the university team.

In the game with Olivet, Western ran into some formidable competition and was pushed to the limit to gain a win by 32 to 26. Olivet presented an unusually strong team that boasted a group of regulars who had played together for several years in high school competition. The Readmen were extended but came through to beat the M. I. A. A. school.

The game with the Olivet stars was valuable in warming Western up to play of championship calibre, and the next Monday the locals kept up the same style of play to breeze through the Hope College team. The Hilltoppers overwhelmed the Hollanders with a top-heavy score of 56 to 12. Bud Hinga's tossers were at a loss when it came to snaring a few baskets and had a little difficulty in getting off some coördinated work.

Going to Chicago as the underdog, Western pulled a big surprise in upsetting the dope bucket to defeat the University of Chicago 36 to 24. The Readmen presented a fast clicking offense that kept the Big Ten aggregation stepping. The defense was superb and kept the Maroon forwards away from the basket while Western proceeded to go into a safe lead. Captain Althoff and Pete Hanna had their eyes on the hoop and looped the ball through enough times to give them 11 and 10 points respectively. The victory was especially gratifying to Western, since it was the first time a Brown and Gold team had ever met a group of tossers from the University of Chicago on a basketball court.

The high spot of the season came when Western defeated a highly touted Loyola University five on the local court to the tune of 29 to 18. Loyola came here as the favorite but was forced to bow to a team that was clicking to perfection and could not lose. The game was the most brilliant and hard fought one of the entire season as far as home engagements were concerned. Western was behind 8 to 6 at the end of the first half, but after the intermission, Read's team began to pull out in front. Big Bill Perigo had a heavy assignment in guarding Wagner, but the Delphi center turned in one of his best performances and was

PERIGO

HECKATHORN

LAEVIN

a big factor in the victory. Heckathorn, a Sophomore who substituted for Althoff when the latter went out on personals, helped pull the game out of the fire by contributing a couple baskets of his own to give Western an edge.

The Indiana trip was the low mark of the season, the team winning one and losing two in a difficult schedule of three games played on successive nights. The first one, against Manchester, found Western ahead when the final gun went off with the score standing 37 to 26. At Butler University, however, the Hilltoppers found difficulty in getting started at all in the second half, though they had held Butler to a tie at the end of the first period. What little hope the locals may have had of taking the game was shattered in this half when Butler went way ahead and left the Hilltoppers out in the cold. The next night, Read's team did not display the usual snap and fast break and was obliged to bring home another loss, this one from Ball State Teachers. In the game, however, Pete Hanna made thirteen points against the opposition.

MANCHESTER COLLEGE GIVEN SECOND DEFEAT

PUGNO

LEIPHAN

HANNA

After the disastrous Indiana trip, Western hit its stride again and sent an inferior John Carroll University team back to Cleveland with a 68 to 20 defeat. The team that night was a veritable machine for the manufacture of points and had the fans clamoring for the 70 mark. Basketballs filled the air, and it was inevitable that someone should make a startling number of points. Little Pete Hanna took the honors for the occasion with a total of twenty. Twenty-seven personals were called during the game, yet only one man was banished from the floor. Western's defense worked perfectly, and the visiting team could not work in to snare more than twenty points.

The population at Holland turned out en masse when Western went over for a return engagement with Hope. Hope might better not have had that game scheduled. The final score was 52 to 23. Western was scoring with deadly accuracy and there was no way to stop the barrage of counters.

A GREAT LOYOLA TEAM HANDED ITS FIRST REVERSE

The next game was with another inferior opponent, and Western, while hardly enjoying a good workout, had little trouble in chalking up a 51 to 17 victory. Practically every man on the squad got his name in the records for that game and had a chance to show his wares.

The crucial test of the season came the next week at Chicago when Western met the star Loyola team in a return engagement. Loyola was ready for Perigo this time and kept the Western center busy enough to cause the commitment of four personals. Hanna also got the limit for personal fouls and was likewise banished from the struggle. Loyola went on to set up a safe lead and to get revenge for the defeat they had suffered earlier in the season by a 32 to 23 victory.

In the second encounter with Ball State Teachers, Western again went through to defeat the visitors 32 to 23. The game was uninteresting as far as brilliancy or flash were concerned, but it showed some nice coördination on the part of both teams that displayed a knowledge of fundamentals, which made the game at least of passing interest.

In the two-game trip in Michigan, the Hilltoppers managed to break at least even, by winning a 37-29 encounter from Central State Teachers College and losing a close one to Ferris Institute of Big Rapids by a score of 27 to 26.

In the closing contest of the season the Readmen got revenge on Ferris and handed the visitors a 47 to 22 drubbing. Den Herder had a big night and garnered a total of sixteen points for the game. Perigo and Hanna were also hitting the hoop with regularity. The end of the first half found Western ahead by a margin of only four points with the count at 18 to 14, but early in the last period the Brown and Gold began to connect with the hoop and looped through enough to set themselves out ahead. Throughout the first half things looked a bit dubious. Ferris presented a fine-working defense and a smooth-running offensive machine, but in the last period Ferris could not cope with the onslaught of Western's offense. The game was the final appearance of Althoff, Mackay, and Overton and closed the collegiate basketball careers for each of these men.

BALL TEACHERS FIGHT STRONGLY, BUT ARE SUBDUED

Freshman Basketball Season 1931 - 1932

COACH John Gill directed his Freshman basketball team through another undefeated season for the 1931-32 schedule. The Frosh won a total of eight games.

The Gillmen had a nicely balanced team. Led by Caesar, who garnered 82 points, they scored a total of 338 points to 117 for their opponents. There were no individual stars as far as outstanding flashy play was concerned, but the quintet functioned to perfection as a smoothly working five-man machine.

The hardest game of the season was one with the yearlings of Michigan State College, East Lansing. After two halves of stiff competition the Frosh emerged with a 29-18 victory.

Some good potential varsity material invariably shows up during the course of Frosh seasons, and this one was no exception. Caesar, Huttenga, and Miller led the scoring and proved to be a strong offensive group that helped keep up the fine Freshman basketball record at Western State. Since Frosh teams have been playing at the Hilltop, Gill has directed the teams through 38 games with the results showing 37 victories.

Baseball Season 1931

WITH the finest schedule that a Western baseball team ever had the opportunity of signing up, the 1931 nine went through a season marked by such outstanding achievements as victories over the University of Wisconsin, 1930 Big Ten champions, the University of Michigan, and the Hosei University of Japan.

The team won ten games and lost eight of the regular college schedule during the course of a varied season. Some idea of the character of over half of the defeats may be gained when the fact is taken into consideration that a quartet of them were 1-0 losses and one was dropped by a 2-1 margin. The encounter with Michigan State Normal went to fifteen innings and holds the distinction of being the longest 1-0 game in the history of Michigan collegiate baseball.

Coach Judson Hyames had three regulars in Captain Hylan Pray, Victor Neigenfind, and Fritz Black. Both Black and Neigenfind pitched one-hit games, and the latter also had a two-hit game to his credit. Black went through the season with five victories and no defeats for a 1,000 per cent record.

WESTERN — 7

HOPE — 0

The first game of the season was played against Hope College of Holland, Michigan, and resulted in a 7-0 shutout victory for Western. The visitors were unable to get on effectively to the portside slants of Fritz Black and the underhand tosses of Hy Pray.

WESTERN — 8

HILLSDALE — 6

In the next game with Hillsdale College, Western was extended to eleven innings before snatching an 8-6 victory. Hillsdale held a 6-3 lead for eight innings behind the superior pitching of Smith. When the Hyamesmen came to bat in their half of the ninth, Marquard, Phelps, and Johnson, all right-handed batters, were inserted in an effort to make the hurling difficult for the Hillsdale south-paw.

Marquard drew a walk and Pellegrom went in to run. His speed carried

NEIGENFIND

DENNER

DECKER

him around to the third base in two successive sprints and did a lot toward upsetting the Dales' pitcher. Phelps and Johnson were also given free transportation to first. With three men on, Blackney grounded out to first but scored Pellegrom on the play. With two out and two strikes on him, Dick Denner lifted the next pitch for a double, scoring two men and tying things up to a six-all tie. In the eleventh inning Western took advantage of a couple of errors on the part of the Hillsdale team to score the runs that netted victory.

WESTERN — 11

UNIVERSITY OF WISCONSIN — 9

The Hilltoppers were obliged to come from behind twice in the game with the University of Wisconsin, before the 1930 Big Ten Champs were put away with a 11-9 score. Mackay, his timely hitting driving in several runs at crucial moments, was the star of the game.

The infield was playing a fine, snappy brand of baseball, and the work with the bat was considerably improved over that in the two previous games. The game marked the first defeat for the Wisconsin team in six starts of the 1931 season.

WESTERN — 3

UNIVERSITY OF CHICAGO — 11

The University of Chicago handed the Hilltoppers their first defeat of the

YPSI WINS BRILLIANT, 1-0 GAME

MACKAY

COOPER

BLACKNEY

season. Nine runs pounded out at the expense of Captain Hy Pray sewed up the game for the Windy City team in the first two innings. After that, Western, although playing fine baseball behind the airtight pitching of Vic Neigenfind, could not overcome the long lead which the opposing nine had run up so early in the struggle.

WESTERN — 6

ARMOUR TECH — 3

Western came back the following day to hand the Armour Institute a 6-3 defeat on the technical school's own field. The game gave all appearances of a tight struggle from the first. Armour tied the score at 3-all in its half of the sixth and held the Hilltoppers until the eighth, when the Hyamesmen forged into the lead with three more runs. Fritz Black handled the mound work for the Brown and Gold, and worked in a nice game with "Red" Thomas catching his offerings.

WESTERN — 2

UNIVERSITY OF MICHIGAN — 4

Western dropped the next game to the University of Michigan on the home field by a score of 4-2. Vic Neigenfind hit two batters in the second inning, and this with four well-directed hits gave the Ann Arbor team three runs.

After the unfortunate second, Neigenfind, pitching good ball the rest of the

DECKLER LED WESTERN'S HITTERS

BLACK

WOODS

SWAFFORD

way, struck out ten of the opposing Maize and Blue players. Michigan infield presented an infallible defense that was not penetrated by the Westerners until the ninth inning. Runs by Bailey and Taylor came in then, but the rally was cut short and Western was forced to accept defeat.

WESTERN — 7

HOSEI UNIVERSITY — 5

Playing before one of the largest crowds ever to witness a Hilltop nine in action, Western outsmarted a group of clever Japanese players from Hosei University, Japan, to win 7-5 in a nip-and-tuck affair.

Coming from behind twice in the early stages of the game, once in the third inning when the Brown and Gold tied up the score at 2 all and again in the fourth after the Japs had snatched a pair of counters, the Hyames team garnered a trio of runs to make the outcome of the game less uncertain.

Timely hittings by the Western batsmen and unprofitable base-running by the Orientals were factors in the victory. Woods got a home run and Thomas and Mackay both slapped out triples. The game was one of the most colorful and interesting of the whole season, for both teams played exceptional baseball. The little men from the Japanese university threatened all the time and never slackened their determination to play the game till the last out was made.

WESTERN — 1

MICHIGAN STATE — 2

A great pitching duel between two great southpaws—a story of wasted opportunities—the score 2-1. That explains the way Western lost to the Michigan State College nine on the East Lansing diamond.

Both Griffing and Neigenfind were in rare form for the struggle and kept the game airtight until the sixth inning. At this point of the competition Bob Decker got on first, stole second, and went to third when the Michigan State catcher threw the ball over the second baseman's head. With two out, Denner cracked one to third, and the ball was juggled in a vain effort to nip the Western man. Decker remained on third, and the next man at bat struck out.

In their half of the sixth, the Lansing team pierced the defense of their guests and drove over two runs. Western got its lone score in the eighth when Vic Neigenfind came in for the run. Western lost its chance to tie up the score in the ninth when a bit of unorthodox base-running finished up the game.

PELLECROM

THOMAS

JOHNSON

WESTERN — 4

IOWA STATE TEACHERS — 0

Probably the best game of the season from a box-score viewpoint came when the Iowa State Teachers were sent back to the Corn Belt with a 4-0 shutout defeat. Vic Neigenfind, backed up by a tight defense, allowed but twenty-seven men to face him, striking out fourteen batters and allowing but a single hit.

WESTERN — 0

YPSI — 1

What has since been acclaimed as one of the finest games ever to have been played by two Michigan colleges was participated in by Western State and Michigan State Normal at Ypsilanti. For fifteen innings the struggle went on, until the Ypsi team shoved over a lone score to break a scoreless tie and win 1-0.

Neigenfind was on the mound for the Hilltoppers, and Michaelis did the hurling for the Michigan Normal nine. The work of the two hurlers and the supporting defence of their respective teams were far above ordinary, and not a man reached third base until the final and deciding inning. Double plays were a feature of the game and served to nip several scoring threats before they had a chance to develop. In the fifteenth inning, a double steal and a hit-and-run play with Michaelis at the plate drove in the winning run.

WESTERN — 10

CENTRAL STATE — 1

Central State was buried under a 10 to 1 score by virtue of some good pitching by Fritz Black and by the taking advantage of seven Bearcat errors.

WESTERN — 3

UNIVERSITY OF MICHIGAN — 1

Neigenfind was again in rare form for the fray with the University of Michigan team. He held the Ann Arbor nine to two hits and a single run, while his team mates ran up three counters for a victory. Long hits were a feature of the game, Decker getting a homer, Mackay a triple, and Cooper and Thomas each contributing a two-bagger.

WESTERN — 15

CENTRAL STATE — 3

The next game was again won at the expense of the Central Staters. Western went on a rampage and fairly swept the Bearcats off the diamond with a lop-sided 15-3 score.

BEALL, MGR.

BAILEY HITS A TRIPLE

WESTERN — 0

HILLSDALE — 1

Hillsdale College with Smith again pitching proved too much for the Hilltoppers, and another 1-0 loss was eked out of the Hyames nine. Captain Hy Pray did a fine job in the box, but with little support at the bat and costly errors in fielding, the Hilltop hurler was unable to keep the Dales in hand.

WESTERN — 0

LUTHER — 1

A queer run of circumstances spelled a heart-breaking defeat for Western when the nine went to Iowa to play the Luther College aggregation.

The run came in the fourth inning when a Luther batsman struck Neigenfind's knee with a sharply-hit ball. The ball bounced toward third, and the batter was safe at first. The run came in a moment after play was resumed, when the next man connected for a triple, the ball branding its way through third and into

MACKAY DRIVES OUT A LONG ONE

left field. Good fielding by the Luther College team saved the Iowans from any possible defeat.

WESTERN — 6

IOWA STATE TEACHERS — 2

Western, after tagging 2-0 for the first six innings, won for the second time in the season from the Iowa State Teachers College 6-2.

Western was responsible of seven errors, but the Kazoo nine made up for the misplays by pounding out the hits for needed runs. Cooper and Pellegrom got triples, and Pray helped win his own game by slamming out a triple. Johnson also poked one for a three-base hit which was responsible for a run.

WESTERN — 3

MICHIGAN STATE — 5

In the game with the East Lansing team, the Hilltoppers led until the fifth inning, when the Staters shoved two runs across the plate to go into the lead with the score at 3-2.

Western tied it up in the next stanza when Pray, lifting a high triple over left field, scored Bailey. It was the last scoring chance for the Brown and Gold, for the visitors snatched the lead in the seventh and held it to win 5 to 3.

WESTERN — 0

YPSILANTI — 1

Ypsilanti won its first M. C. C. championship by taking a gruelling pitchers' battle by a score of 1-0. Neigenfind and Michaelis again opposed each other on the mound, and again both turned in a fine exhibition of pitchers' skill.

A freak throw that went over Cooper's head gave Ypsi a man on base, and he was sent around for the score that won the game.

WESTERN — 2

ALUMNI — 7

A star alumni team came back for a game with the Hilltoppers and bested the 1931 baseballers with a final score of 7-2.

AN INFIELD OUT

Freshman Baseball

WESTERN State's Freshman baseball team won three games and lost one last spring, as they defeated the Hope College and Mt. Pleasant yearlings, while Michigan State was conceded an even break in the two games played. The opener on May fourth resulted in a 12 to 3 victory over the Hope College frosh. Ten days later Michigan State's Frosh nine administered the only setback of the season when they emerged on the long end of an 8 to 5 score.

Largely through the efforts of James O'Leary, of Massachusetts, Western humbled Michigan State's aggregation the following week by an 8 to 3 count. O'Leary allowed only three scratch hits.

The final game of the season with the Central State Frosh proved a thriller as Western eked out a 2 to 1 victory in 12 innings. Hornbacher scattered the Bearcat hits and bore down in the pinches in superb style. The ten hits garnered by Western in this game gave them a team average of about .253 for the season.

Coach Gill awarded numerals to 17 freshmen, and service awards were given to three men. George N. Berkhausen of Maple Rapids was elected honorary captain at the close of the season.

Spring Track 1931

THE 1931 outdoor track season was a mediocre one for the Brown and Gold thinclads. The squad, although scoring decisive victories over Adrian College and Ohio Wesleyan, was forced to relinquish its hold on the Michigan State title as well as the Michigan Collegiate Conference Championship. In spite of the low team record, however, there were many brilliant individual performances turned in during the season.

Western opened its spring track activities with a trip to Delaware to take on the Ohio Wesleyan tracksters, and turned in the finest group performance of the whole season. Nine firsts and another first in the mile relay gave the Hilltoppers an overwhelming victory with a final score of 73 to 58.

Two field records were smashed when Kenneth Barnhill heaved the shot 45 feet, 4 inches, and Captain Clair Dutt bettered the discus record with a toss of 138 feet, 2 inches. Besides these records, Ray Swartz lowered Western's record in the two-mile run and also took a first in the mile to shine as high-point man with ten points chalked up to his credit.

The Hilltoppers won by mere inches one of the most exciting mile relays ever run by a Western team. Sam Wimbush, Alvin Norlin, Louis Krill, and Carl Bahre were responsible for the close victory in this event.

Other firsts in this meet included Krill in the 220-yard dash, Harold Balmer in the pole vault, George Lerch in the javelin throw, Wilbur Combs in the broad

KRILL WINS 220 HEAT AT STATE MEET

JONES

EVANS

SCHRIER

KRILL

jump, and Nelson Schrier in the high jump. The latter went an even six feet to defeat Hammond, Ohio Conference champ.

Western, taking first in ten events with slams in six of them, won easily its dual meet with Adrian College. Kenneth Barnhill set a new field record during the meet by heaving the shot 46 feet, 5½ inches.

While the majority on the squad were entertaining the Adrian team on the local field, Coach Smith was at the Drake Relays in Des Moines, Iowa, where he had entered Ray Swartz, George Lerch, and Nelson Schrier in competition with the best college material in the nation. In the high jump Schrier won a fifth with a leap of six feet. Lerch had a bit of difficulty with his step, and failed to place.

Michigan Normal of Ypsilanti handed Western its first defeat of the season by coming in strong on the field events after trailing in the meet by a point only. The final score of the two teams was 87 to 43. Ypsi won a total of ten firsts,

SWARTZ

BARNHILL

GAY

HARPER

including a mile relay which Beatty, speedy colored star, won almost single-handed. Louis Krill snatched two firsts, and Schrier, Barnhill, and Swartz had a first each.

In its next meet Western relinquished the Michigan Intercollegiate State Championship to Michigan State Normal of Ypsilanti. Nelson Schrier, elongated high jumper, was in top form for the affair and turned in a mark of 6 feet, $\frac{3}{4}$ inches to break the old state record by a quarter of an inch.

George Lerch also hit his stride in the javelin, and threw the stick 182 feet, 3 inches for an easy first. One of the big upsets of the day occurred when the little Chamberlin of Michigan State raced his spare 130-pound frame to eke out a margin of 12 inches over Ray Swartz and defeat the Hilltop star in a whirlwind finish. The other Western man to turn in a good performance was Krill, who took a second in the 220, and a third in the 100-yard dash.

WIMBUSH

In the Michigan Collegiate Conference Meet the Brown and Gold lost the championship it had held for two years. The Hilltoppers were forced to see the crack Ypsilanti team take this honor in the last track meet of the expiring conference. Western took third place in the meet.

Coach Smith's cohorts won a varied number of places in the events, among which were two firsts and a quartet of seconds. Krill won a fast 220-yard dash in 21.6 seconds and stepped in second in the 100-yard dash. Lerch threw the javelin far enough to take first in the event, while Jones grabbed a second. Schrier had to be contented with a tie for first in the high jump at five feet eleven and a quarter inches. Barnhill tossed the shot into a second place for that event.

The biggest upset of the whole meet was the sensational victory of Jimmy O'Connor of Ypsilanti over Ray Swartz. O'Connor came in with an extraordinary finish to place first in the mile run.

Nelson Schrier and Louis Krill were recognized for their fine performances throughout the spring season by being taken to Chicago to participate in the National Intercollegiates. In the high jump Schrier earned a tie for sixth place by clearing the bar at six feet, one inch. Krill, in competition with seven of the country's best dash stars, failed to place by a matter of only a few inches.

Ray Swartz was named track captain for the 1932 season.

Indoor-Track

COACH Towner Smith had a well balanced and hard working thinclad outfit for the indoor season. During the season the Hilltop tracksters won a victory over Detroit City College, made a good showing in the Michigan State Relays at East Lansing, and had a representative win a first in the Central Intercollegiate meet at Notre Dame.

SCHRIER WINS AT DETROIT CITY MEET

SWARTZ STARS AT DETROIT

BALMER

BALMER GOES OVER

The first meet of the winter season resulted in a win over the Detroit team by a score of 58 to 46. Ray Swartz broke a record in the mile run by going the distance in the fast time of 4:40.8, and his teammate, Nelson Schrier, went high in his event to break the high jump record with a leap of six feet, one and one-half inches.

At the Michigan State Relays the crack 880 relay team stepped off a first in that event. The team was composed of Cobb, Norlin, Pfingst, and Krill. Schrier took the high-jump and Pedlar got a first in the two-mile grind.

At the Central Intercollegiate meet at Notre Dame, Ray Swartz won the mile over a big field in the time of 4:25.3.

Freshman Track

COACH Towner Smith's Freshman tracksters won two of their three meets last spring when they downed Kalamazoo Central high and the Kalamazoo College Frosh in a Triangle Meet, as well as the Albion College Frosh at a later date. The only setback came at the hands of Grand Rapids Junior College.

In its initial contest Western scored 88 $\frac{2}{3}$ points to down Kalamazoo Central, which placed second. Barnhill of the Hilltoppers amassed three firsts in the pole-vault, shot, and discus.

Grand Rapids Junior College defeated the Brown and Gold thin-clads by a 77 $\frac{1}{4}$ to 52 $\frac{3}{4}$ score. Pedlar set a new time of 10:24.6 for the two-mile course. The local "infants" set a new record in the mile relay when the team composed of Stubberfield, Paine, Pfingst, and Wilson ran the circuit in 3:37.8.

Two new records were hung when the Frosh defeated the Albion College Freshmen by an 87 to 35 count. Myers, the Otsego lad who was high-point man for the day, broke the 120-yard high hurdle time by three-tenths of a second and the 220-yard low hurdle mark by one full second.

SORENSEN, CAPT.

Tennis

THE taking of the State Intercollegiate tennis title, the Michigan Collegiate Conference Crown, and the doubles in the Central Intercollegiate tournament, and the winning of eight matches out of nine played, more than adequately testify to Western's superiority in tennis circles. The Hart-coached aggregation did a fine piece of racquet work and brought state and national fame to the Hilltop institution.

Western opened the season with a trip to Grand Rapids, where they met the Junior College aggregation and gave them a 5-2 trouncing. The score in this case, however, was not an accurate indicator; the contest was hotly fought, and the shifting of a few points in some of the matches might have reversed the result.

For the next match, the fighting Irish from Notre Dame came to the Hilltop. They gave the Westernites a real scare, and the Hartmen felt well satisfied when they found themselves on the right end of a 4-3 score.

Skinny Byrum trounced Matt O'Brien of Notre Dame 6-1, 6-0, and Sorenson drubbed Joe Borda 6-2, 6-2, to win the latter. Here the tables turned, however, and for the next three encounters nothing could down the South Bend aggregation. Kendall of Notre Dame took Loose of Western for a ride in the first, 6-2, 6-2. In the next, Reaume of Notre Dame and Covell of Western fought two hard sets, which Notre Dame won. A good three-set match then took place between Nellis of the Hilltoppers and Mike O'Brien. The Irishman won 6-2, 2-6, and 6-4.

The doubles matches, in which some new combinations instituted by Lee Hart worked effectively, saved Western from defeat. Byrum and Covell, in the number-one match, downed Borda and Reaume 6-4, 6-2. Sorenson and Shoberg also clicked for a 6-3, 6-3 victory over Mike O'Brien and Bob Kendall.

NELLIS COVELL LOOSE HART, COACH
SORENSEN BYRUM SHOBERG

Albion, next on the schedule, gave the Hilltoppers little difficulty. Byrum beat Brown of Albion to the tune of 6-1, 6-1; Sorenson repeated by defeating Peru 6-1, 6-1; and Covell scored a 7-2, 6-2 win over Murray of Albion. Western's only loss in this meet occurred when Shoberg was forced to bow to the Albionite, Brown, after battling in three hardfought sets whose counts were 6-3, 5-7, and 6-4. In the number-one doubles, Shoberg and Covell registered a 6-3, 6-4 win over Brown and Johnston of Albion.

The second doubles match was hotly contested. Loose and Nellis of Western nosing out Murray and Reed of the Methodists 4-6, 6-2, 6-4.

Grand Rapids Junior College then came to the Hilltop for a return match and again lost, this time 6-1. Byrum took Hart into camp 7-5, 6-2, and Sorenson handed O'Conner a 6-1, 6-0 defeat. Covell beat Kempzell of the Jaysees in a 6-2, 4-6, 6-4 encounter, which was tough enough to make an interesting match. Nellis took defeat this time, but only after a stiff battle with a 6-8, 6-3, 6-4 count.

Loose of Western, showing much improvement in this match with Bob Kortlander easily downed the Grand Rapids boy 6-1, 6-0. Byrum and Sorenson defeated Hart and O'Conner 6-4, 6-2 in the number-one doubles. Covell and Shoberg had a little more trouble but also took in the number-two match from Kempzell and Kortlander of the Junior College 6-3, 2-6, 6-4.

May 8, 9, and 10 found the boys on their eastern trip, which brought them their first loss, inflicted by the undefeated Oberlin College racqueteers on a narrow 4 to 3 margin. They won from Detroit City College 5 to 2, and were unable to finish their contest with the University of Detroit on account of rain.

HART, COACH

BYRUM

SORENSEN

The following week Byrum and Sorenson went to the Central Intercollegiate tournament at Chicago, where they won the doubles championship and tied with Washington University of St. Louis in the highest number of points made in the tournament. In the singles, Byrum went to the semi-finals, where a high wind robbed him of his crown, and Sorenson reached the quarter-finals in singles play. The Westernites also crossed racquets in Chicago with Loyola University netmen and returned home with a 6 to 0 victory.

On May twenty-third the Western net team, scoring 6 points to Michigan Normal's 3 and Detroit City's 1, took its fourth consecutive Michigan Collegiate Conference championship. Loose lost in the first round to Arnold of Michigan Normal. Nellis held out until the second, when he bowed to Cieslewski of Michigan Normal, 6-1, 6-3. Byrum and Sorenson both went to the semi-finals, where they met, and Sorenson defaulted to his team-mate. In the finals Byrum defeated Cieslewski of Michigan Normal 6-0, 6-4.

The climax of the tennis season came in the State Intercollegiate tournament held at East Lansing. Here Western led all competitors with 14 points. Kalamazoo College had 9, and Michigan State, University of Detroit, and Michigan Normal all tied with 7 points apiece. In the singles, Shoberg was put out in the first round with Loose and Nellis surviving until the second. Byrum and Sorenson downed all their opponents to meet each other in the finals, in which Byrum clinched the State Intercollegiate crown.

In the doubles Nellis and Loose lost out in the first round, but Byrum and Sorenson made a clean sweep for their doubles title.

LOOSE

NELNIS

Freshman Tennis 1931

WESTERN'S freshman net team in the 1931 season, hit a .333 percentage. The first year netters were limited to a schedule of four meets, which included encounters with the Michigan State Freshmen, University of Detroit Freshmen, and two contests with the Detroit City College Freshmen. Of these four encounters two were won, one was lost, and one was rained off.

The Freshmen opened their season in the gloom of defeat when they bowed to the Michigan Spartans on a 6-1 tally. The only man to win his match that day was Sullivan. A very spectacular match took place that time in the number one singles, in which White of State nosed out Laevin of Western. The first meet with the Detroit City Frosh was rained off. On May 26 the Westernites cleaned house with the University of Detroit Freshmen, by taking the meet 7-0. The final contest of the season with the Detroit City yearlings was a corker in which the Westernites were nosed out by their opponents 4 to 3. The men composing the Hilltop freshmen net team were: Ben Laevin, Maurice Glaser, Trueman Gilbert, Ed Sullivan, and Al Van Duren.

Varsity Cross-country 1931

LED by the flashy performances of Captain Ray Swartz, who won every run in which he participated in the fall of 1931, the cross-country team enjoyed a successful season, in which they won every dual meet and took second in the Michigan Intercollegiate.

Ray Swartz, during 1931, turned in the best cross-country record he has ever made at the Hilltop. He placed first in every meet, including the state intercollegiate, and added to his college performances a record-setting victory in the annual *Kalamazoo Gazette* Thanksgiving Day Run.

Coach Towner Smith was fortunate in having a star group of harriers with which to work throughout the season. Captain Ray Swartz, ex-captain Varnard Gay, Lawrence White, and John Van Eck were all thinclad stars who had run for the Brown and Gold since coming to Western. Herbert Pedlar and Earl Sonnenberg came up from the 1930 Frosh team and worked in well with the veterans.

Detroit City College was the first school to feel the power of a Smith-coached cross-country team and succumbed 17 to 42. Loyola University of Chicago, reputedly strong, was sent back nursing a 15 to 40 defeat, and in the next meet Western bested some of Detroit's greatest harriers to win over the Y's there by a score of 20 to 35. Western, stepping aside for Michigan Normal, took second in the state meet, but Swartz copped first place in 21:51, by nosing out O'Connor of Ypsi in a strong finish.

Freshman Cross-country 1931

A FAIR-SIZED group of Frosh thinclads came out to compete for places on the yearling team in the fall of 1931 and went through a successful cross-country season.

The annual novice run usually uncovers some excellent Freshman prospects, and the one last season was no exception. Welcome Steele, St. Joseph, crossing the line in front of several varsity men, looked especially good in winning a second place.

The first real meet of the season was that against the Freshman team from Detroit City College. While the Varsity was taking its Detroit opponents into camp, the Frosh had little trouble stepping out a 21-35 win over the Detroiters. The meet was won by Root in 11:15.4, and a second went to Knowlton.

Welcome Steele again showed his superior ability in the All-campus Run, held November 7, when he romped through the woods and gullies to win the three and one-half mile grind in 19:52. Knowlton was nosed out of second place by Carl Bahre of the varsity. In this meet the Freshmen gave display of potential power when several men showed up well. The first six Freshmen to finish were Steele, Root, Ensfield, Marolf, McCormick, and Sheathelm.

The last meet of the season was dropped to Michgian State Frosh in the Michigan Intercollegiate run over the Western course. The score was 24 to 33.

CHARLES MAHER, DIRECTOR

Intramural Athletics

INTRAMURAL sports played a prominent part in the activities of the college this year. The program was again enlarged with additions in volley ball, archery, and tennis. Hundreds of Western men are benefited every year by this program, which offers splendid opportunities for recreation and physical development at the same time.

During the fall a tennis tournament, novice and all-campus runs, and a club volley ball tournament took place. Basketball was the outstanding activity of the winter term, and contests were held in club, class, and rooming house divisions. An indoor baseball league, as well as contests in basketball, free-throwing, handball, and archery, was formed in the winter term. Toward the close of the winter term a wrestling and boxing tournament was held. Spring sports include playground ball, horseshoes, archery, tennis, and golf.

These activities are under the direction of Charles Maher, who deserves much credit for the splendid intramural program he is providing for Western men. Mr. Maher's contests are run off with a minimum of friction and are so conducted as to create a lively interest in sports of various types and to maintain a splendid spirit of friendly rivalry between the various combatants.

THETA CHI BASKETBALL WINNERS

MONROE	DANIELSON	SHOBERG	SORENSEN	MORGAN
COMBS	WOODS	APPELDOORN	BAILEY	WYNN

The National League champions were the Sigma Theta Gamma house players. In the final playoff for the house-league crown, the players residing at 724 Davis street were victorious. They nosed out the fraternity men in a hotly fought 35 to 33 contest, which proved one of the outstanding drawing cards of the season.

INDOOR BASEBALL

Indoor baseball also came in for its share in the winter intramurals program. A league of six teams was formed and a series of contests was run off in which each team played ten games. The Sigma Theta Gamma soft-ball players got off to an early start in the league and maintained a no-loss lead, winning the league championship on a 1.000 score.

VOLLEY BALL

A new innovation on the intramural program this fall was the club volley ball tourney. Six organizations entered teams in this sport, and a lively contest ensued. The Manual Arts Union got off to an early lead, which they maintained throughout the entire tournament to finish undefeated with a 1.000 score. Other teams vieing with the Manual Arts Union were the "W" Club, Sigma Theta Gamma, Theta Chi Delta, Forum, and the Band.

MANUAL ARTS VOLLEY BALL WINNERS
 SMITH MC DOWELL WERGER TAYLOR
 FRENH SLEUTEL DONLEY

CLASS BASKETBALL

Class basketball with its close competition furnished plenty of interest throughout the basketball season. Eight teams composed of some 70 men collectively put up a real struggle for the class court honors. Each team played 13 games, a total of 104 games in the league. Of these eight teams three frosh teams were entered, three soph teams, one junior team and one senior team. Elliot's Frosh finally took the class title and certainly were not green when it came to basketball handling. On their initial game the Elliot Frosh met defeat but this was no indication of what was to come as they swept through the rest of the season with a record of 11 wins and only 2 losses, giving them a percentage of .846. In the final game of the season the Frosh lost their chance for the college championship by bowing to the Theta Chi Delta team.

CLUB BASKETBALL

Twelve lively organizations vied for the club basketball championship this year, which was won by the Theta Chi Delta fraternity team, which also took the school championship. Each team played 11 games, a total schedule of 144 games. Over 125 students participated in the club fray and added interest to this contest. Theta Chi Delta went through the season almost undefeated, except for a loss to the Sigma Theta Gamma team, which they trounced later in the season. After winning their club championship on 10 wins and only one loss, they went after the school title and also took that into court by defeating the Elliot's Frosh 35 to 14. The percentage for the Theta Chi Delta was .923.

At the close of the regular Club League schedule three teams were tied for first place: Manual Arts Union, Sigma Theta Gamma, and Theta Chi Delta. Theta Chi Delta won the league title by wins over the first two.

HOUSE LEAGUE BASKETBALL

With sixteen teams coming out for the rooming house contest it was necessary this year to divide this group into two leagues. This was done, and in the house division an American and a National league were formed. Both the American and National league winners went through their season undefeated, batting 1.000. The American League victors were the basketeers representing 724 Davis Street.

ELLIOT'S FROSH TEAM
FOSTER LISKEY ELLIOTT
KAMETH DEGNER BARNABO

WRESTLING

Wrestling under the direction of Nels Hanson again had its place in the intramural activities, and twenty-two men spent their afternoons shuffling around on the mat in order to improve their grappling ability. This training period ended with a wrestling tournament of six interesting matches. In the 125-pound class Paul Giannola threw Ward Schantz. Earl Jones maintained his heavyweight title by defeating Nels Hanson. Edward Maynard won the 135-pound tilt by downing John Tishuck. In the 145-pound contest Wendell Scutt made short way of Bob Butler. The 158-pound contest went to McMahon, who threw Myers. Elbert DeWeerd finally came through on the 175-pounder, defeating William Krueger.

WRESTLING

MAYNARD	HANSON	GIANNOLA
MAC MAHON	JONES	KRUEGER

BOXING

Boxing this year was in charge of Bernard Davis, whose men demonstrated the results of good training when they helped stage Western's annual wrestling and boxing tournament this spring. In the 135-pound class Joe Goldberg punched out a peppy victory over Bob Jeffries. Donald Jackson, veteran puncher, maintained his claim to the 175-pound title by out-pointing Omar Sanderson and Henry Murray.

The only knockout in the tournament came when Ralph Birkhold floored John Van Eck in the second round. Omar Sanderson retained his title in the 145 pound division by disposing of Paul Krueger in a tough battle. The upset of the tournament occurred in the final match, in which Paul Jackson, a freshman in the 175 pound class, took the decision from the more experienced Nels Karling.

Women's Physical Education Association

THE Physical Education Association is a campus organization composed, in the main, of those girls specializing in physical education, although it is open to all girls interested. It is the aim of the group to bring before its members those phases of physical education not touched by the work of the department, to create an interest in fields outside that of physical education, and to provide some social activities for the members. Meetings are held twice each month, and every effort is made to realize the aims of the group through these meetings.

Much of the interest of the association this year, and for two or three preceding years, has centered about the "shack"—financially, and as a source of recreation. For the past four years the planning and building of this "shack" has been the chief project of the organization, and finally in the Fall of 1931, equipment was installed and the place was ready for use. This all came about in time for the members to entertain the alumni there at breakfast on Homecoming Day and since then the "shack" has been the scene of many enjoyable parties, both of the entire group and of the separate classes. Various means for raising funds have been carried out, including social dancing classes and a carnival, as well as class projects. The alumni have also assisted with the finance problem.

One of the outstanding activities of the Spring Term is the annual overnight trip to the sand dunes of Lake Michigan, and this year was no exception. For those who went it stands as a never-to-be-forgotten occasion and will remain a happy memory—in spite of the rain.

The June Breakfast might be considered the climax of the year's activities. At this time the members of the association, alumni and guests gathered together for a last meeting. The scene was laid in Sherwood Forest. Lillian Wallace, as

	WALLACE	SEVERANCE		ANDREWS	MOORE	HURT	DOWNES

Robinhood, acted as master of ceremonies, and she was ably assisted by Friar Tuck; Little John and other well known characters of the merry band.

This year a student council was created within the department with an aim of maintaining the high standards of the group and serving as a student voice in the management of departmental affairs. An earnest effort is made to promote a feeling of coöperation among the students and between the classes. Those problems which have come before the Council this year, though not numerous, have been efficiently handled, the council has more than proved its usefulness as a worthwhile activity of the group and will probably become a permanent part of the organization.

Soccer

The opening event for women's athletics for the year came with the soccer tournament. Competition was keen, indicating that the title of the championship would not go without a struggle; in fact, the Juniors and Seniors never did settle the score and had to be content with joint honors for first place, because they were unable to break a 1-1 tie in the final game. Hollis Moore captained the Seniors and Eleanor Kreuger the Juniors. The Sophomores placed second and the Freshmen third, but the style of play exhibited by the two last indicates that competition will be maintained at a high pitch in the future.

JUNIOR SOCCER TEAM

HURFELL	LAWRENCE	VAN VYVEN	MC WILLIAMS	SCHIMMOLA	JOHNSON
ANDERSON		SOLINPACK	KREUGER	THOMSON	WEEKS

HOCKEY

Volley Ball

Volley ball came in for its usual amount of interest and rivalry and nobody had the championship "on ice" until the final game was over. Again, the Seniors, led by Eunice VanderBrook, proved that experience is a valuable asset, defeating the Freshmen in the final game, 26-18 and winning the tournament. Sophomores placed second in the tournament by virtue of close victories over the Freshmen and the Juniors, the Freshmen placed third and the Juniors last. Volley ball seems to be the specialty of the present Senior class. In the last four years they have been volley champions three times.

Baseball

Baseball proved in 1931 to be one of the least-contested tournaments. The

 MC DOWELL SEVERANCE ANDREWS WALLACE WOLFE

Seniors, champions for three years, had lost much of their strength through graduation and fell easy victims. They placed third in the tournament. The keenest competition came in the Sophomore-Junior game, which the Juniors won, thereby demonstrating their right to the championship.

Basketball

The basketball tournament this year produced some very fine games and competition ran high between the classes. When the final game had been played, the Sophomores, captained by Katherine Hudson, were in first place having defeated all their opponents, although the Seniors, who placed second, were unwilling to be trounced and fought till the last minute in the game which left them on the short end of a 44-41 score.

She: Did you get mussed up when you were on the eleven?

Jack: No; it was while the eleven were on me.

FORESIGHT

"I suppose you attribute your great success in life to your own foresight," said the magazine biographer.

"Yes," answered Mr. Dustin Stax.

"In what way did it manifest itself?"

"In picking out smart lawyers to look after my affairs."

METAMORPHOSIS

There was once a young cowboy named Raddle,

Who could ride without stirrups or saddle.

Yet one week at school

Made him alter his rule;

Now he bolts at the sight of a paddle.

She: But, dear, we can't live on love?

He: Sure, your father loves you, doesn't he?

Modern Mother to Her Child: And Al Capone will gat you if you don't watch out.

SHE WEARS A SQUARE CUT DIAMOND

Not simply because it is the modern thing to do, but because she feels it more accurately expresses the age . . . she is eager for new beauty. Her sleek motor car is a masterpiece of automotive engineering, not because she is reluctant to appear old-fashioned but because she finds its streamlined luxury more effective . . . she responds to the quickened tempo. And by such things we know her, this young modern,

for she expresses her own age and not her grandmother's. The result is impressive.

We who deal with designing books can well assume that the same successful results would follow the same sincerity of thought. In designing books we must primarily consider the accuracy with which they reflect the age. They should be modern in the strictest sense of the word. If they are less than modern, they are, at best, imitative.

Today's book must mirror today's spirit. It must have a new beauty . . . a quickened tempo.

For some, such an objective presents unsurmountable difficulties. There are others who find such an objective more interesting than difficult. To be sure, it is easier to continue producing books distinguishable from their predecessors only by the date of their copyrights, easier, yes, but terribly tiresome, we think.

A fraternity once sent its curtains to the laundry to be cleaned and the windows remained entirely unveiled for three days before the climax arrived. It was in the form of a note from the sorority next door.

"Dear Boys:

May we suggest that you obtain curtains for your windows? We do not care for a course in anatomy."

And the boys answered:

"Dear Girls:

The course is entirely optional."

BREAKERS AHEAD

Office Boy: What's worryin' the boss?

Stenographer: He just found out his son will be allowed to graduate from college this year.

HISTORICAL

Six-year-old Ruth, who had recently started in the first grade at school, came home proudly exhibiting a picture of George Washington and his men in a boat. In explaining the picture, she said:

"This is George Washington crossing the silverware."

Mona: "Thank God for a few exceptions."

X is the Roman notation for ten.
X is the mark of illiterate men.
X is a ruler removed from the throne.
X is a quantity wholly unknown.
X may mean Xenon, a furious gas.
X is a ray of a similar class.
X mas is Christmas, a season of bliss.
X in a letter is good for a kiss.
X is for Xerxes, a monarch renowned.
X marks the spot where the body was found.

BIG-HEARTED

As the train pulled into the depot a traveling man stuck his head out of the window, and calling to a boy standing near, said: "Here, sonny, bring me a sandwich, and here's another dime, get one for yourself."

Just as the train started to pull out, the boy returned, munching a sandwich, handed the man a dime and shouted: "Here's your dime, Mister, they only had one."

"Don't you wish you was a bird, Jimmy," mused little Jean, dreamily, "and fly away up in the sky?"

"Naw!" snorted little Jimmy. "I'd rather be an elephant and squirt water through my nose."

a matter of degrees

The enjoyment of electric and gas service depends, much like an education, on the degree to which it is used.

Wires and mains, like brain cells and nerve centers, are full of potential energies needing but to be called upon to bring to you new realms of convenience, helpfulness and comfort.

These services are aiding in creating new standards of living, in shortening and lessening domestic labor and through the allowing of more time for relaxation, leisure and recreation, such services contribute to health, and longer and fuller lives.

These advantages, both economic and personal, are yours for but a few cents a day — one of your soundest investments — Electricity in the home now DOES MORE—COSTS LESS than ever before.

MacDonald and his wife stopped in front of a restaurant window, in which was hung a card bearing the words: "Luncheon from 1 to 3 p. m., 40c."

"We'll have our dinner here, lassie?" said Mac. "Two hours steady eating for 40 cents is no sae bad."

DUCKING THE JAWBREAKERS

"How is Viola getting along in the talking pictures?"

"Oh, all right, I guess. They've given her a double for the long words."

TOO LATE

Joe was rather disgruntled after his first real dancing party with programs and everything, for it seemed that he didn't have an opportunity to dance with the damsels of his choice.

"Well, how did it happen?" asked his interested grandmother.

"Aw," grumbled Joe, "I got in too late, after they had handed out the score cards!"

FAMILY RESEMBLANCE

Visitor (speaking of the little boy)—
"He has his mother's eyes."

Mother—"And his father's mouth."

Child—"And his brother's trousers."

SWEET MEMORY

Wifey (hubby's former secretary):
Where were you all evening, you brute?

Hubby: Honestly, honey, I wasn't at
the office.

HIS MISTAKE

Policeman—Hey, come out of that! No
bathing allowed 'ere.

Dignified Man (in pond)—Pardon me,
I'm not bathing—I'm drowning.

DISGUISED

"Where did you get that funny dog?"

"It's a police dog."

"I never saw a police dog that looked
like that."

"He's in the secret service."

NO WONDER IT WORKED

The customer whose account had been
outstanding for some months called round
and paid up.

"That letter you sent me did it," he said.
"I've never seen one like it. Why, it would
get money out of a stone. How did you
put it together?"

The business man smiled sadly.

"I chose the best bits out of the letters
my boy sends me from school," he ex-
plained.

Dejected Lover: Is there no hope for me?

Object of Passion: I dunno. What're you hoping for?

REVISED PROVERBS

Look before you cheat.

He that flunks and knows his bizz lives to flunk another quizz.

Procrastination is the sign of the times.

If at first you did not win, date, date, and date again.

All are not girls that giggle.

He who hesitates is the boss.

A miss is as good as her environment.

Love suppereth long and he that dines her must pay the pieman.

"Has the depression hit the churches?"

"Why, even the wages of sin have been reduced."

Among those enterprises which depend for success on implicit faith are love, democracy, and hash.

Some men wake up to find themselves famous; others stay up all night and become notorious.

FATHER'S DAY SONG

By Scott Corbett

Tune of That's Why Dankies Were Born
Some one had to buy the text books,
Some one had to buy the clothes worn;
Some one had to pay
For Junior's college play
And that's why poppas were born!

Some one had to pay tuition,
Slave till night from early morn;
Some one had to send
A check for each week-end
And that's why poppas were born!

Send! Send!
Send when your sonny
Demands it of you.
Send! Send!
Money, more money,
For bills that are due.

Some one had to pay for frat pins,
A co-ed's heaving breast to adorn,
Some one had to curse
And furnish the purse
That's why poppas were born!

IMPERTINENCE

By Lucy Carruth

I know that I told you I wanted the moon,
And you gave it to me with a will.

It's perfectly sweet and I like it a lot
I find it enchanting, but—still—

It isn't just what I thought it would be;

You can put it back, if you don't mind.

That cute little star is the thing I should
love—

Not that one, the one just behind.

"Have you read Thoreau's *Essay on Civil Disobedience*?"

"Naw. I am a good, honest Republican."

Harvard Man: Who knocked on the door of my bath house?

Attendant: It was me.

H. M. (to second H. M.) What is he trying to say?

Prof: I'm a self-made man.

'32: That relieves some one of an unpleasant responsibility.

"Do they have any restrictions at your university?"

"Only one."

"What is it?"

"Don't get caught."

Captain: Do you know anything about ships?

Reggy: Oh, yes; I've been a shipping clerk in a dry goods store for years.

Joe: When I first got in to the Copley, I thought that I had forgotten my ticket. I had some fright.

Moe: Yeah, I noticed her.

WHAT A RELIEF

Student "Why don't you laugh at the
prof's jokes?"

Silent One: "I don't have to, I am get-
ting kicked out next week."

KING DAVID'S TEAM

Teacher: "George, who defeated the
Phillistines?"

George: "Aw, I don't know. I don't fol-
low those bush league teams."

UP-TO-DATE DUCKS

Mary's mother raised a large flock of
wild ducks this year. One windy day they
all took to the air. Mary never had seen
them on the wing before and ran to her
mother, saying, "Oh, look, mother. Our
ducks all have airplanes!"

FRANK CONFESSON

"So you want to marry my daughter,"
said the man. "Who put you up to com-
ing to me about it?"

"To tell the truth," sighed the young
man, "it was the banker who holds my
notes."

First Neighbor: What is your son tak-
ing at college?

Second Neighbor: All I've got.

Compliments of

A F R I E N D

THEY FREEZE

"Yes, isn't it strange that when people get frozen they rub their limbs with snow until circulation is restored?"

Benevolent Old Lady—But what do they do with the poor people in summer?

LIVE WIRE

Chief: That traveling salesman of Smith's managed to foist a lot of rubbish on us. What can we do about it?

Manager: Couldn't we offer him a job here at a higher salary?

HARD TO TELL

Mistress—May, I saw a man kissing you at the back door last night. Was it the postman or the policeman?

Maid—Was it before eight o'clock or after?

AT HIS LEISURE

Doctor: Give up smoking, captain, and you will prolong your life by 20 years.

Captain—But isn't it too late now?

Doctor—It's never too late.

Captain—Then I'll start in ten year's time.

AN EXAMPLE

"I say, old chap, what's the difference between 'abstract' and 'concrete'?"

"Well, when my wife promises to make a cake, that's abstract; when she makes one it's concrete."

HE KNEW HER

"Gimme a pair of lady's gloves," growled the irascible old gent to the clerk at Hudson's glove counter.

"What size did you wish?" she asked.

"Size or shape or color don't make any difference," he snapped. "Just gimme any old thing. You see, no matter what I buy her she'll bring it back, anyway."

THE AMERICAN LANGUAGE

"Who's that big cheese over there?"

"Some big butter-and-egg man."

A NECESSITY

Two men, who were but mere acquaintances, were discussing a lecture.

"Are you going to attend?" asked one.

"Oh, yes," was the reply.

"I'm not; it's bound to be most boring, I'm sure."

"I'm sorry you think that way, but I must attend. You see, I'm the lecturer."

From a Friend

of

WESTERN STATE

GOOD ADVICE

Dean Inge's advice to girls cannot be bettered: "Have nothing to say to a man who is not liked and trusted by other men."

LESSON IN TACT

Mrs. W. F. writes: "Six-year-old Edwin wanted to continue playing, but I told him he must go to bed."

Looking up at me, he said: "Mummie, don't say 'must' to me. It makes me feel 'won't' all over."

CIRCUMSTANTIAL EVIDENCE

Willie and Jack were two youngsters pugilistically inclined.

"Aw," said Willie, "you're afraid to fight; that's all it is."

"No, I'm not," protested Jack, "but if I fight, my ma'll find out and lick me."

"How'll she find it out?"

"She'll see the doctor goin' to your house."

DUMB

Small Child: "Sister, what made the tower of Pisa lean?"

Stout Sister: "I wish I knew, darling, I'd take some myself."

Satire Versus Humor

THE average hard-working student would not be particularly disconcerted at discovering that, although the division page heralding this section reads, "Humor," the inexorable and rigid laws of the printer have decreed that underneath all the pages in this section there should be the word "Satire." Be that as it may, for it represents a great mental struggle on the part of your humble editor-in-chief and the editors of this section, Mona Williams and Harold Pigott.

It seems that there was an astounding sterility of people, institutions, and customs to be satirized when it came to writing the thing.

Take Theta Chi, for instance. Its members are a pretty good gang of fellows. It was more apparent when we came to satirize their organization.

And the Academy girls are a fine bunch of girls also. And the same with the Forum, the Senate, and other organizations with which we had expected to have many things to find fault.

And may we confess also that our own abilities in the line of cruel and biting sarcasm were not so completely matured, shall we say, as they might have been?

Well, anyway, there was the word, whether "yes" or "no," to be rushed to Ihling Brothers, who were the printers of this fine volume.

We had to decide!

Would we be proud of our satire in the finished volume? Would it add anything to the volume?

We, the judges of this weighty question of "Humor Versus Satire," had to decide!

And that decision had to come quick we knew, each one of us, as we stared wild-eyed at one another there in the Brown and Gold office.

And, lo! we decided.

With a great sigh of relief Mona Williams tore the sheaf of papers that bore our satirical efforts!

—The Editor
