At times you stand alone . . .

The red brick and many hills are familiar to all, but this facade is only a shell that is filled by you. As you look at the faces of Western, let experience—past, present and future, be your guide.

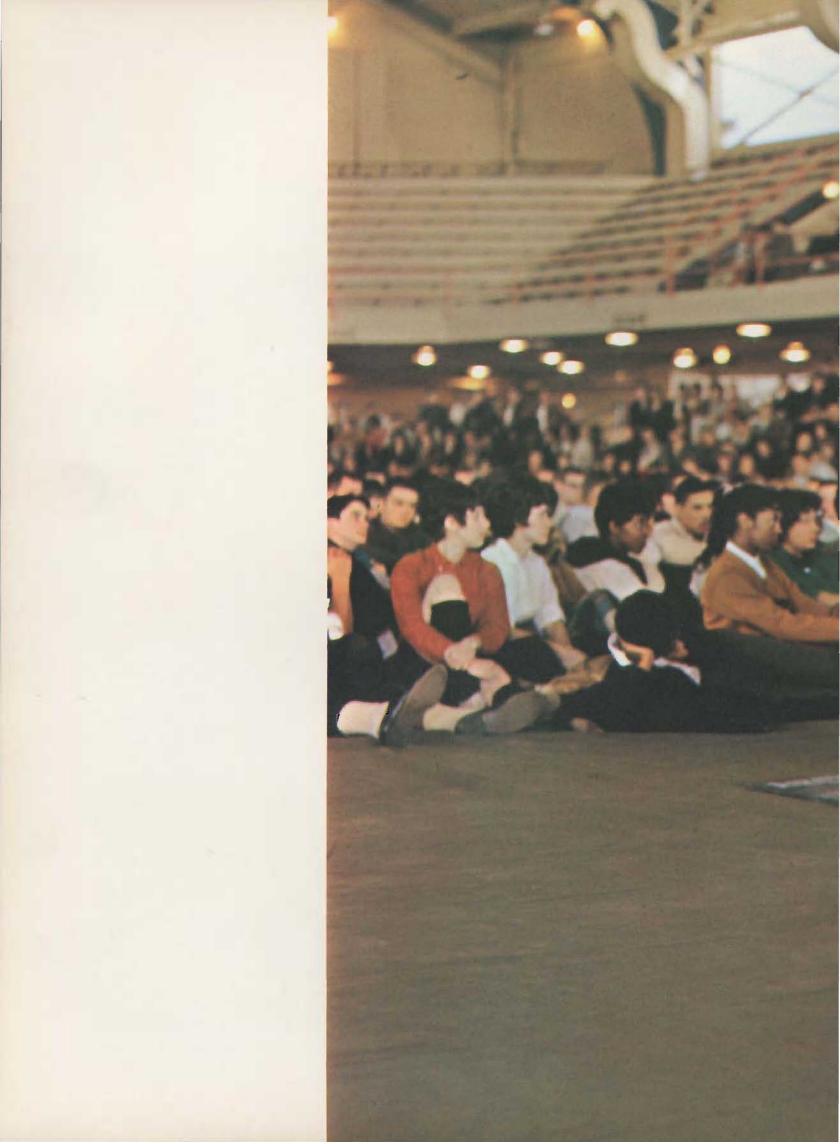

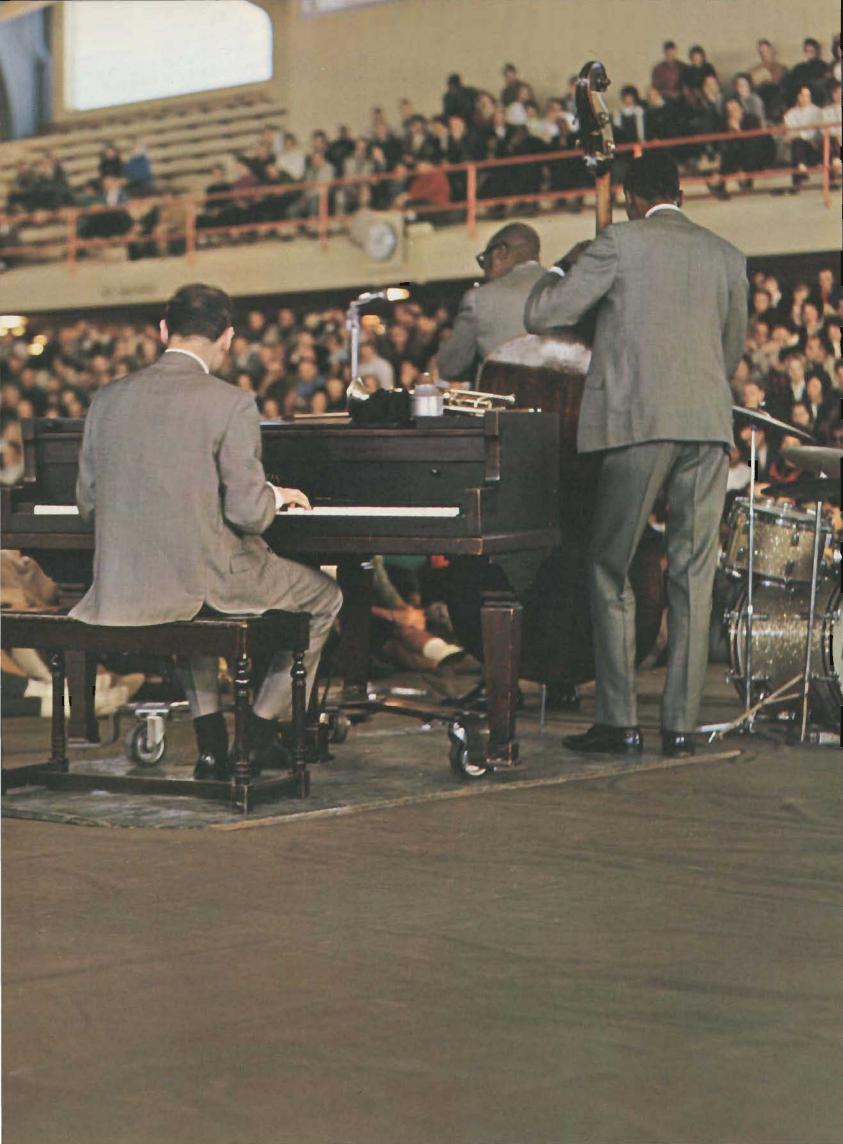

Alone in the crowd

You shall never be alone . . .

A new president speaks.

Dr. and Mrs. Miller.

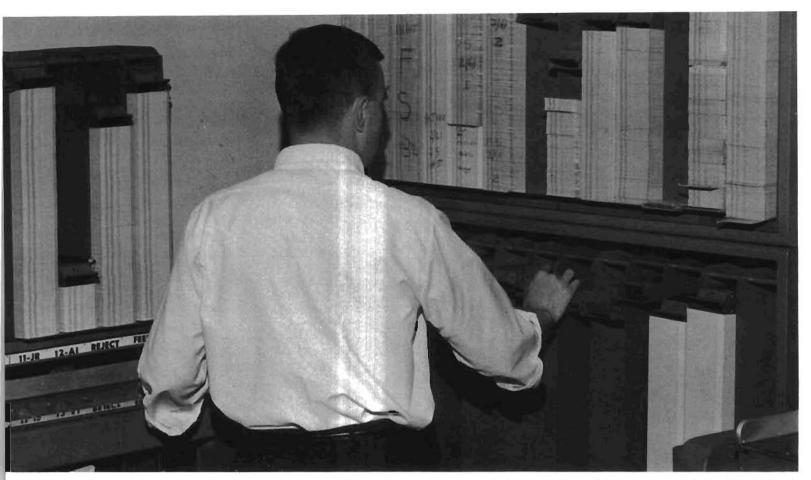

The processional.

I wish these people would stop putting staples in their class cards.

No longer do we have to return to the agony of long lines at registration, the only waiting is done by I.B.M. cards as they are put through the machines in the Ad building. With this new system and short classes for the first few days, everyone can take full advantage of all the campus activities.

Hmmm, Bill Badger registered for Women's P.E.

Well-first day, first cut.

The decision to enter fraternity or sorority life often baffles the freshman. To add to their confusion there is a procedure known as Rushing. During this period prospective Greeks get the opportunity to meet the active members and join in their activities. Rush is ended by the distribution of invitations to pledge by the various fraternities and sororities.

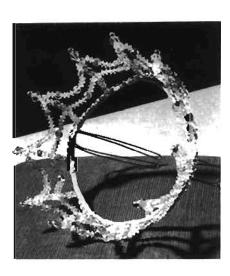

And why shouldn't I be happy-I'm paying for it.

A typical scene at the damp Homecoming game. Umbrellas were definitely in order.

"Once upon a time" there was a Homecoming week-end at Western, complete with frantic, last minute preparations by nearly everyone and RAIN. But even with the weatherman against us, the festivities were a complete success. And what could be better, Western 20-Marshall 0.

Surely no one could complain for lack of activity during this week-end. Nor was there a lack of truly great music. It's just too bad that there can't be a Homecoming every week-end — that is if your pocket can stand it.

Chivalry is not dead. Just ask the women of Western as "twirp" week approaches. The highlight of the week-end was the "At 'Em Eves" dance sponsored by the A. W. S. Not only do the women open doors, carry trays, pay for the evening and arrange the date, but they also buy an extra late per. Closing time is 12:30, but because of "Penny Night", a penny a minute will enable her to cater to her drag until 1:30.

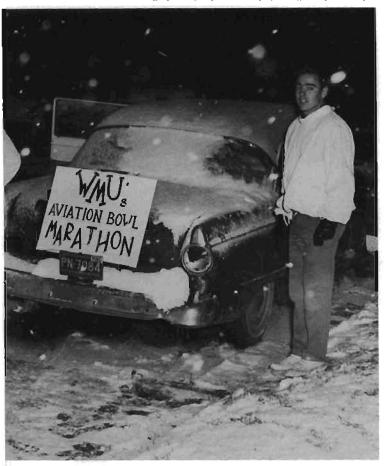

And I'll bet they weren't even warm.

DAYTON BILLIMO RE A HILTON HOTEL Closure WESTERN MICHIGAN IST AVIATION BOWL

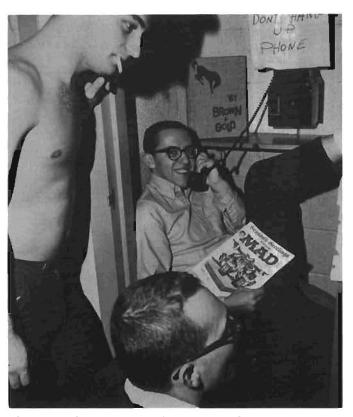

Western's first bowl game may not have been the most spectacular nor the biggest, but it was definitely the coldest and wettest. The Aviation Bowl, also a first, was sponsored by the Dayton, Ohio Junior Chamber of Commerce. Featured Friday, a jazz concert and dance, Saturday a parade followed by the game. Wet snow began to fall at 7:00 A. M. Saturday, just in time to turn the parade into a sled race. By kick off, freezing rain took over to cover the game with one big icicle. As is now history, Western was defeated by the Lobos of New Mexico, 28-12. Despite bad weather, Western's spirit was at an all time high. Very few students were able to make it to Dayton, but those that did were sure proud of their team. The band was on hand to march in the parade and provide half time entertainment. An added attraction was twelve men that ran a relay from Kalamazoo to Dayton to present the team with a good luck letter.

Western's campus is a busy place, especially during finals. Of course, one musn't forget to call his favorite girl.

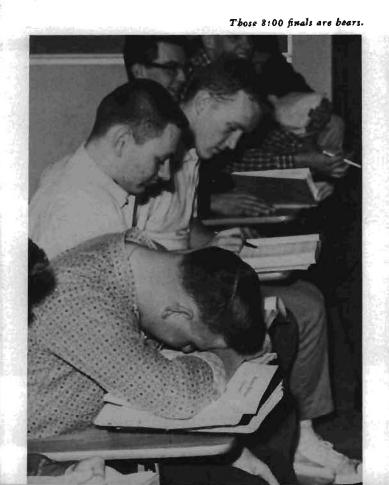

Then after a hard night at the library a stop for a session with friends and classmates is always in order. But the first final the next day may present a bit of a problem.

No, I'm sorry, but you can't bave my bistory notes overnight.

The Men's Union Snow Carnival provided a fun-filled week for all again this year. The festivities began with the Queens' contest followed by the beard judging. Friday there was a Union party, the traditional carnival and sock hop.

Saturday the snow sculptures were unveiled after a long cold night of work, but "Cannonball" Adderly came to the rescue to warm the climate with his jazz sounds. In the evening Bobby Davidson provided the beat at the climax of the week—the Snow Ball dance.

Western's Art Department offers many fascinating classes. Among them is this class in ceramics.

The International Club enjoys dancing on a Saturday night.

Though sometimes we try to forget, most of our energy is consumed by studies. Cramming, creating, discovering and failing all represent the frustrations and satisfactions which only classes can create. But then, we can't allow classes to consume all of our time. Interesting and enjoyable diversions also deserve our attention.

Western HAS become one of the leading contenders in Michigan's collegiate sports circles, featuring track, baseball, and football.—Congratulations to the respective coaches and teams.

Greek week is filled with many busy days for Western's fraternities and sororities. The weekend features the classical "Toga Twirl", the Greek week picnic, and individual Greek activities. One of the feature events of little sisters' week end is the precision swimming of the water sprites. After many hours of planning and work the show is invariably a success.

Perhaps the most anticipated event scheduled in the spring is the traditional Cotillion. Dim lights, soft music, an exotic setting, and a very special date create a lasting memory for every Cotillion-goer.

It is too bad that the beautiful weather of June has to be spoiled by finals. One consolation is that with the end of finals, comes the end of another school year and everyone goes his separate way. Come next September, the classes we are getting sick and tired of will look pretty good.

The end of another year for some, but the end of college life for others. The goal of a student is to receive his or her diploma, but not all can withstand the gauntlet of education.

These pictures represent only a very few of the noted speakers and lecturers that our campus has hosted. Not to mention the achievements made by our own faculty and students. Let it be said that this sampling represents the intellectual atmosphere of Western. It is evident to those who wish to attend these events that we need take a back seat to no university for a variation of extracurricular lectures, writings and seminars on or off campus.

"Cafe Espresso" was presented as this year's Brown and Gold Fantasies. This was the first Fantasies since the 1959-60 season due to the lack of a script. This year, however, Gerald Nye presented a superb interpretation of Greenwich Village life. The all-student cast, under the direction of Jerry Bovenschen, staged the musical production with the greatest success. Above our staff photographer, Phill Frye, brings forth the mood and feeling of Fantasies.

The W.M.U. theater group had a most successful season again this year, highlighted by i tour abroad for the "Tender Trap" cast. Back on campus "J.B." was produced along with several other plays. "J.B." was unique in the fact that it is a modern day adaption of the Biblical book of Job.

The symbolism of "J.B." is noted here as one of the principal characters, J.B., watches over his injured wife with two civil defense men standing by.

The President discusses the work of the day with his secretary.

THE PRESIDENT

Moving with caution, but with decision when needed, James W. Miller has captured the imagination of the Western Michigan University family. In the brief period since he assumed the presidency he has been confronted with myriad problems from students to legislative, meeting them with an inquiring mind, a willingness to listen, a refusal to sidestep issues; winning strong support from those working with him. He has continued the commendable practice of former President Paul V. Takon from NEWS MAGAZINE of Western Michigan University.

Sangren of keeping his office door open during much of the day and talking with any who seek his counsel. Dr. Miller has shown great ability to master the complex background of a large educational institution, working well with its academic, financial and public problems. Those close to him are pleased with his ready grasp of the problems, of his willingness to discuss key points, of his refusal to be panicked by events about him.*

Dr. Russell H. Seibert was named vice-president of academic affairs in 1956. Prior to this time he held the position of director of basic studies and professor of history. Dr. Seibert received his B.A. degree from the College of Wooster, his M.A. from the University of Chicago and his Ph.D. from Ohio State University.

A graduate of Western, Dr. L. Dale Faunce returned to the campus in 1956. Since that time he has held the position of vice-president of student services and public relations. Dr. Faunce received his M.A. from the University of Michigan and his Ed.D. from Michigan State University.

THE VICE-PRESIDENTS

Dr. Russell H. Selbert.

Dr. L. Dale Faunce.

Deans J. Towner Smith and Elizabeth Lichty.

THE DEANS

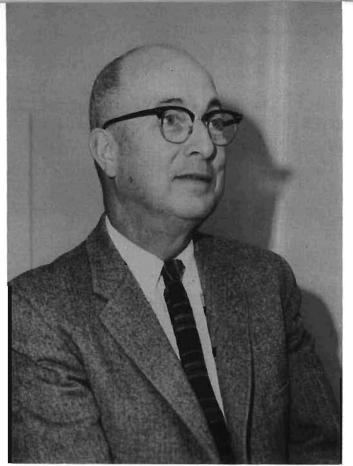

Because of Western's constantly increasing enrollment, there is a great necessity that there be a means of contact between the students and the administration. In addition to counseling and forming policies, the deans serve as this contact. They meet directly with as many students as possible to exchange ideas and further understanding.

Dean Smith and assistants, Francis LeMire and Joseph Serra.

Dean Liebty and assistants, Marie Stevens and Charity Risher.

Mr. Donald Scott, Director of the University Student Center.

ADMINISTRATION

Mr. C. B. MacDonald, Comptroller.

Doing an excellent job of co-ordinating the functions of a large university, the administrators are busy people. Yet, whether they deal specifically with finances, maintenance or public relations, they all are interested in discussing individual problems with any student. For the friendly atmosphere, created by this personal interest, the students are grateful to the administration.

Mrs. Betty Householder, Assistant Dean of Women and Social Director.

Mr. Bruce Kocher and Mrs. Angela Troccko work in the busy Records Office to keep student files straight. Grades, transcripts and all matters pertaining to registration are bandled here.

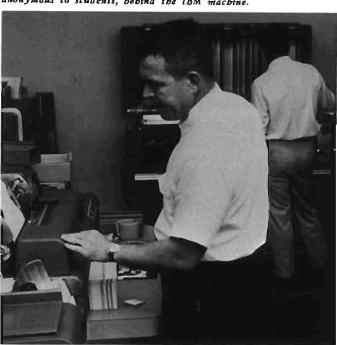

Mr. Russell Gabier and Mr. Clifford Sjogren confer often with Registrar Clyton Maus, who is considered by many to be the busiest man on campus.

The enrollment at Western is ever-increasing. In the spring of 1961 it was 8827, and by fall it had risen to 9545. This means that there must be more efficient ways of counseling and serving each student during his four years.

Miss Margaret Skivington, secretary to the registrar, offers helpful advice daily to many students, in addition to her regular secretarial duties.

Dr. Keith Smith is one of the many important people, anonymous to students, behind the IBM machine.

Dr. Griffeth, Deau of Students, is available to help students with special problems.

Data for each student passes from the registrar's office to the IBM processing room, and from there it is distributed to the many departments that serve the students—counselors, records office, dean's office, publicity, placement, etc.

Members of the counseling bureau Donald Neill, Sterling Breed, Harry Lawson, Gleu Rice and Lewis Crawford confer periodically to standardize their procedures.

ATHLETIC BOARD

Heading the entire intercollegiate athletic system at Western is the Athletic Board. Subject to veto by the President of the University, this group exercises jurisdiction over all matters pertaining to the Bronco athletic teams. Included among the Board's duties are the formation of policies concerning awards, schedules, eligibility, student managers, cheerleaders, and tickets. The President designates the Chairman of the Board and the Faculty Representatives to the Mid-American Conference.

The active members of the Athletic Board are three members from the Administration and three members from the Faculty. Ex-officio members are the Director of Athletics, Associate Director of Athletics, President of the Student Council, the President of the "W" Club, and the Sports Editor of the Herald.

CHEERLEADERS

Western's six varsity cheerleaders, Linda Wilkinson, Connie Foglesong, Sue Barrett, Judie Pierce, Nancy Ferguson, and Carol Moeller; and four alternates, Becky Good, Peggy Herner, Rosanne Mokowsky and Sandy Cummings were familiar sights at all home football and basketball games. The girls worked gallantly throughout the entire season leading the Bronco fans in cheering the teams on to victory.

FOOTBALL

WMU's football team finished the season with an impressive 5-3-1 record, took second place in the rugged, well-balanced MAC, and made a fine showing in the nation's first Aviation Bowl contest. The season opened with a 27-21 win over Central Michigan; senior quarterback, Ed Chlebek, tossed three touchdown passes (two of them for over 55 yards). Senior end, Dennis Holland, made the first interception of the year and rambled into Central's end zone for what proved to be the winning score. The following week saw the Broncos travel to Detroit where the powerful Titan offensive worked hard to edge WMU 21-14. Western then moved into its league schedule and in the home opener downed Miami 6-3; it was the first time since 1943 that the Broncos had taken the Redskins. Alex Forge plunged into the end zone in the final stanza for the margin of victory.

A Utah State balfback is about to be brought down after a short gain.

After a loss of 21-0 to champion Bowling Green, the Broncos downed Toledo 7-0 in Toledo's Glass Bowl. Holland cracked the Rocket line to block a punt, and center Mike Maul, co-captain, picked up the loose ball on the 14-yard stripe. Four plays later halfback Joe DeOrio bucked over the right guard for the only score of the game. WMU stretched its league mark to 3-1 then as Marshall's Big Green crumbled, 20-1. Linemen John Lomakoski, Marv Feenstra and Ken Reasor spearheaded the defense which caused Marshall to get no closer to the WMU goal than the 29-yard line. The rugged defensive line also caused Marshall to fumble five times. Kent State was the next league victim, the third consecutive shutout, as sophomore halfback Alan Gibbs scored both touchdowns in the 14-0 win.

Utah State's Aggies defeated the Broncos the following week in a game which was perhaps Chlebek's finest in his collegiate career. He completed fourteen passes for 197 yards in the air. And in the final game of the regular season, Ohio University tied the Broncos 20-20 on the Ohio field; the tie came on a field goal in the final 33 seconds of play. Coach Merle Schlosser took his Broncos to Dayton, Ohio, as the league's representative in the first Aviation Bowl where University of New Mexico handed WMU a 28-12 loss; the game was played on a grizzly field in most adverse weather. Freezing rain, snow and drizzle annihilated Chlebek's first half efforts, but the all-league signal-caller came back strong in the second half with 18 completions for 207 yards and one touchdown.

Western's first TD in the Aviation Bowl was made by Bob White.

Basketball

The Bronco basketballers began to make their mark on the Mid-American Conference this year, after several years of lagging behind the rest of the pack. Except for a late season slump, during which the Broncos lost their last three games to Bowling Green, Toledo, and Ohio University, Western would have nailed down second place in league competition. Don Boven's hoopsters ran into some trouble at mid-season, when center Bob Bolton graduated, forcing a shift in lineup; however, the squad jelled quickly, and reached its peak when it turned back the University of Detroit cagers by twelve points. As a result of losing the last three crucial contests, the team finished in fourth place, tied with Marshall. Prospects look bright for next winter though, with several fine players on their way up from the freshman squad, and enough lettermen returning to form nucleus of an excellent team.

Even the younger set was entranced.

The fans go wild in the tense final minutes,.

Several individual stars helped greatly in making the 1961-62 Broncos an interesting team to watch. Foremost among them was sophomore sharp-shooter Manny Newsome, who became the first sophomore ever to win the MAC individual scoring title, as he pumped in 305 points in conference play. His overall total came to 578 points. Ron Emerick moved into the center spot following Bolton's departure, and immediately became the outstanding rebounder on the squad; as well as scoring needed points at crucial moments. After Emerick came sophomore Bill Street, who impressed everyone with his scoring and rebounding. Senior guard Tom Woodruff, through consistent play, became very valuable. Mike Boedy filled in the fifth spot during second semester.

Baseball

Finishing the season with an outstanding 19-8 win-loss record, and a title in both the Mid-American Conference and District Four NCAA meet; the Bronco baseball squad retired after an outstanding year. Under the vigilant eye of veteran coach Charlie Maher, the Bronco diamond men bagged the MAC crown with a perfect 11-0 record, and went on to win the District Four NCAA title by defeating Detroit 3-1, Cincinnati 8-1, and Michigan 4-3 in 14 innings. This qualified the Broncos for the national finals in Omaha where they lost to Boston College 3-2, defeated the Texas Longhorns 8-2, and were eliminated by Syracuse 6-0. However, WMU still ended up fifth in the nation.

The Broncos opened the season with a four game slate at the Florida State University Invitational meet and lost to Duke, Florida and split with Florida State. The Bronco powerhouse came alive in the first game of conference action winning 14-2 over Toledo University. They continued their winning ways and came out on top in the following six games. Their second game with Ohio State resulted in a 3-2 ten inning loss, but Western got back on the right foot by defeating Ohio University, last year's conference champion, Marshall and Bowling Green twice, with a pair of losses to Wisconsin sandwiched in between. The last regularly scheduled game resulted in a 7-5 Western victory over Michigan, the eventual Big Ten Champion.

The 1961 Bronco track team chalked up the school's best track record in history, going unbeaten in dual competition and winning a fourth successive Mid-American title. It was only the second unbeaten dual record in a span which started in 1911. The year also produced WMU's second NCAA individual champion in half-miler, John Bork, whose 1:48.3 timing eclipsed a star-studded field at Philadelphia's Franklin Field. The highlight of the season was a 61% to 601/3 win over Big Ten champion Michigan on the Bronco course. At the Drake relays, the WMU 4-mile relay team of Jerry Bashaw, Jerry Ashmore, Dick Pond and John Bork set a new collegiate and American record with a 16:50.4 timing (since broken) and Bork was named the most outstanding individual at the relays carnival.

In winning the Mid-American crown with 107 1/2 points (nearest was Miami with 58), three Broncos set new league records: Pond in the mile, Bork in the 880-yard run, and Ashmore in the 2-mile event. And in winning the state AAU title, Alonzo Littlejohn did 6 feet 91/2 inches to set a new school mark in high jump. He and Jim Oliphant were 6 feet 8 inches several times in outdoor and indoor competition. In the 1962 indoor season, the Broncos had the top team in the state AAU, Michigan State Relays, WMU Relays and CCC. In the latter, WMU ousted Notre Dame for the championship. At the WMU Relays, the team of Joel Johnson, Gaylord Barham, Dennis Wright and Floyd Cook tied the American record of 1:29.4. Bashaw won the mile in 4:14.5 at Milwaukee, and at Cleveland he was fifth with a fine 4:13.5.

Cross Country

Western's cross-country team was unbeaten in four dual meets, won its fifth straight Mid-American championship, won the Notre Dame Invitational meet for the second straight year, finished third in the CCC, and placed sixth in the NCAA championship run. Through graduation losses, particularly all-Americans Jerry Ashmore and Dick Pond, coach Dales anticipated a re-building year. Dales achieved fine team balance, however, built around all-American Don Hancock, who finished eleventh in the NCAA, and juniors Dick Greene and Jerry Bashaw. Dick Mach and senior Ron Waldvogel, who had never before run cross-country, did the job for the Broncos too.

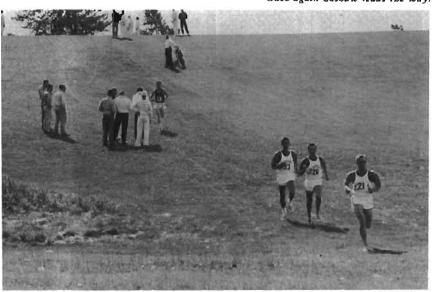

Jerry Bashaw finished first in the meet with Notre Davic.

1961 marked the eighth consecutive year the Bronco netters won the Mid-American Conference title. This brought the total to ten league crowns since the conference was formed in 1947, all of them under coach Raymond (Hap) Sorensen.

Posting a 7-7 dual record, Sorensen considered the season very successful. After losing his number one singles player, John Cook, three times MAC individual champion, Sorensen gave Kent Miller the number one position with Fred Zuidema number two. They teamed up and won the doubles title in the Mid-American tourney. Zuidema, Bob Foutz, and Dave Crawford won single flights in the two, three, and four categories. The nucleus for 1962 will include the number three player, Foutz, the number five, Mike Moran, and the sixth, Jim Teal.

Golf

Coach Roy Wietz's varsity golfers made an excellent showing in overall competition. Although they got off to a slow start by losing four of their first five meets, they improved a great deal and lost only one more match during the season, to powerful Notre Dame; thus concluding the year with an 11-5 overall record. Western earned fourth place in Mid-American conference play, being topped by Ohio, who captured their fifth consecutive crown, Bowling Green, whom Western defeated in midseason, and Marshall.

Coach Ed Gabel's swimmers recorded an 8-4 dual record and finished second in the Mid-American meet (highest spot for the Broncos since competing in MAC swim competition). Two sophomores were individual winners in the league meet; Beau Toll took the 1,500 meter event, and Joel Gaff captured the 200-yard breast stroke crown. Most of the team returns for next season and prospects look very bright. Other tankers who combined to give WMU excellent team balance were Dave Boehlke, Fred Lewerenz, Bill Cutler, Howard Lee, and divers Tony Toporski and Dave Eastwood.

The Bronco wrestling team finished its fifth season with a 6-4 dual record, the best since the sport was inaugurated. Coach Roy Wietz led his team to a fourth place Mid-American Conference finish and a 3-2 league dual mark. Only league losses were to champion Toledo and powerful Bowling Green. Only two starters are lost for next year's squad; 147 pounder, Tom Holland, graduated at midyear and 147-157-pounder, Derrill Coonfield, graduates in June. Dave Butler, 117-pounder, who posted an 11-1 record for the year, became WMU's second 4-1 champion by winning his division in the major invitational meet at Cleveland, Ohio.

W Club

The W Club is made up of men who have won their letters in any of the varsity sports. The members sell programs at the basketball games and operate the concessions in the baseball season. In addition to athletic activities, the men also sponsor a dance and an annual picnic. They sponsor basketball and softball games for the faculty, the proceeds of which go towards the National Football Hall of Fame and a scholarship program.

Intramural and All Campus Sports

Intramural track relay race

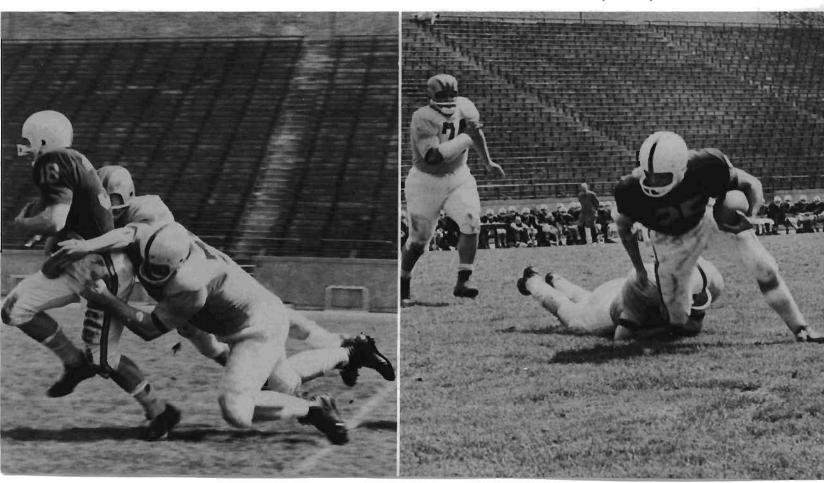

Intramural sports, designed to give all men on campus a chance to compete, were highly successful this year. The first event in the fall was a golf tournament which was divided into two divisions: one for freshmen and sophomores, and one for juniors and seniors. Winner for the first division was Don Swartz with a round of 79. Winner for the juniorsenior division was John Zencatis with 76. In the popular track and field event, eight new records were set for the ten events. They were: 65 yard high hurdles-Jim Vogler, 8.4 seconds; 100 yard dash—Dennis McGee, 10.1; 440 yard dash—Art Attaway, 54.3; 880 yard run-Wiley Boulding, 2:10; 880 yard relay, Vandercook Hall, 1:36.6; Broad jump— Dennis Holland, 21 feet 8 inches; 12 pound shot put—Mike Oatlay, 50 feet, 11/2 inches.

A bigb jumper at the intramural track and field event.

There was a lot of action at the "Oldtimerr" football game.

The varsity scored their first victory in four years.

Ron Jackson was an alumnus challenger in the annual varsity-alumni hasehall game.

Winners of the flag football tournaments were Henry Hall from the Gold league and the Knights (Independents) from the Brown league. Trophies for swimming went to Sigma Phi Epsilon in the fraternity division and to Henry Hall in the dormitory-independent division. Other intramural events were basketball, free throwing, handball and the cross country turkey trot. Also of interest on campus this year were the varsity-alumni baseball game, the "Oldtimers" football game, and the lettermen-faculty basketball game. This year the varsity beat the alumni at baseball 9-1. It was their first win, after losing the first two games and tying the third. The faculty basketball game was sponsored by the W Club with lettermen from several sports vieing with such faculty members as Sterling Breed, Francis LeMire, and jumping Min Mochizuki for the prized brown and gold barrell; which was awarded to the winning lettermen.

Freshman Football

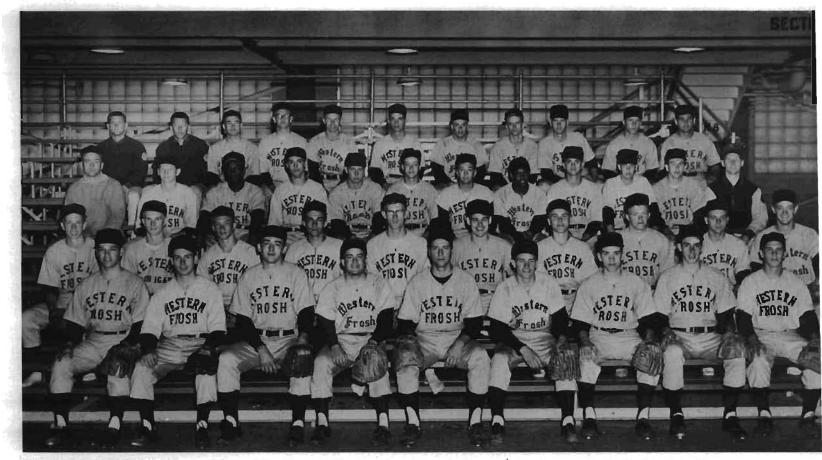

This year's promising Ponies tromped over Central Michigan and Toledo without any trouble, but the team, greatly hampered by injuries, dropped its final game to Bowling Green 32-16. In the 28-20 win over Central, WMU took a punt and marched 65 yards to score early in the first quarter. Later in the same quarter Mike Darby caught a pass from Barnbill for 20 yards, ran for 50 and scored the second touchdown. Both Western and Central scored in the third quarter, and Central scored twice again in the fourth; but the game ended with the Ponies in firm control. The 38-8 win over Toledo was even more outstanding, with the Ponies rolling up 480 yards against the Junior Rockets. Nickerson gained 108 yards on five carries and was the outstanding runner of the game. Quarterback Barnhill and backs Nickerson, Lipinski, Miller, Sluka, Darby and Johnson have all shown promise for next year.

Western's frosh cagers had an enthusiastic following again this year, as the team continued to develop skill throughout the season. The team, having both size and mobility, will make some very good additions to next year's varsity squad. Most noteworthy of these are Ajac Triplett and Don Petroff, who both averaged close to twenty points a game. Triplett, a high school teammate of Manny Newsome's, sophomore varsity star, is fast and his height of 6 feet 3 inches is tall for a guard. Petroff stands 6 feet 5 inches and is an excellent shot. Also, much ability has been shown by Dave Anderson, who led the scoring for the team on several occasions, Al Snyder, good scorer and rebounder, and Harry Volkers, a high scoring, 6 foot 9 inch center.

Freshman Baseball

Coach Fred Stevens' frosh baseball team split their first three double headers, the first with Flint J.C. and the next two with Central Michigan University. But they continued to improve and showed it by defeating Alma 5-2 and 12-0. They then climaxed their season by defeating powerful Toledo 5-2 and 5-0. These men have given observers every reason to have high hopes for baseball at Western in the next few years.

GOVERNMENT

STUDENT COUNCIL

Student Council members serve as a liaison between students and administration, through which suggestions may be introduced for the improvement of campus life. Some of the activities that the council sponsors are, Western Way, the Student Leadership Conference, Carnicus, SODS, Calliope and Homecoming. Lesser known, but also important functions of the council are the mimeograph service, the support of a foster child and the keeping of a financial record of all campus organizations. For its members, Student Council provides a training ground in self-government and civic leadership.

ASSOCIATED WOMEN STUDENTS

AWS, the student government of and by the women of Western's campus, is composed of three main segments. It encourages scholastic achievement, promotes leadership and encourages a richer social life for women students. Among AWS sponsored events are: Senior Sister Program, Dean's Conference, Dad's Day, Christmas Chocolate, Mother's Day Tea, and June Breakfast. The June Breakfast brings the college year to a close by honoring outstanding women students. These include freshmen honor-women who carry the daisy chain and junior women who are tapped for Arista. AWS awards are then presented to the outstanding senior woman and AWS worker.

MENS UNION BOARD

Men's Union Board is kept busy throughout the year planning for future projects and sponsoring many social events for the present year. Each year this organization brings two well-known speakers to the campus. These speakers are always immensely popular with the students as are the movies and open houses which the board sponsors. The most popular event of the spring with special late permission for the women is Cotillion. This dance is the most formal affair of the year and it never ceases to be impressive for the women students to be ushered in by a doorman, to tread lightly up the steps on a red carpet, and dance to the music of a well-known band.

Serving as a judicial governing body, the Board meets every Tuesday to take problems of men students in hand and try to solve them through either counseling or disciplinary action. The Men's Traffic Court was established to cope with students who receive excessive parking tickets and those involved in other traffic violations.

Striving to establish and maintain the welfare of student activities with the Student Center, USCAB evaluates the existing activities and promotes new programs as they are needed. They also sponsor activities which are not the prerogative of other organizations, such as the faculty-student coffee forums. Membership consists of the president, chosen by the board, the sponsors and seven members at large, chosen by letters of application and review.

STUDENT ACTIVITIES COMMITTEE

It's a hard-working year for those in SAC, Student Activities Committee. Leading the way, this committee is considered the top policy-making committee operating within the assigned limits set by President James Miller. It is empowered with the right of review of all activities of the Student Body. It governs the organization and conduct of all student organizations on campus plus acting as direct sponsor of Student Council. The committee consists of six faculty and six student members.

It is the duty of the newly chosen Aristans to stimulate scholastic interest among the women students. To do this the group sponsors three events during the year. The Sophomore Honor Chocolate recognizes students who have completed their freshman year in good scholastic standing, Rose Day honors all senior women of outstanding scholastic or leadership ability, and June Breakfast, which climaxes the year, is a beautiful program where new Aristans are tapped and freshman honor women carry the Daisy Chain.

Membership in ODK is based upon distinctive performance in at least one of the five major phases of campus life: scholarship; athletics; student government, social and religious affairs; publications; and speech, music, drama, and the other arts. It is the ODK idea that such men should be recognized, that their fellowship together will help to mould sentiment concerning collegiate life, and that their contacts with faculty members of ODK will provide a basis of mutual understanding and interest between students and faculty. Membership in Omicron Delta Kappa, then, is both an honor and an obligation.

APPLIED ARTS

Home Economics Club is interested in developing its members professionally as well as socially. Annual projects consist of a September cookout and social, and a May banquet honoring the seniors. The activities committee raises money for worth-while services, and for trips to the State and Province college clubs' workshops. This year the state workshop was held at Western. State offices went to Lynne McCracken, Sylvia Coleman and Miss Opal Stamm.

STUDENT PETROLEUM ASSOCIATION

Striving to develop character, a well rounded academic and social program, and expanding their knowledge and interests in the petroleum industry are the aims of the lively Student Petroleum Association. To help gain these goals the SPA enthusiastically participates in all campus activities. With their common interests and future goals, the members of SPA have developed a bond that should even grow stronger in future years as these men work side by side in the petroleum industry.

Seven years ago Torch and Blade was organized as a local "Branch General" ROTC fraternity at WMU. It strives to promote interest in military life and subjects. Talks by ROTC leaders and faculty as well as military movies support its aim. All military students advanced beyond 1st semester are eligible as "Inductee's" provided they are sworn to the Officer's Code, "Duty-Honor-Country."

ALPHA CHI OMEGA

As an active participant in all campus events, Alpha Chi Omega has again had a fun-filled, busy year. Among the most memorable activities were the Founder's Day banquet, Dad's Day dinner, Mother's Day luncheon, Panhellenic banquet, and spring house party. The girls also enjoyed their open dance held in the fall with Sigma Alpha Epsilon, and their closed dance in the spring. Their participation in campus functions resulted in a first place rating in the Greek Week canoe race and in the Freshman Carnival. But social life is only part of the activities of Alpha Chi. Each year the girls work at the Upjohn School for Handicapped Children as their part in the national project, Cerebral Palsy. The stress on high scholarship has resulted in the award of the scholarship cup and with the election of two members to Arista.

DELTA SIGMA PHI

Recognized as Western's first national fraternity. the Beta Tau chapter of Delta Sigma Phi has always taken an active part in campus activities. This year proved to be no exception, as the Delt Sig's participated in the Snow Carnival, Homecoming, and Greek Week, among other events. Highlights of this year's social calendar included the annual "Carnation Ball," which is closed to the members of the fraternity and an Installation Banquet. Men of Delta Sigma Phi pride themselves in their participation in intramural athletics. This year they were presented with the All Sports Trophy, as in the past three consecutive years. Many of the brothers are on varsity athletic teams and are very much a part of student affairs. "Engineered Leadership," the motto of Delta Sigma Phi. Hail Delta Upsilon!
Brotherhood glorious
Justice thy cornerstone,
True manhood thy goal.

DELTA UPSILON

Steeped in years of experience and tradition Delta Upsilon is one of Western's oldest fraternities. Nationally, Delta Upsilon has 83 chapters and is one of the largest of the old-line fraternities. In 1961 the chapter received awards for their public relations program and for their pledge program. Members of DU, the only non-secret fraternity on campus, sponsor Variety Night, a fraternity-sorority skit night program, and the "Sweetheart Ball" which is the oldest of Western's all-campus dances.

PHI SIGMA EPSILON

Since the arrival of Phi Sigma Epsilon on WMU's campus in 1955, the brothers have worked diligently to make a name for themselves. Phi Sigs are the only fraternity on campus to go national in one year, purchasing their house on Short Road the following year. The winter of 1960 found Phi Sigma Epsilon tying for the Snow Carnival Grand Trophy with Sigma Alpha Epsilon. This year Phi Sig's participated in many community and campus activities. The brothers collected a substantial amount for Cystic Fibrosis and have participated in intramural sports. The homecoming float "Camelot" won Grand Trophy for the Phi Sig's, making it two grand trophies in three years.

Hail the evergrowing throng, Phi Sigs true and loyal, Brothers as we march along, Toward that goal so bright press onward.

Western's newest fraternity bouse is ideally located between the east and west campus.

PHI SIGMA KAPPA

The phenomenal growth of Western's newest fraternity is the "greek news" of the year. Members of Phi Sigma Kappa have reason to be proud of their group, for not only did it organize and take its place among the most active organizations in less than a year, but it also bought and redecorated a house that is within easy walking distance of either campus.

PI KAPPA LAMBDA

The pin was designed by President, Tony Svebla.

On October 4, 1961, Pi Kappa Lambda became the thirteenth fraternity on Western's campus. From a group of five, their membership has grown to forty-seven. The "Pikes" took on the responsibility of decorating for both of the homecoming dances and spent over eight hundred hours drawing, assembling and painting. The members have also acquired a 1941 firetruck which has been on campus for several events. They feel that this truck will add color to the greek society. Pi Kappa Alpha, listed among the top ten social fraternities in the nation, is the national that the "Pikes" will affiliate with in the spring. The members here believe in allowing their pledges to make most of their own rules, in changing the popular "hell" week into a "help" week and are striving to be accepted as "Western's newest and finest fraternity."

SIGMA ALPHA EPSILON

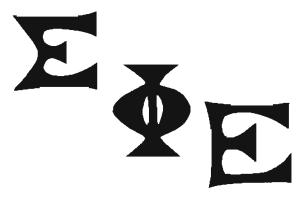

This fall Sigma Alpha Epsilon brought the largest national fraternity to the campus of WMU. Prior to this the group had been petitioning as Phi Alpha Local. SAE was founded in 1856 and has grown to include 143 chapters and over 111,000 initiates. Participating in all campus activities, the Phi Alpha chapter held the 1961-62 Fraternity Sing trophy, claimed 1st place in the Freshman Carnival, 1st place for their homecoming float and a championship basketball team. Social events included the fall and spring Pledge Banquets, the annual Toga Party and a Roaring Twenties Party. Also, each fall SAE and Alpha Chi Omega co-sponsor a dance. Sigma Alpha Epsilon aims toward scholarship, leadership, and maturation of character through brotherhood.

SIGMA PHI EPSILON

First homecoming, then Dads' day, then Snow Carnival, then Moms' Day; and these are only the major Campus activities. They are an active group stressing scholastics as well as community services. No matter where one looks on campus he will see a Sig Ep: on Student Council, on Mens' Union Board, on IFC executive Board, on Dorm Council, the list is endless. The Sig Eps have a reputation as being a strong link in the Greek Chain, and once again this year they have done their best to maintain this reputation.

SIGMA TAU GAMMA

Another prosperous year for the Sig Taus. With continued emphasis on scholarship, the active chapter of Sigma Tau Gamma attained second place honors among fraternities for 1961. Besides taking part in all campus activities, much time was spent in close association amongst the brothers. In addition to the regular activities, the brothers found time for a full closed-social calendar which provided many enjoyable events for the "Taus" and their dates. Widely known on the closed-calendar is spring's "White Rose Ball."

The fraters participate in all campus activities, as well as civic affairs, winning the civic trophy for the past three years. Not for wealth, rank, or honor but for personal worth of character, Teke, the fraternity which stands for men is a fraternity for life.

THETA XI

By participating in a wide variety of activities, Theta Xi has continued to uphold its motto, "In brotherhood we trust." These included: Homecoming, Greek Week, the Red Cross Drive and many other social and civic events. Scholastic abilities are very important among the brothers and they rank as one of the leaders in intra-fraternity athletics. This was shown by the winning of the 1961 intra-fraternity softball championship.

The RHA Freshman Week Welcome Dance set the pace for the many other all-campus dances to be held throughout the year. The assistance given to the various dormitories for mixers also made many evenings more enjoyable. Instead of the annual Winter Fantasies and talent show, an all campus jazz concert was held in March this year. The spring and fall blood drives brought donors from all over campus to try to meet the goal set jointly by the Red Cross and RHA. In the bi-weekly meetings held in the various residence halls, RHA discussed the many problems of the dorms and the campus. Working closely with the sponsors, the dorm leaders strove continually to foster interesting activities giving both functional and social rewards.

BIGELOW HALL

Plaster dry and windows in place, Bigelow opened its freshly painted doors this fall to the male students of WMU's campus. Supporting campus activities, Bigelow proudly sponsored Miss Sandra Miller who was selected to reign over the 1961 Homecoming activities, Closeddorm events included a blind-date bar-be-que with the women of French Hall. Of particular interest to those visiting the dorm is the lounge. Done in a Nigerian motif, it is truly a tribute to the art of interior decoration. Mr. and Mrs. Homer Cox were the resident directors this year. Assisting them and the staff were the officers: Ron Sugg, president; Randy Rouse, vice-president; Tom Mannen, 2nd vice-president; Ron Reece, secretary; and Dick Smith, treasurer. President James Miller presided over the dedication events which officially opened the Bigelow Hall.

From celebrating the joys of Homecoming to observing Religious Emphasis Week those Davis girls keep in tune with the times. Early in the college year they were introduced to their new "parents", familiar mother but new dad, at a tea honoring Mr. and Mrs. Gordon Eggert. Dad's found Davis hostessing them before and after the big football game Dad's Day. Moms found a weekend of fun in her corridors on Mom's Weekend. Not to be missed throughout the year were various functions including a Christmas Party, Senior Dinner, Easter Party for faculty children and numerous celebrated teas.

Even the storage room is put to use when Homecoming floats are being constructed.

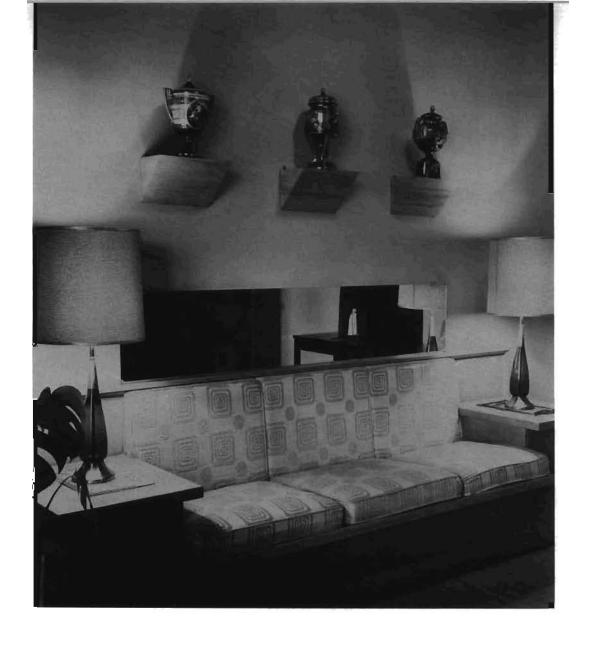

DAVIS HALL

While obscruing Religious Week, Fireside Speaker Rev. Donald P. Buteyn chatted briefly with Davis girls before his formal talk.

The winds of Homecoming aided the buffing and puffing.

DRAPER HALL

Fashions (?) as modeled by our WMU mothers!

They talked and talked and talked. For days Draper Hall's women shared a dime-telephone conversation with the men of Ellsworth Hall. Half-hour shifts kept the wires buzzing and the talking continuous. Outside the phone booth, activities included mixers, and ice-cream contest, birthday and holiday dinners. First place awards were won at the Freshman Carnival and for the Homecoming float contest among womens' dorms.

ELLSWORTH HALL

The men of Ellsworth are well-known for their traditional exterior decorations at Christmas. Exchange dinners with women's residence halls, open houses, smokers, the annual Christmas party and the spring formal along with displays for Homecoming and Snow Carnival have left the men of Ellworth with hardly a dull moment during the past year.

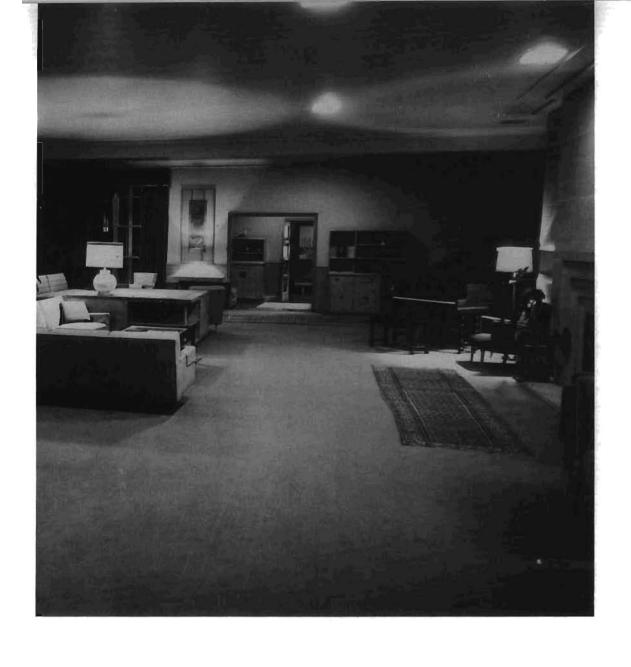

Who said we couldn't sing? !

After bours of work the Fisherman and the Flounder took their place in the Homecoming parade.

ERNEST BURNHAM

After closing bours the girls sometimes seek the quiet of the lounge for studying or just plain relaxing.

There will be rain tomorrow in "Dospatch."

"Ernie Burnie" is a dorm filled with spirit and enthusiasm. Throughout the year the women participate in a wide range of activities, including the traditional birthday and holiday dinners and a dinner honoring the faculty. "Burnham goes Dogpatch," this year's theme of the dorm's annual mixer, got "Ernie" off to a lively start in the fall. A party for underprivileged children and the secret buddy system were two highlights of the Christmas season.

French Hall girls have really been busy this year. The dorm's main achievements include winning first place for its Homecoming house display, "Jack and the Beanstalk," and giving a Christmas Faculty Tea. This event, which took place in December, gave French Hall girls a chance to chat with their instructors in an informal Christmas-time atmosphere. There was plenty of fun at the many PJ parties, the Halloween party, the Christmas party, and the dorm mixers. Marianne Weemhoff, president; Jane Sanborn, 1st vice-president; Nicette del Saudio, 2nd vice-president; Iudy Burn, recording secretary; Patty Clock, treasurer; and Mary Ellen Pardee, corresponding secretary were busy but happy officers this year.

In preparation of Homecoming French goes all out.

My goodness, Roomie. How you've changed!

FRENCH HALL

it takes a lot of co-operation to make any decoration look good.

HENRY HALL

Refreshments now being served.

Tiger's Tracks! Tiger's Tracks! Tiger's Tracks? None other than Henry Hall's dorm newspaper. This publication featured among its articles the dorm's activities for the college year. Campus-wide Henry Hall sponsored a successful series of "Cokers" (movies with refreshments served); constructed a Homecoming float, Pecos Bill Riding a Cyclone; and sponsored dorm mixer, Henry Hup.

HOEKJE HALL

Supporting campus functions just comes natural to the men of Hoekje Hall. Homecoming Weekend they combined their efforts and talent to construct a float and house display, capturing first place for all their hard work. Sponsoring two dances, hosting at various smokers, and entertaining at interdorm parties were also included in the college year's activities.

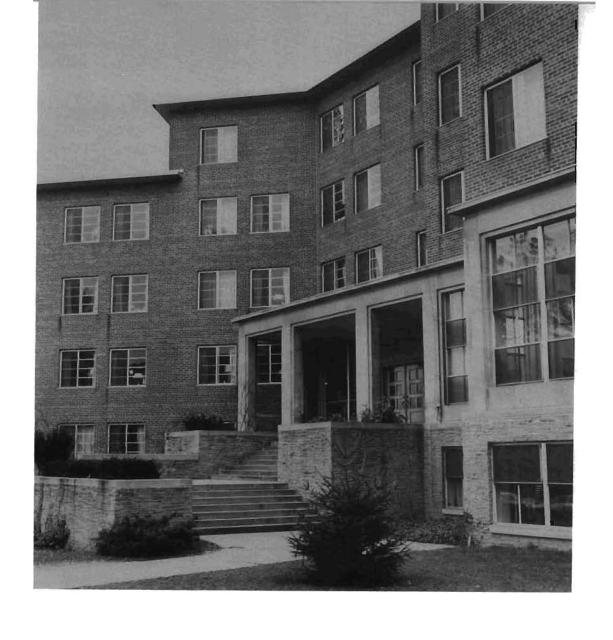

Mr. Yankee at bome . . . relaxing!

Here's where the boys are!

SIEDSCHLAG HALL

Winter fun in ice and snow.

Stedschlag's "morning-glories."

Noted for friendship and spirit, Siedschlag is a proud women's dormitory. Not only is it President Miller's closest neighbor, closest to the bus line, and the only building on campus with a living namesake, but it also has the most difficult name to spell. A newly initiated "Merit system" for participation in social functions has created endless spirit in Siedschlag. And why not? The winning "corridor of the month" feasts on steak while the rest of the dorm eats meatloaf!

COUNCIL—Front row, left to right: Kathy Beals, Joan Shoesmith, Linda Jones, Char Currie, Katie Hunt, Mrs. Katherine Chapman, Alex Rutkowski, Judy Schindler, Carol Lindenfeld. After a cold walk in the snow, girls and their escorts welcome the warmth of the lobby.

SMITH BURNHAM HALL

Athletically inclined or not, girls and their guys enjoy the ping pong games in the rec room.

And to think Smith Burnham was a men's dorm only a few short years ago. The feminine touch is now within its walls to stay. Combining efforts with Ernest Burnham again this year, it brought Dog-Patch back to WMU's campus in its annual fall mixer. Underprivileged children were not forgotten by Smith's women, as they enjoyed a party featuring a treasure-hunt. Other events included holiday and exchange dinners and fireside chats. Gifts for the dorm were received in memory of Mrs. Smith Burnham.

SPINDLER HALL

This past year found Spindler Hall working diligently to bring the East Campus into even a more plausible unit than it has been in the past. Homecoming was an opportunity for East Campus to combine their efforts in assembling a float. Later Walwood Hall was invited to join Spindler in Halloween festivities. The spirit was not lost at the games nor at the annual snowball fights. Spindler's roster of events also included various birthday dinners throughout the year.

Saturday afternoon at the movies.

Spindler's mixer was one of the first dorm activities of the year.

Get a large one—they shrink.

At the beginning of each year all of the men of Vandercook get acquainted at the introductory smoker. Activities for the rest of the year include the opportunity to participate in intramural sports, open houses, and the annual spring picnic. "Hungry Hall", as it is sometimes called, is the only dorm on campus that does not serve meals.

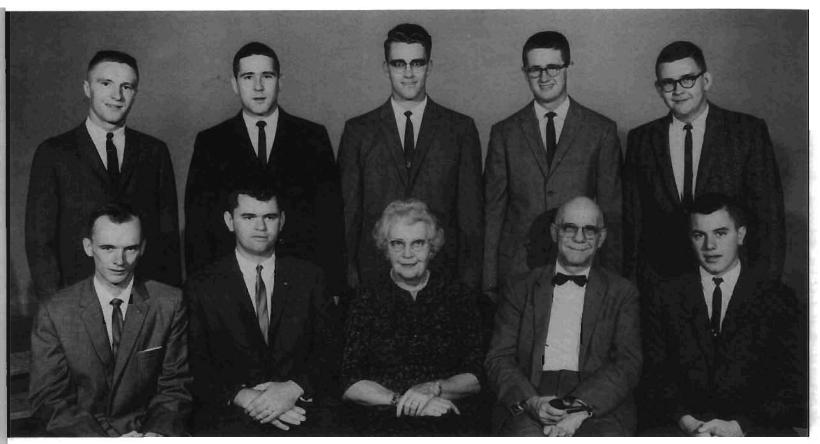

Music Maestro, if you please.

VANDERCOOK HALL

HOUSE COUNCIL—Front row, left to right: Steve Branz, Ted Uliek, Lloyd Elwood, Robert Kobylarz, George Berry, Thomas Sternal, Dan Roszkowski. Second row: Dennis Wright, Paul Freudenburg, Paul Sweetland, John Jacoblez, Larry Schramm, John McLoskey.

WALWOOD COUNCIL—Front row, left to right: Denny Carroll, John King, Mrs. Helen Hockje, Mr. James Boynton, John Lore. Second row: Thomas Rogers, Jim Boike, Dick Hanna, Gary Gill, Dave Laginess.

WALWOOD HALL

"Small but mighty" are the men of Walwood Hall, or so they tell us. Examples of their spirit are evidenced in the success that they have had with mixers, intramural sports and other campus functions. Residents of one of the smaller men's dorms take pride in the informality and friendship that they have been able to achieve. Men on the corridor are buddies and the directors, "Mom" Hoekje and "Doc" Boynton, are personal friends.

Rare are the times when Mrs. Hockje's room is not overrun with "ber boys".

Couples enjoy the friendly atmosphere of Walwood's lounge.

ZIMMERMAN HALL

Song fests in the lounge are a part of the relaxed atmosphere.

Sometimes studies are enough to drive anyone (to) mad.

The comforts of home, smiling, friendly faces, all go together to make Zimmerman Hall a wonderful place to live. Housing 258 girls, a relatively small number in comparison to other dormitories, Zimmerman doesn't seem to be producing new faces every day. The girls found themselves caught up in a whirl of gay activity this year. Among their various functions were open houses, a snow sculpture, and participation in Homecoming.

COUNCIL—Front row, left to right: Jan Gibbs, Becky Ashlin, Betty Dinse, Ann Raymond, Margo Granelli, Alice Mull, Joy Harrison, Mrs. Potter. THE SENIOR CLASS

Acting as representatives from their class, the senior officers have several specific responsibilities to fulfill. Their primary project for the year was to bring the noted columnist, Drew Pearson, to speak on campus. They also selected the graduation announcements and were responsible for the class donation to the school. Since this was the first year that only the Senior class had officers, they formulated a Constitution for Senior Class organization which is expected to define the duties of future officers and class activities.

A delight or dilemma of the Western students is the occasional shopping tour in the establishments of Kalamazoo. Toothpaste, shampoo and cigarettes are easily found. Styleseekers hurry to clothing stores for a preview of the latest fashions or a new dress for that hig dance. Cheese, crackers and concentrated fruit juices are collected at the grocery for midnight snacks. And, after a movie or a date, many gather at the driveins and pizza houses. Thank you, Merchants of Kalamazoo, for the support you provide our university.

A fine professional photograph does two things for you . . . It represents you at the instant it is taken, and it keeps that You alive for later generations to see . . .

You will grow older, of course, but our talented artist-photographer will keep today's You forever young! . . . We are happy to be your official school photographer, and we'd be proud to be your personal photographer, too, to record all the other important events of your life.
